Leavenworth High School
Leavenworth, Washington

Edited by the
SENIOR ANNUAL STAFF
Mr. C. C. Scofield, Adviser
DEDICATION

This year the annual staff felt that it would be appropriate to base the 1951 Lecapi on a historical theme. In following this approach throughout the book, the staff has attempted to investigate the origin and development of the various organizations and activities of the Leavenworth High School. We are grateful to the promoters and educators who were responsible for these activities and the progress of our Alma Mater.

Therefore the 1951 Lecapi is being dedicated to the educators, sponsors and organizers, who through the years, have made the Leavenworth High School and its activities possible.

As has been customary in the past we also wish to give special recognition to the outstanding high school organization. This year we give special commendation to the 1951 Ski Team for their excellent performance during the 1950-51 season and particularly for their winning of the International 4-way Ski Meet.
Mr. M. C. Strauss, new superintendent of the Leavenworth Public Schools, has a B.A. degree from Washington State College. His first big project was the completion of the preliminary planning and promotion of the new grade school building.

Mrs. Lloyd McGahnery is his capable secretary.

Mr. C. C. Scofield is completing five years as principal of Leavenworth High Schools. To help him in his administrative duties, he has three capable aids: Domi Pendleton, Geraldine Martin, and Delores Ricketts.
L.H.S. FACULTY

Mr. Scofield received a B.A. degree from Nebraska Central and an M.A. from the University of Nebraska. He taught English IV, sponsored student council, Lecapi and the senior class.

SENIORS
SENIOR CLASS HISTORY

The 1951 graduating class is the thirty-ninth class to graduate from the four-year, fully-accredited Leavenworth High School. Since the first and only graduate received his diploma in 1913, the classes have grown considerably. Of the thirty-seven members of the graduating class of 1951 which is fourteen more than the average number of graduates, thirteen have attended the entire twelve years at Leavenworth Public Schools. They are: Wade Detillian, Calvin McGahuey, Kjell Bakke, Kenneth Anderson, Ronald Chard, Earl Johnson, Pat Boning, Bob McGahuey, Jim Vincent, Herb Dye, Donna Pendleton, Gerald Titchenal and Howard Wise-more.

The eight years immediately following our voluntary (?) entrance into this great institution of learning, saw us ambitiously learning to read, write and to torment the teachers in general. The last coming naturally to any normal child and we were certainly normal children even in those days. New students to our class during those hectic elementary years were: Gerald Covert, Jack Haugh, Jerry Six, Hugh Parton, George Dietsch, Louise Moore, Kenneth Wood, Della Mulkey, Karen Burgess, Marion Calhoun, Sheila Murray, Phyllis Tuttle, Delores Ricketts, Edward Porter, Jerry Bryant and Geraldine Martin. Louise Moore was here for only a short time in the third grade and then returned to Tennessee. She came back in the sixth grade. Delores Ricketts and Jerry Bryant entered in the eighth grade but both moved away and they returned to Leavenworth in their junior year.

On the 27th day of May, 1947, forty-six students received their eighth grade diplomas. Students receiving the American Legion Medal of Honor that year were Pat Boning and Hugh Parton.

In the fall when we returned to school, with fifty in our class, we found ourselves honorary freshmen entitled to receive everything the freshmen usually get--including the annual Freshmen Mixer. Of the five new members in our class that year, Bob Plummer was the only one who graduated with us this year.

As sophomores the next year, with forty-eight in our class, we looked down on the poor miserable freshmen, and found ourselves not in the least bit afraid and quite happy with our newly-found high school freedom. We were also endowed with a fine set of teachers. There were seven new students in our sophomore year but Patsy and Betsy Hawver and Nadine Rodgers were the only ones who have continued on at L.H.S. to graduate with the class of 1951. The main event sponsored by us that year was the Freshman-Sophomore Picnic held at Lake Wenatchee.

The next year found forty-five juniors entitled to the full rank of upperclassmen. Our junior play “Lights Out” was a big success. The junior-senior banquet and prom was a success also, and these events were the crowning highlights of our third year in high school. That year we had five new members to add to the size of our class but Keith Anderson, Dick Martensen and Evelyn Roe were the only ones to graduate this year with our class.

