DECLARATION OF PRINCIPLES

The efficient administration of the system of public instruction and well-being of employees is more readily accomplished when orderly and constructive relationships are maintained between the parties hereto.

It is the intent and purpose of the parties hereto to promote and improve the efficient administration of the District and the well-being of employees within the spirit of the Public Employees Collective Bargaining Act, to establish a basic understanding relative to personnel policies, practices, and procedures as outlined in this Agreement, and to provide means for amicable discussion and adjustment of matters of mutual interest.

Effective employee-management cooperation requires a clear statement of the respective rights and obligations of the parties as outlined in this Agreement.

PREAMBLE

This Collective Bargaining Agreement (hereinafter “Agreement”) is made and entered into between Cascade School District Number 228 (hereinafter “District”) and the Public School Employees of Cascade School District Number 228, an affiliate of Public School Employees of Washington/SEIU Local 1948 (hereinafter “Association”).

In accordance with the provisions of the Public Employees Collective Bargaining Act (RCW 41.56) and regulations promulgated pursuant thereto, and in consideration of the mutual covenants contained therein, the parties agree as follows:

ARTICLE I

RECOGNITION AND COVERAGE OF AGREEMENT

Section 1.1.
The District hereby recognizes the Association as the exclusive representative of all employees in the bargaining unit described in Section 1.3., and the Association recognizes the responsibility of representing the interests of all such employees.

Section 1.2.
Nothing contained herein shall be construed to include in the bargaining unit any person whose duties necessarily imply a confidential relationship to the Board of Directors or Superintendent of the District pursuant to RCW 41.56.030 (2).

Section 1.3.
The bargaining unit to which this Agreement is applicable shall consist of all regularly employed classified employees in the following general job classifications: Food Service, Instructional Assistant, Special Education Specialists, Transportation, Maintenance, and Secretaries, excluding supervisors and all other confidential employees.
Section 1.4, Definitions.

1. **Workdays** - Defines the days included in the employee’s contract year.

2. **Calendar Days** - Defines the universally recognized calendar of months and days.

3. **Business Days** - Defines the days the CSD Administrative Offices are open for business.

4. **Full-time Classified Employee** - Is one who works two thousand eighty (2080) hours per year.

5. **Regular Classified Employee** - Is one who fills a contracted hourly position of less than two thousand eighty (2080) hours per year.

6. **New Position** - Any position newly created within the bargaining unit and projected to be twenty-one (21) days or more. All new positions must be posted, within five (5) days of the creation of the position.

7. **Open Position/Job** - Any bargaining unit position/job vacated for more than ten (10) workdays and declared open by the District. Ref. Section 11.5.2. #1.

8. **Additional Time** - All additional time of more than thirty (30) minutes shall be posted. This additional time of more than thirty (30) minutes shall be offered by seniority and availability within the classification. Additional time shall require the recalculation of benefits and insurance as applicable.

   *Intent: Is not to utilize this time to increase positions by more than thirty (30) minutes without re-posting the position.*

9. **Temporary Position** - Temporary positions are created due to short-term occasional staffing needs, which do not warrant the posting of a permanent position or the addition of hours to regular bargaining unit employees. Temporary positions expected to be more than twenty (20) cumulative workdays shall be opened and posted pursuant to Section 11.5.2. Short-term layoff will not be used to circumvent this section. CSD will meet with PSE to discuss situations for waiver, if needed. This section does not apply to positions created by leave of absence or positions created by authorized employee absence. For the term of this Agreement, the District will maintain a list of District employees who would be willing to work such a position, providing it did not create an overtime situation. Employees will be paid at their current step of the classification for which they are working. Employees shall be called off this list in order of classification seniority, then District seniority, availability and qualifications.

10. **Substitute Employees** - Is one who is employed sporadically to fill a position of a full time, regular, or temporary classified employee in an existing position. The substitute employee will receive mandated benefits.

   A. Substitute employees shall be provided a one-time only training of a maximum of four hours training prior to the performance of bargaining unit work. The content of these trainings shall be determined jointly between the parties in Labor Management.

   B. Substitutes shall be covered by no other contract provisions.
11. **Fill-in Work** - Is defined as work available that may be performed by current bargaining unit members as time allows, (i.e., a driver without an assigned mid-day could perform the midday of another driver who may be absent). Fill-in work shall be assigned based on seniority and availability. Laid off employees shall have preference over substitute employees. For the term of this agreement, the District will include these regular employees who wish to do fill-in work on the District Classified Substitute List. They will be placed in order of seniority at the top of the Substitute List and called before any substitute is called.

