DEDICATION

In the sincerest appreciation to one who has stood loyally by us, helped us through our difficulties, and has given us his time and assistance, we the Senior Class of 1946, dedicate this volume of the Lecapi to our annual advisor

MR. ROBERT SCHLOREDT
LOOKING BACK
J. Talbot West

The history of Leavenworth High School covers more than on third of a century. The Class of 1946 is the thirty-fourth senior group.

Work on the high school building was begun in September of 1911. The plans for the structure were drawn by C. Ferris White, whose children later attended our school. The contractor, a Mr. Lorenz of Spokane, used a large crew of men on the building so that it could be put in readiness shortly after the first of the year, Leavenworth's one building being very inadequate for the growing attendance.

Mr. C. W. Moore was the first superintendent of schools. It was during his regime that the high school building was completed. Leavenworth was made a fully accredited high school in 1913, the year its first graduate, Alice Briskay, received her diploma. In 1914, there were two graduates: Lettie Arbogast and Frank Arbogast, both of Peshastin.

By the fall of 1914, there was a going concern at L.H.S. John H. (Doc) Osborn became superintendent. In addition, he was the basketball coach and he turned out some of the state's finest teams for several years.

Nine young men and young women received their diplomas in the spring of 1915. For a number of years, each graduating class held its exercises in the Old Scenic Theater. The first class to receive diplomas in the new Community Building was the class of 1921, which numbered twenty. The Class of 1925 had 25 members; the class of 1933 was (and still is) the largest in the history of the school, with 55 members.

Those who claim Leavenworth High as their Alma Mater now number several hundred. Many have gone on to notable success in the fields of medicine, education, government service, business, music, and agriculture. Those of us who have watched the school treble in size, have seen it pass through two tragic world wars, know that we can depend on the Class of 1946 to uphold the high traditions of those who have gone before.
As the years pass by and your days in Leavenworth High School recede farther into the background it is my hope that this 1946 issue of Lecapi will recall to your mind school days which you may count among the happiest days of your life, that you will cherish the memory of the friends you had here and that you can look back with pleasure on time well spent in the pursuit of knowledge.

It is my hope that you will be able to say with sincerity "Leavenworth High School was my school; it's facilities were mine to use and enjoy; here I had the opportunity to test my abilities and to develop poise and confidence through the association with others and here I had a responsibility and assumed my part in maintaining high standards of conduct and scholarship."

May success and happiness be yours.

CONGRATULATIONS CLASS OF 1946

It is the wish of your teachers that your life to come will be as happy and successful as your school life you have just finished. May you meet the problems of life, with the same spirit and determination you have used to overcome the problems confronting you during your school life.

It has been our task as teachers to supply you with the tools you will need to fashion your life, and the life of our nation in the years ahead. Time alone will tell how skillfully and how well you will use them.

Sincerely,

Robert L. Schloteff.

JUNIOR CLASS HISTORY

We are the Junior Class of Leavenworth High School, (or the coming Seniors of 1947). We entered the doors of high school in 1943 with an enrollment of 50 students. That year our class officers were: President, Donald Larsen; Vice President, Ida Rinke; Secretary, Othello Richardson; Treasurer, Jack Brown, and our main events were Freshman Mixer and school dances we sponsored.

The Sophomore year started with the election of class officers as follows: President, Ida Rinke; Vice President, Bob Ferguson; Secretary, Marjorie Anderson; Treasurer, Orin Couch. This school year was ended by a class party at Recreation Park which surprised the entire school, and though it rained no one seemed to notice. A perfect way to end a year.

This fall we became Juniors and we now feel we are upperclassmen and are out to prove it. This year we have had the distinction of having two presidents. During the first semester this office was held by Bob (Slim) Pelkington, who resigned for reasons unknown. Bob was a grand president while in office and we'll always remember him for his eagerness to have more class parties. Stepping into Bob's office was our vice president, Betty Duncan who has a fine personality and from secret information, we hear is a whiz at the piano. Gene Pickert is the recorder of our noisy meetings. He plays the accordion and piano and his main interest—their new car. The boy holding the money for the treasury is Orin Couch, a whiz at sports and cars and the Van Johnson of our class.