At last we were seniors and thirty-eight students enrolled in L.H.S. in the class of 1950 as twelfth-graders. There were no new students in our last year. The past eleven years of toil and strife had left its ugly mark on our fair souls and we were out for a good time in our last year at high school. The senior year passed very quickly for us. In the fall we presented the play “Chance of a Lifetime”. The following spring we were honored at the traditional junior-senior banquet and prom. The senior sneak was on May 18, final tests the week of the 21st, baccalaureate on Sunday evening, May 27, graduation the next night on the 28th and we seniors didn’t have to come back until Friday and then we received our report cards and were checked out officially.

As we, the 1951 graduating class of L.H.S. leave its sheltering portals, we hope that we have sincerely left behind something that will remind the coming generations of the Class of 1951.

Girls Club "Tolo"

On December 2, Bob McGahuey and Delores Ricketts were crowned King and Queen of the annual "Girl takes Boy" Tolo. Attendants were Dick Martensen and Geraldine Martin, Kjell Bakke and Suzanne Titus. Patty Hatmaker and Tommy Lee served as pages to add to the royalty of the occasion.

The theme was "STARDUST" and the gym was appropriately decorated with a star-studded, tinsel and blue streamer sky. Along the edges of the gym, individual tables for two couples peeked out from behind blue and white crepe paper lattice-work.

The Girls’ Athletic Association was organized in the fall of 1928 and included the girls’ L club, which had been previously organized in 1926.

G.A.A. was revived and re-organized in the fall of 1947, at which time they affiliated with the state organization.

Through this organization, it is possible for any high school girl to earn a letter. This is done through a point system, based upon participation in G.A.A. sports and activities.

G.A.A. also sponsors Pep club and Miss Schnackel is adviser for both groups.

Left to right: Ilene Stevens, vice-president; Beverly Norris, treasurer; Pat Boning, council representative; Sheila Murray, president; Miss Schnackel, adviser; Mary Jo Boning, secretary.

MIXED CHORUS

Under the capable direction of Mr. Youngberg, the mixed chorus, comprised of sixty members, performed at various affairs throughout the year. They participated in the Ellensburg Music Festival, and returned home with an 'excellent' rating in contest-singing and a 'superior' in sight-reading. Several of the students from the chorus sang in the North Central Washington Honor chorus.

SENIOR BAND

At present, the Leavenworth High School band, under the direction of Mr. Youngberg, is composed of forty-five members ranging from the eighth grade through the twelfth grade. Organized in January, 1931, the first LHS band had seventy-four members, with pupils from the third grade to high school seniors. Discontinued during the war, it was revived in 1948.

This year the band participated in the Christmas concert, Spring concert, Apple Blossom Festival, football and basketball games, in addition to the Ellensburg Music Festival where they received an 'excellent' rating in both contest-playing and sight-reading. Several members of the band also played in the North Central Washington Honor band.
STUDENT COUNCIL

Student government was first organized in 1929 and now the council consists of the Associated Student Body officers, two representatives from each class and one representative from each high school organization. For the first time in a number of years, this organization joined the National Association of Student Councils.

The group grants permission for different organizations to sponsor dances, sales and other projects. This year the council sponsored delegates to the High School Leaders' Conference, the student activity ticket, National Assembly programs and hall monitors.

JOURNALISM

In 1929 a staff of 35 members edited and published the first paper of LHS. This year of 1951 marks the fourth year of membership in the Pacific Slope School Press. One of the first 50 members, enrolled in 1947, the weekly "Voice" is now published under the standards of this organization. Each year delegates have attended the PSSP clinic held in Seattle, Washington.

The present staff is composed of 17 juniors and seniors who have an A or B average in English. Adviser of this class is Mr. West.

LIBRARY

Remodeled in 1943, the present library is manned by a staff of 13 librarians working under Mr. Rembold. These individuals completed a work manual for a library credit.

Some of the old books were discarded and many new ones added to the library shelves during the year.

LEAVENWORTH BEAUTY SHOPPE - "Complete Hair Stylists"
HOME ECONOMICS

The Home Economics department was modernized in 1941. Three unit kitchens were installed, consisting of a stove, table and cupboard. In 1946, a new refrigerator was installed.