12. **Substitutes Hired into Permanent Positions** - Substitutes that are hired into the position that they have been substituting in, shall have their hire date adjusted to the first day they began substituting in the same position. This applies if the substituting in the position was contiguous with the permanent position.

**ARTICLE II**

**MANAGEMENT RIGHTS**

**Section 2.1.**
It is agreed that the customary and usual rights, powers, functions, and authority of management are vested exclusively in management officials of the District. Included in these rights in accordance with and subject to applicable laws, regulations, and the provisions of this contract, is the right to direct the work force, the right to hire, promote, retain, transfer and assign employees in positions; the right to suspend, discharge, demote, or take other disciplinary action against employees for justifiable cause; and the right to release employees from duties because of lack of work. The concern is limited to drug/alcohol addiction, which causes poor attendance and unsatisfactory performance on the job. The objective is to help, not harm the employee. Any employee who receives assistance will be entitled to all of the rights and benefits provided to other employees who are sick, in addition to specific services and assistance, which may be provided. It shall also be the responsibility of the District to assure any employee that a request for diagnosis or treatment will not jeopardize his/her job rights or job security. If, however, the employee refuses, after the first time offense, to enter a treatment facility and complete the treatment program, the employee shall resign or be terminated. Drivers shall sign up for the categories that they are interested in by printing and signing their name on the sign-up sheet. The sign-up sheet is kept in a master book by the Transportation office. If a driver wants to sign up after the board has begun rotating their pin will start at the bottom of the category after their name is added to the sign-up sheet.

Trip requests are arranged by date and departure time in their category as they are received. Trips are posted one (1) week to two (2) weeks prior to the trip date when possible. Each trip is issued a post and pull date. Pull dates are each Friday morning at 8:15 (unless there is no school, then the pull date is the last school day of the week at 8:15 am). Drivers are responsible for checking the trip board daily and signing legibly and in pen, on the desired trips.
When a driver is assigned a trip, their name will be circled and each of the other names will receive a number according to their status. The driver’s pin will be turned opposite the unassigned drivers’ pins to show that they have a trip. If the pin is already turned and the driver is up for another trip their pin will receive a rubber band showing that they have more than (1) one trip assigned to them. At the conclusion of each trip the pin drops to the bottom of the rotation and turned back to its original position or the rubber band is removed. If a pin has more than (1) rubber band, at the conclusion of every trip taken the rubber band will come off and the pin will drop to the bottom of the rotation until all trips on the pin have been taken and the pin is turned back to its original position.

Multiple bus trips shall be posted on (1) one trip sheet with the number of buses needed highlighted at the top. If not all buses are needed for the requested multiple bus trip, the last number assigned to the trip shall return. The driver will receive the two (2) hour minimum; except for “Shuttles” which shall receive a minimum of one (1) hour and their pin shall remain in its current position.

All trips shall be assigned in the following order: Regular, Shuttle, Emergency, and Over-time Approved at the designated time.

All trips will remain posted until their pull date of each Friday at 8:15am with the exception of Emergency trips due to their last-minute nature. At/After 8:15am a driver may not add or remove names from the postings, No Exceptions!

If in any instance a driver is “up” (their pin is next for a trip assignment in their category) for multiple trips in multiple categories the driver may put a number next to their name (to the right of their name) to signify a preference.

There shall be no trading of assigned trips unless deemed necessary by the administrator in charge.

Any driver wishing to remove their name from a trip prior to it being pulled must have the Transportation Director’s or the transportation Secretary’s initials next to it.

No driver shall remove any trip postings from the board for any reason. Only the Transportation officials have the authority to move or change contents of trip postings.

Driver Response Checkoff List - This is a list kept by the transportation department for each occurrence where each driver is needed to be notified due to a last-minute trip, change in trip or newly added Overtime Time Approved trips. These lists shall be kept in a file in the transportation office.