As for activities we have been quite active in especially giving dances and parties. This year we have had a Junior-Senior party at the ski hut which was very successful. We plan spring will have our play and the banquet for the Seniors. We have many students taking part in the Drill Team, school paper, Glee Club and Student Council.

Other outstanding Juniors are: in Football, Bob Ferguson; in basketball, Orin Couch; quiz kid, Ross Warner; girl with the lovely voice, Maxine Galbraith; our artist, Betty Dye.

The person who has been our advisor and stood by us all these years is Mr. Rembold, who has really been swell in his friendly guidance and helpfulness.

We hope you found our class a friendly and interesting one, for we plan to do bigger and greater things in the coming year.
SOPHOMORE CLASS HISTORY

The Sophomore Class, underdogs to the upperclassmen, supervisors to the "Frosh" are a vital part of the high school life. Without them the high school could not function in good order.

They take an active part in school activities and some of our most prominent athletes are Sophomores. This year's yell leaders, Imogene Moore, Marion Monesmith, and Darlene Stebbins, are members of this class. The originality and vitality of this group of girls is indeed a credit to the school.

This year's officers are President, Leila Brown; Vice President, Bob Frederickson; Secretary-Treasurer, Ray O'Brien; and Sergeant-at-Arms, Leroy King and Brice Parsley. They are keeping up the class reputation for an efficient group.

The Drill Squad which is a new addition to the school is made up of many members of which some are Sophomores.

Mr. Williams has been our class advisor for the two years we have been in high school. We appreciate the time, trouble and worry on his part in all of our activities.

Speaking for ourselves we think the Class of "48" is tops.

FRESHMAN CLASS

We, the victims of all the upperclassmen are of course the freshmen, although we aren't quite as bad as at the beginning of our first year in high school, we are still considered rather green.

Our class along with the other classes has elected our officers. They are: president, Gloria Sagaser; vice-president, Sheila Gregory; secretary, Eugene Staley; and class representative, Ted Parsons.

Our class is the largest in the high school with some fifty-three odd assorted sizes and shapes. Our class advisors are Mrs. Hollands and Mrs. Bailey, who are shown in our class picture. Mrs. Hollands has organized a very fine mixed chorus in which several freshmen have a part. Mrs. Bailey teaches the Spanish class which many of us will enter next year.

We are very fortunate and thankful that when we are seniors none of our boys will have to go to battle as many did before us.

SENIOR PLAY CAST

BACK ROW: Beverly Motteler, Marion Winiarski, Bill Fergusop, Dave Parsons, Vergne Rea, Rod Franklin, Kenneth Bazard, Dolores Sauer, and standing the advisor, Mr. Bailey.

FRONT ROW: Leota Croskrey, Helen Moore, Joann Strehle, Joanne Horey, Violet Zimmerman, Arwyn Roberts, Ina Lou Hardman.

On November 30, the Senior Class presented their play, "Don't Take My Penny," on the stage of the Community Building, and it proved a great success. The entire action of the play was in the living room of the Pringle home.
GLEE CLUB

MIDDLE ROW: Mrs. Hollands, director; Pauline Nugent, Othello Richardson, Jackie Hollingsworth, Ethel Bakke, Pat Wisemore, Dolores Skelton, Lois Fortner, Renee Neilson, Maxine Calbraith, Edna Anderson, Shelia Gregory, Marie Bakke.

FRONT ROW: Mary Lou Murr, Betsy Hodgen, Violet Zimmermann, Peggy Fritz, Lorraine Zimmermann, Joyce Tallman, Betty Duncan, Jean Doolittle, Dolores Lyon, Dolores Kalanquin, Lois Moore, Amelia Labounty, Zelma Sims.

Although the glee club has not been mentioned very much in either the school paper, or by word of mouth, it should receive some well deserved credit. Through the efforts of Mrs. Hollands, the director, the glee club has become a well functioning group. The club sang for the Christmas cantata, and although this event was belated, it was of excellent caliber.
DRILL TEAM

BACK ROW: Ida Rinke, Violet Novak, Pauline Nugent, Leota Croskrey, Pat Wisemore, Renee Neilson, Maxine Harrison, Sheila Gregory, Georgena Van Brocklin, Ethel Bakke, Gloria Sagaser

MIDDLE ROW: Jean Doolittle, Gretchen Boyce, Pat Dye, Jackie Miller, Elnora Kennedy, Joanne Horey, Maxine Galbraith, Peggy Hatmaker, Virginia Harris, director.