A new family relations class was begun in 1951. That was the first time that a boy-girl class of this type had ever been taught at L.H.S.

SHOP

When the school auditorium and gym was built in 1921, the old gym was converted into the present shop and mechanical drawing room.

This year, a large number of desks, coffee tables and other articles were constructed by the different classes.

Mr. Brad Williams is the instructor of this class.

Standing left to right: George Dietsch, Bob Hanson, Wade DeTillian, Mr. Williams (instructor), Gerald Covert, Dick Martensen, Charles Lemons, Bob Sweet, Bruce Dickinson, Clayton Johnson, Norman Miner, Matt Shore.

PROJECTION

Under the guidance of Mr. Rembold, eight boys compose a class in movie projection. They operate the projector for the various educational movies, which the school provides. Also, members of this group operate the P.A. system and other types of sound and projection equipment.

This is the second year of instruction, and each member will receive a pin and certificate.

**FOOTBALL**

The 1950 football season came to a close, with Leavenworth proudly adding the 1950 record to the past sixteen seasons of play. Football, started in 1920, was discontinued in 1926. It was revived in 1941 and was well-established in 1945, when a regular football schedule was set up.

Winning five of eight contests, the Grizzlies lost only to Chelan and Tonasket both undefeated in seasonal play, while tying Cashmere. Boasting thirteen seniors the 1950 squad showed one of the most outstanding records, considering the representative schedule of keen competition.

Jim Adamson, who has been head coach for three years, was assisted this year by Don Miller. Both coaches were full of praise for this year’s team. The Grizzlies, being comparatively light in weight, held a strong attraction in their aggressiveness and spirit. Ken Wood and Herb Dye were elected co-captains at the football banquet and Herb Dye was also elected the most inspirational player.

LEAVENWORTH ECHO - "Town Talk and Local News"
Adviser--Jim Adamson; Council representative--Herb Dye; Vice President--Jack Haugh; President--Ken Wood; Treasurer--Bob Hanson; Secretary--Jim Vincent.

The year 1950 saw the familiar "L" Club revised and its duties enlarged to include the management of all boys' athletics. It is now known as the Athletic Club. In the year 1924, an "L" Club was organized and since then it has been either a separate club or working as a group within the Boys' Club.

The Athletic Board consists of the club officers, a representative of each sport, the administration, and the coaches. Acting as a nucleus for all athletic groups, it has promoted in addition to regular sports, two smokers, concessions and intramural sports. This year the Athletic Board, which sets up all major sport awards, gave permission for an emblem letter to be awarded for gymnastics.

Upon entrance into high school all boys automatically become members of the Boys' Club. It was originated in the 1930's, and since then the club has become traditional at L.H.S. The chief project of this organization is the management of the club room which offers ping pong, checkers and other various games for entertainment. They furnished the hall monitors this year and under their supervision a program was put on by the Game Conservation. An annual Health Lecture is also sponsored by them.

Adviser--Brad Williams; Treasurer--Herb Dye; Vice President--Bob Hanson; Secretary--Ron Chard; President--Bob Plummer; Council Representative--Cal McGahuey.

In 1928 the Girls’ League was organized, which is now called the Girls’ Club. Every girl is automatically a member upon entrance into high school.

With Mrs. Williams as adviser the group played a very active part in the year’s social activities. In the fall they sponsored the freshman mixer and formally initiated the class of 1954. “Star Dust” was the theme of the annual Tolo, held on December 2. In the spring the club sponsored the Mothers’ Tea, carrying out the traditional theme and featuring a style show.

This year after being discontinued for 20 years, the Dramatics club came back into the many school activities of Leavenworth High School. Being only in its beginning stages the club’s activities were confined to planning the Christmas program at the beginning of winter season. The officers chosen for the year were Geraldine Martin, president; Mary Jo Boning, vice-president; Shirley Benedict, secretary-treasurer and Miss Maryon White, sponsor.

Seated, left to right: S. Benedict, M. Boning, G. Martin, Miss White.
Juniors

Under the sponsorship of Miss Schnackel and Mr. Boyd, the Junior class sold pom-poms on various occasions throughout the football and basketball season, and sponsored the annual Halloween dance. Also the class presented "Galloping Ghosts" on March 29 and, as in the past, the seniors were honored at the Junior-Senior Banquet and Prom on May 12.

