Get ready for some fun as we focus on Creativity this month! One way to think about Creativity is “using your imagination to create something new or solve a problem.” Opportunities to be Creative are all around us! How can you find ways to be Creative as a family this month?

Creativity is 1 of 3 traits we will focus on throughout the year that helps students Be Well. Throughout the school, students will be developing skills like emotion regulation, positive self-talk, and stress-management.

In The Classroom

Naming our emotions is an important first step to managing our emotions. This month, Kindergarten students will focus on identifying their emotions using the Emotion Elements below.

**Emotion Elements**
- **Bree** represents feeling silly, nervous, playful, or distracted.
- **Brooks** represents feeling sad, lonely, tired, or embarrassed.
- **Ember** represents feeling angry, frustrated, excited, or scared.
- **Terra** represents emotions like calm, focused, proud, or happy.

Try using the Emotion Elements as a family to name your emotions!

Conversation Starters

- Can you share or show me what Creativity is?
- What are some feeling words you know? How are you feeling today?
Have some fun connecting as a family this month while practicing Creativity. Here are 3 “PurposeFull Pursuits” for you to complete together. How many can you do this month?

**Pursuit #1**

Get Creative with expressing your emotions through a game of emotion charades! Gather as a family and brainstorm some emotion words. Write them on slips of paper and turn them facedown. Then, take turns choosing a slip of paper and acting out the emotion (assist with reading as needed). Other family members will guess the emotion that is being acted out. After each person’s turn, take a moment to talk about what we may need when experiencing these emotions.

**Pursuit #2**

Review Creativity as a family. Creativity is using your imagination to create something new or solve a problem. This challenge is about creating something new - together! Find a large cardboard box and unleash your Creativity as you work together to create something totally new. What can the box become? Perhaps it will be a spaceship, an ice cream shop, a fairy castle, or a race car. Use any craft supplies or scraps on hand and your imagination to turn an ordinary box into a new creation!

**Pursuit #3**

Set aside some time to gather as a family and check in with each other. Ask each family member, “How are you feeling today?” Practice Honesty when responding and listen carefully as each family member shares. Use the emotion check-in questions to learn more and practice Creativity to come up with a new question to learn more! Challenge yourselves to check in with each other on a regular basis!

**Emotion Check-In Questions:**

- Tell me more about that feeling.
- Why do you think you are feeling that emotion?
- What do you need right now?