Canceled Trips - If any scheduled trip is canceled, the District shall make every effort to notify the designated driver of the cancellation. Should the driver report for work and discover the trip cancelled, the driver shall receive (2) hours pay and their pin shall stay in its current rotation for that category. Where cancellation possibilities are posted, drivers have the responsibility to check the trip status prior to reporting for work.
Emergency Trips - Trips received or turned in with twenty-four (24) hours or less from the departure time listed on the trip will revert to the emergency category and be assigned according to the rotation. The same signup and assignment rules apply. Exception: Emergency trips are often last minute and therefore may require the Transportation Official’s immediate assignment with whoever is available. Every effort will be made to follow the Emergency categories rotation first. The Driver Response Check-off List shall be used and filed.

Overtime Approved Trips - All trips approved for over-time will be placed into this category. Trips will be reposted from their original category following these procedures:

1. Must be reposted immediately after the original pull date and time.

2. Must be given NEW post and pull date.

3. Must be pulled only after the Transportation Official has used and completed a Driver Response Checkoff List.

Guidelines:

1. Beaver Valley School trips shall be automatically assigned to the Beaver Valley bus driver. If the Beaver Valley bus driver should pass, then the trip is posted under the guidelines for all other extra trips.

2. In the event that a scheduled trip is canceled, the driver shall have the right to take any available trip(s) in the same week that have been assigned to substitutes as long as the substitute gets at least 24 hours’ notice.

3. A Trip Board Coordinator, selected by the Transportation Supervisor, in consultation with bus drivers, shall assign trips from the trip board. If the trip board coordinator is not available to assign trips, only the transportation supervisor shall assign the trips. The trip board coordinator shall receive a wage assignment of two and one-half (2 1/2) hours per week at the driver/trainer rate, to be paid, as earned, by submitting a monthly time sheet.

4. All extra trip board procedures not addressed in this Agreement will be determined by the Supervisor of Transportation after gathering and considering input from the drivers.

5. Substitutes (non-regular drivers) may be used only when regular drivers are ineligible or unavailable to take the trip.

A. Choose unpaid leave thus receiving only his/her entitled temporary total disability (TTD) benefit payment from the District’s industrial insurance; or

B. Elect to use a full day of accumulated leave (sick, annual, or other similar benefit) in addition to their entitled TTD benefits; or

C. Elect to use a proportionate share of accumulated leave to make up the difference between the workers' compensation payments and the employee’s regular pay at the time of injury.

Section 10.2. Personal Emergency Leave.
Personal emergency leave may be granted with pay by the District Superintendent in unusual cases. Employees will be required to give a reason for the request. The decision of the Superintendent is final and his/her decision does not establish a past practice or set a precedent. Each request will be judged on its own merit. This leave will not be charged to sick leave or personal leave.

Section 10.2.1. Personal Leave.
Employees shall be granted three (3) paid days (employee’s workday) per year of personal leave. The employee may carry-over two (2) days, to a maximum of five (5) days at the previous year’s hours per day. No more than five (5) days may be used in the next school year. Employees will be required to complete a leave request form. The supervisor’s approval shall

2. An employee shall be entitled to use accumulated sick leave in conjunction with a request for maternity leave to the extent that the attending physician certifies that the absence from school is a result of physical disability due to pregnancy and/or childbirth. Absence not so verified by the attending physician shall be deemed a leave of absence without pay.

3. In lieu of a request for sick leave for maternity purposes, an employee may request that the maternity leave be a leave of absence without pay during the period of time the employee will be absent from work for maternity purposes.

4. Upon return from such maternity leave, the employee shall be reassigned to the same or an equivalent position to that held before her leave. An employee on maternity leave will be treated the same as any other employee with respect to any reduction in force.

employee's job.

3. **Notification.** The employee shall provide the District thirty (30) days advance, written notice of
his/her intent to use Family Medical Leave when the need for the leave is foreseeable. The
District may require medical certification to support a request for leave because of a health
condition and may require second or third opinions (at the district's expense).

4. **Job Benefits.** The District shall insure the following provisions:

   A. Maintain the employee’s health coverage during the duration of Family Medical Leave.
   However, if the employee fails to return from leave, the employee must reimburse for
all premiums paid during the leave unless the reason for the failure to return from leave
is a continuation, recurrence, or onset of a serious health condition or other
circumstances beyond the employee’s control.

   B. Grant, at the employee’s request, his/her usage of accrued sick leave prior to his/her
   going on unpaid Family Medical Leave.