Class officers are: Carol Chard, pres.; Mary Zoe Motteler, vice-pres.; Marcia MacDonald, sec.; Bob Duncan, treas.; Betty Custer and Jim Morgan, council representatives.

Basketball

Hoop play first appeared on the Leavenworth court in 1914. Played briefly in 1917, it regained its status in 1918 and has been a prominent attraction ever since. The squad of 1920 had the honor of being the first team to play on the new gym that was built that year and concluded a successful season by being the first champions of North Central Washington. In 1931 the Grizzly Hoosters managed to keep their record undaunted in NCW and won the laurels of going to state. Through the years LHS has always been tough competition.

With seven seniors on the first ten, the basketeers of 1951, while not being able to show more than a mediocre record, did break all tallying accounts in the scorebook department. Howard Wisemore set a new time high in individual scoring with a total of 259 points for the season. In mid-season LHS dropped the championship game in the Wilbur Invitational Tournament to Omak 38-37. Sparked by Coach Adamson, the quintet finished strong in season play by winning 6 of their last 7 games. Drawing Manson as their first opponent in the County Tournament, the locals trounced them 54-19. Losing to Chelan in the second encounter of the Red and Black lost their chance of going to district. In the final series of the County Tournament Leavenworth defeated the Entiat five 42-38, to make the 1951 record 15 wins and 9 losses.

HICKORY ARTISTS

Knut Bakke, who is a sophomore, has lettered in his freshman year in skiing. He coped a third and fifth this year.

Duane Brown, a freshman, started his first year in LHS with one first, four seconds, two thirds and one fifth.

Wade DeTillian, a senior, entered only jumping tournneys and highlighted his season with one first and one second.

Clayton Johnson, a freshman, did not make the traveling squad his first year, but in one meet grabbed a sixth.

Jim Vincent, a three year letterman in skiing, coped one first, two seconds and two thirds this season. Jim is a senior and due to graduation will be missed by the ski team.

Ken Wood, also a letterman for three years, will graduate this year and has been a great factor in the Grizzlies wins. A second, fourth and fifth are the best wins for Ken.

Jack Haugh, although out with injuries most of the season, skied long enough to grab two fourths and two sevenths. Due to graduation Jack will not be skiing for LHS next season.

Kjell Bakke, a three year man in skiing grabbed 11 first places, three seconds and two thirds. Kjell is graduating this year but hung many honors on his record in the past three years.

19 SKI SQUAD 51

The 1951 ski team established skiing permanently as a full time sport in LHS and built a growing reputation throughout the state. Tried previously in 1940 and 41, it was reorganized in 1948.

Each season for the past three years these teams have captured top spot in the State High School four-way championships. Out-skiing eighteen other high school teams from Canada and U.S., LHS coped the West Kootenay International four-way combined championships, which is held annually at Rossland, B.C. and showed high standings in numerous other meets throughout the year.

Guiding the Grizzlies to their best of three seasons, was coach Jack Boyd, who was a newcomer to Leavenworth this year and Magnus Bakke, whose instructions were efficiently used to the best advantage by the team.

Individualist of the squad was Kjell Bakke, who participated in numerous tournaments and won the Pacific Northwest Junior Nordic Combined championships and the P. N. Junior jumping championships. Kjell was honored as a representative on the Washington State team, which journeyed to Sun Valley.

In the winter of 1949, intramural wrestling, tumbling and boxing was organized to raise funds for the Athletic Association. This was the first time Leavenworth High School students had participated in wrestling and tumbling. Also, those boys not making the first and second basketball teams entered intramural basketball competition.

During 1950-51 two Smokers were scheduled, one in the Winter and one in the Spring. Highlighting the Spring Smoker were three boys from Edmunds, featured in boxing events; while the wrestling and tumbling consisted of home talent.

Boxing was organized in 1942, but discontinued the following year. However, the past two Smokers have been such a success that boxing might again become one of Leavenworth’s many sports.

Composed of six teams, the Intramural Basketball League was divided into two divisions. In the finals the B Squad, winner of the first division, forfeited the game to Wright’s Quintet, winner of the second half of the season.

