

BOARD GOALS

2022-2023

1. Adopt a collaboratively developed District Improvement Plan.
2. Continue to build a unified, integrated student experience aligned with the District Improvement Plan.
3. Set and standardize expectations for board monitoring presentations.
4. Revise the superintendent evaluation process, including creating a new protocol and format; communicate that process to the community during contract extension board meeting.
5. Integrate a minimum of four (4) school board study sessions across the school year, including one about AVID, one about WSSDA school director standards, and one about student behavior.