   C. Maintain any employee benefits that accrued prior to the start of Family Medical Leave.

   D. Grant the employee his/her previous position, or equivalent position with equivalent

**Section 10.5. Jury Duty and Subpoena Leave.**
In the event an employee is summoned to serve as a juror or appear as a witness for the District in
court, or is named as a codefendant with the District, such employee shall be granted leave of absence
with pay. In the event that an employee is a party in a non-district court action, such employee may
request unpaid, personal or vacation leave.

**Section 10.5.1. Subpoena Leave.**
An unpaid leave of absence, vacation, or personal leave shall be granted when an employee is
subpoenaed to appear in a court of law; provided, however, that the employee so subpoenaed
shall promptly determine and notify the District of the number of days required for court
appearances. Leave herein granted is limited to those days upon which the employee must be
present in court for the purposes of giving testimony or participating.

**Section 10.6. Bereavement Leave.**
Death in the immediate family – Immediate family shall include: spouse, significant other, children
(biological, adopted, foster, stepchild, or a child that the employee stands in loco parentis, is a de facto
parent or is a legal guardian regardless of age or dependency status), parent, step-parents, grandparents,
grandchildren, sister, brother, mother-in-law, father-in-law, sister-in-law, brother-in-law, son-in-law,
daughter-in-law, or any person living in the immediate household as a member of the family. Included
within each category above will be step-relations and legally-designated foster relations who are within
the family.

Bereavement leave shall be granted as follows: for the death in the immediate family, up to five (5)
workdays without loss of pay per occurrence shall be allowed; and three (3) additional workdays
without loss of pay may be granted at the discretion of the superintendent. Bereavement leave shall not be deducted from sick leave and is noncumulative.

Employees shall receive one (1) noncumulative bereavement day to be used for a friend, colleague of the employee or family member not listed in this section.

Section 10.7. Leave of Absence/Resignation.

**Section 10.7.1.**
Upon recommendation of the immediate supervisor through administrative channels to the Superintendent and upon approval of the Board, whose decision shall be final, an employee may be granted a leave of absence for a period not to exceed one (1) year. Each request shall be considered on its own merits and the Board determinations shall be non-precedent setting. An extension may be approved by the Board. Thirty (30) days prior to the expiration of the leave period, employees shall notify the District in writing of their intention to return or not to return.

**Section 10.7.2.**
The employee will retain accrued sick leave, vested vacation rights, and seniority rights while on leave of absence. However, vacation credits, sick leave, and seniority shall not accrue while the employee is on leave of absence.

**Section 10.7.3.**
The returning employee will be assigned to the same position occupied immediately prior to the leave of absence. If that position is not available, the returning employee will be assigned to a position equivalent (similar) in duties and salary to that held prior to the leave of absence. The replacement employee will be informed of the returning employee’s rights at the time of posting. If a current classified employee was hired to fill the leave of absence position, that employee will return to his/her previous position. If the position is not available, the employee will be assigned to a similar position in pay and benefits as previously held.

**Section 10.8. Leave Sharing.**
A leave sharing program for classified employees will be provided as authorized by Washington State law in 28A.400.380 in accordance with RCW 41.04.650 through 41.04.665. The District and PSE agree that leave sharing is a worthwhile benefit to bargaining unit members. Therefore, the parties agree as follows:

1. Employees may donate annual sick leave to a fellow employee who is suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition; a fellow employee who is a victim of domestic violence, sexual assault, or stalking; or a fellow employee who has been called to service in the uniformed services, which has caused or is likely to cause the employee to take leave without pay or terminate his or her employment.
2. Employees who have accumulated more than twenty-two (22) leave days may donate up to six (6) accumulated leave days to other employees in any twelve (12) month period (September 1 through August 31). The employee donating the days/hours shall specify the number of days/hours to be donated. The District shall provide the forms and the procedure necessary to implement this. No transfer of sick leave shall result in an employee’s balance going below twenty-two (22) days.

3. No employee shall receive more than one-hundred-eighty (180) days of donated leave per contract year.

4. In the event the employee receiving donated leave does not use all leave donated, the unused donated leave in such employee’s leave account shall be returned to donors, pro-rata, within thirty (30) days after the donors’ use of accumulated leave ceases.

5. An employee using donated leave days shall receive the same benefits and pay as if they had been working.

6. Except for #4 above, when leave is donated, the donor will be required to execute a waiver whereby the donor will be required to agree that he/she will not ask for return of the donated leave.