An organization of quality, though only comparatively new, the drill team has added attractiveness and interest to otherwise boring half-times during basketball games. Miss Harris, the drill team director, is to be commended for the high results which the smart drill team has shown.

Brad Williams Leavenworth Coach and his entire squad finished the season with a record unequalled by any other of Leavenworth's Football Teams. They were disappointed to have their last game of the season cancelled by eight inches of snow. Much of the success was due to their use of the combination of the single wing and T formation.

The morale of the squad was bolstered, somewhat, by the purchase of new football equipment. Included in the array of pads, balls, and helmets were new black jerseys with large orange numerals on the front and back.

Members of the first team were: Ray O'Brien and Bob Ferguson, Ends; Delbert Sagaser and Walter Hansen, Tackles; Arnold Sweat and Kenneth Buzard, Guards; Vergne Rea, Center; Fullback, Rod Franklin, Bill Ferguson and Willard West, Halfbacks, and Dave Parsons, Quarter-back.

Leavenworth High School had a very successful football season this year considering the fact it was the first major effort in this sport in many years. We won six games and lost one; we scored one hundred and forty-two points and had only twenty-four points scored against us.

Hitting "paydirt" at Chelan
(LHS-31; Chelan-6)
The 1945-1946 basketball season ended for the Grizzlies in third place to our neighboring school, Peshastin, for representative in the NCW Hoop Tournament at Omak.

At the first of the season, which began in the middle of November, Brad Williams held coaching duties, but due to illness was unable to continue as an active participant. Mr. Schloredt, principal of the high school, then took over the coaching responsibilities, having had experience in coaching sports in Wyoming. Mr. Schloredt's method of teaching differed naturally from Mr. Williams, but the team members took to them eagerly. They learned quickly as the
results show: lost the first four, then suddenly getting on the victory cart with five league victories.

The Grizzlies won eight out of its fifteen scheduled games. One of those games will not soon be forgotten, and that is the spectacular win over Dryden 30-29, on the Tigers home floor, the first victory over the Tigers by Leavenworth for eight years. By also downsing Dryden on our home court we have the distinction of being the only team to defeat them twice this season.

Another exciting and close game was the battle with the Orange and Black of Entiat. It was reminiscent of the close battles fought on the local court years ago with everyone yelling and stomping, and with the score always thrillingly close. Leavenworth avenged a previous defeat by dumping Entiat 24-22.

Out of the first ten Grizzlies, five are Seniors (the "mighty five"), two Juniors, and three sophomores. The Seniors were: forwards, Bill Ferguson and John Howe; guards, Vergne Rea and Rod Franklin; and the all conference selection as second team center Dave Parsons. The Juniors were Bob Ferguson and Orin Couch. The Sophomores: Vernon Tritle, Brice Parsley and Adam Pflugrath.

The Cubs who are the second team, had a reasonably successful season, and the school can look forward to next year with assured confidence.

SOFTBALL 1945

The softball season of "45" for Leavenworth High School started with an intramural league. The teams were chosen by Coach Brad Williams and the games were played Tuesday and Thursdays after school. Two Senior boys and two Junior boys were chosen as captains for the teams. Much thought was given to the naming of the teams. The captains and their teams were: Warren Day and his team, Day's Diehards; Ben Parson and Parson's Hellcats; Pete Hansen and Pete's Padres, and Bill Ferguson and Ferguson's Hi-Fliers. The intramural season ended with Day's Diehards on top and Ferguson's Hi-Fliers in the cellar. Parson's Hellcats were second and Pete's Padres were in third place. Dave Parsons took high batting honors with an average of .391.

Upon completing the intramural season, attention was turned to a short schedule of games with neighboring schools. After intense batting and fielding practice, Leavenworth traveled to Cashmere for the first game of a home and home series. The second game was with Peshastin on our home diamond. After the game had gone five extra innings, Bill Ferguson put Leavenworth ahead with a homer with one man on bases. The third game of the four game schedule was with Peshastin at Peshastin. To wind up the season, Cashmere came to Leavenworth for the final game. The Grizzlies put the game on ice in the last half of the seventh inning to make the softball season of 1945 a very successful one.