7. Contributions of leave shall be on a voluntary basis and the names of the donors and non-donors shall be kept confidential.

Section 10.9. Resignation.
An employee who wishes to resign employment will give, by written notice to the Superintendent’s Office, two (2) weeks’ notice of resignation.

ARTICLE XI

PROBATION, SENIORITY AND LAYOFF PROCEDURES

Section 11.1.
The seniority date of an employee within the bargaining unit is the date on which the employee began continuous daily employment with the Cascade School District, unless such seniority is lost as hereinafter provided. If two (2) or more individuals begin continuous daily employment on the same day, the seniority date will be determined by “drawing names”, conducted in the presence of the President of the Association and, if desired, the individuals involved.

Section 11.2.
Each new hire shall remain in a probationary status for a period of forty-five (45) workdays or not more than ninety (90) calendar days, whichever comes first, following the hire date. School term
employee’s probation not completed before the end of the school year in which they were hired shall continue their probation in the following school year. During this probationary period the District may discharge such employee at its discretion. Should a probationary employee change position and/or classification within the first forty-five (45) days, the probationary period will be renewed.

Section 11.3.
Probationary employees are considered bargaining unit employees subject to all rights and terms contained herein beginning with their first (1st) day of employment, subject to the terms of Section 11.2.

Section 11.4.
The seniority rights of an employee shall be lost for the following reasons:

1. Discharge for justifiable cause;
2. Resignation;
3. Retirement; or
4. Service outside the bargaining unit in excess of six (6) months.

Section 11.4.1.
Seniority rights shall not be lost and shall accrue for the following reasons, without limitation:

1. Time lost by reason of industrial accident or industrial illness for which a leave is permitted, or judicial leave;
2. Time on leave of absence granted for the purpose of serving in the Armed Forces of the United States;
3. Time spent on other authorized leaves; Except Section 10.7.2. Leave of Absence;
4. Time spent in layoff status as hereinafter provided.

Section 11.4.2.
Seniority rights shall be effective within the general job classification. As used in this Agreement, general job classifications are those set forth in Article I, Section 1.3.

Section 11.5.
The employee with the greater seniority shall have preferential rights regarding shift selection, promotions, assignment to new or open positions, and additional time of more than thirty (30) minutes, and layoffs subject to the following understandings: If there are no applicants, within the classification or no qualified applicants, within the District, for vacant positions as determined by the District, the District may hire a new employee to fill said positions. When determining qualifications, criteria such as the following will be considered: technical skill level, interpersonal and communication skill level, customer service skill level and organizational and teamwork skill level related to the position. Such skill levels shall be determined by interview results, annual performance evaluations, reference checks, and/or other reasonable factors which may include a skills assessment. If the District determines that seniority should not govern for a vacant or new position because a junior or outside applicant demonstrates qualifications greater than a senior employee’s, the senior employee, will upon request,
be given those reasons in writing, with a copy to the Association President, within fourteen (14) days after the request is made.

The District shall have the absolute right to hire the most senior employee applicant without regards to procedure.

Supervisors will utilize a unit classification representative for all bargaining unit position interview teams.

All in-district applicants who meet required qualifications shall be considered/interviewed prior to consideration/interviews of outside applicants.

Section 11.5.1. New Seniority Date.
Employees who change job classifications within the bargaining unit shall retain their seniority in the previous classification while acquiring a new seniority date in the new classification. Seniority shall not accrue in any classification in which the employee is not actively employed.

Section 11.5.1.1.
Employees who change job classifications shall move to the new classification at their current increment (step) level.

Section 11.5.2. Hired into Different Classification.
Employees hired for a job/position in a different classification shall be given a twenty (20) work day trial; if not satisfactory, the employee shall return to their former position and shall have no right to grieve this decision. The following procedure shall be used:

Within twenty (20) work days after beginning in the new position, either the employee or the supervisor may direct a return to the employee’s previous position.

During the twenty (20) days right to return period, the vacated positions will not be filled on a permanent basis.

Additionally, training shall be made available to the employee.

Section 11.5.3. Posting New and Open Positions.
1. The District shall publicize both within the bargaining unit and out-of-district for five (5) workdays the availability of open or new positions, after the District is apprised of the opening. No out-of-district applicants will be considered before in-district applicants. A copy of all job postings shall be forwarded to the Association President. If a posted position is not filled within twenty (20) calendar days, the District will notify the Association of its intentions regarding that position.

2. Postings released during the summer months shall be posted as follows: Posted for ten (10) days prior to July 31st, posted for five (5) days after August 1st.

3. Postings released during the summer months will be mailed, upon written request, to each employee. Employees are also encouraged to check the District Website for postings.
4. Summer positions shall be considered temporary positions (Article I, Section 1.4. #9).

5. Employees wishing to be considered applicants will advise the District Office in writing.

**Section 11.6.**
Layoff is defined as the reduction of the total number of assigned hours in each position and results in the separation of the employee from employment. Reduction in Force (RIF) is defined as reducing the number of assigned hours in a position. In the event it becomes necessary to reduce the work force through layoff or RIF, and only after discussion and negotiations, as appropriate, with the Association, the District will lay off or RIF employees by seniority within classification. The District will not discuss lay off or RIF with individual employees until after discussion with the Association and negotiations.

**Recall.** In the event of layoff or reduction in force, employees so affected are to be placed on a reemployment list maintained within job classification in the order they were laid off. Except for regular employees, who have seniority preference as provided by Section 11.5., such laid off or reduced employees are to have priority over junior employees or outside candidates, in filling an opening, vacancy, or new or open position in the classification held prior to layoff. Names shall remain on the re-employment list for two (2) calendar years. Notification of recall shall be sent by certified or registered mail to the last known address as shown on District records. A recalled employee shall be given five (5) calendar days from receipt of the recall notice to inform the District if he/she will accept the position. An employee on layoff status who rejects an offer of reemployment forfeits seniority; provided, that such employee is offered a position substantially equal (a loss of no more than ten percent (10%) of daily time) to that held prior to layoff.

Employees on layoff or reduced status will be given preference for substitute positions, subject to Section 1.4. All retained employees face possible reassignment to fill essential vacancies, after discussion and consultation with the Association.

**Section 11.7.**
The District agrees to give each employee two (2) weeks’ notice of layoffs.

notice of the problem, specific suggestions for improvement and reasonable time and

categories shall state specific reasons for the unsatisfactory rating, the remedial action
necessary to cure the unsatisfactory rating and any specific remedial training recommended as
an aid to curing the unsatisfactory rating. At the time of evaluation, a Plan of Improvement will
be developed.

ARTICLE XIII

INSURANCE

Section 13.1.
The parties agree to abide by state law relating to school District employee benefits. The school District shall not use state benefit allocations for any purpose other than insurance benefits. This section shall automatically reopen according to statute. The District shall contribute State Flow through allocations for twelve (12) months, for each full-time equivalent employee in the bargaining unit, and a prorated amount of the same for all regular less than full-time employees, to be used for the purchase of insurance benefits. The percentage of full-time equivalence ("FTE") will be determined by projecting the expected work year for an employee and finding the percentage of that projection when compared to a full-time position. For purposes of insurance benefit calculation only, "full-time" is defined as one thousand four hundred forty (1,440) annual hours.

The District shall pay one hundred (100%) percent per employee towards the Health Care Authority (HCA) carve out from non-pooled, non-allocated funds.

Section 13.2.
A copy of the calculated pool distribution will be provided to the Association President within five (5) days after completion. The insurance pooling formula is: Hours worked per day multiplied by days worked and then divided by one thousand four hundred forty (1,440) hours. Insurance pooling will be calculated as follows:

1. Employees working two (2) hours or more shall be eligible to participate in the mandatory and optional programs and shall receive an allocation based on the formula above.

2. The initial pooling calculations shall be done during October of each year and shall be implemented on October's payroll which reflects the current open enrollment period for the District's insurance plans. This initial pooling will be effective for the months of October through March. All employees shall be included in a recalculation of the pooling in April which will be implemented on April's payroll. The second pooling calculations are effective for the months of April through September. Employees hired after each pooling has occurred, will be entitled to the amount provided by the pool to an individual with the equivalent number of hours per week for the balance of that pooling period.

The parties agree, pursuant to RCW 28A.400.275, to abide by state laws pertaining to school district employee benefits, including the anticipated replacement of provisions of this Article by a statewide school employee health care system by January 2020.

Section 13.3. Retirement Contributions.