Standing, left to right: S. Murray, Mr. Youngberg, D. Martensen, R. Chard, M. Motteler, M. Folansby. Seated, left to right: J. Duncan, D. Telford, D. Brown, M. Boning.

Under the supervision of Mr. Youngberg, the newly organized music cabinet devised a merit and demerit system for music students. This group also approved the outstanding musician's award.

Officers elected were Sheila Murray, president; Darlene Brown, vice-president; Joyce Duncan, secretary; Delta Telford, treasurer; Ronald Chard, council representative; Dick Martensen, boys' glee representative and Mary Jo Boning, girls' glee representative; Mary Zoe Motteler, librarian; Maxine Folansby, custodian.

GIRL'S Sextette

Standing, left to right: Geraldine Martin, Sheila Murray, Betsy Hawver, Patsy Hawver, Louise Moore, Delores Ricketts.

Under the untiring and animated direction of Mr. Youngberg, the girls' sextette performed throughout the year at various programs. Climaxing their melodic activities was an "Excellent" rating from the Ellensburg music festival.

In the unavoidable absence of Delores Ricketts, Mary Zoe Motteler capably filled her position. Final appearance by these girls as the senior sextette was made at commencement exercises on May 28, 1951.

BOY'S QUARTETTE

Standing, left to right: Kjell Bakke, Earl Johnson, Dick Martensen, Bob Plummer.

This year, under the direction of Mr. Youngberg, a senior boys' quartette was organized. This quartette joined together to sing at several programs, which included the Fruit Growers' dinner, Christmas program and the Christmas concert.

"Galloping Ghosts"

On March 29 the junior Thespian presented "Galloping Ghosts", a mystery comedy in three acts. Centered around Aunt Elizabeth, portrayed by Mary Zoe Motteler, the plot climaxed with the finding of the gold hidden by her father many years previous.

The ghosts galloped in the local gym under the direction of Miss Maryon White and prompters Ilene Stevens and Marilyn Haugh. Each part was characterized in a clever manner, as the plot moved rapidly to the climax and conclusion.

The 1951 baseball squad was the 4th team since baseball was reorganized as a scholastic sport at LHS. Originated in 1913, baseball commenced on several years of interchangeable softball and hardball. Satiating the desire for a baseball squad, it was introduced in 1945, but it has been slow in developing.

Under the tutelage of coach Don Miller, a newcomer to our campus, the "51" team did not show a too impressive record. Hampering this was the heavy schedule and strong opposition with which the team had to contend.

Gordon Blaskowsky, a freshman, improved more than any player during the past year, and was able to make a commendable record as a pitcher. Next year's squad will be developed mostly out of new material as nine of the players will be gone via graduation.

**TRACK**

The 1951 cinder season had one of the most outstanding teams and well balanced squads since track was organized in 1920. Leavenworth has not always participated as a competitive team, but since 1945 it has been recognized as a major spring sport.

From the team point standings the squad placed 4th in the Apple Blossom, 2nd in County and 4th in District.

Qualifying for the District meet were HUGH PARTON, Low Hurdles 2nd in County-4th in District; BYRON REECE, Shot Put 1st in County-2nd in District; Discus, 2nd in County-5th in District, BOB HANSON, Pole vault, 1st in County-4th in District; NORMAN COUCH, Pole vault, 2nd in County-5th in District, HOWARD WISEMORE, Javelin 1st in County, 2nd in District.

LETTERMEN

Wade Detillian, better known as Lou, put all of his excess energy into football. For a small boy Lou stops the plays coming through the line.

Gerald Titchenal, finding it hard to maintain a sports record through the four years, remembers a 220 pounder playing for Ephrata.

Jack Haugh, a capable center for three years on the football squad, can’t forget the LHS—Cashmere tangle of 1950. Jack said the saying “there’s more bounce to the ounce” is false.

Jerry Six, the boy who enjoys running when it comes to baseball and football, really tore up the ground going around those bases when he hit a triple against Peshastin this year.

Bob Plummer, a past track star for LHS, won a berth on the football squad with his ability to run. The Cashmere Relays of 1950 in which he came from 5th to 1st was his most exhilarating race.

Jerry Bryant, who has played two years of basketball for LHS, retains the Dryden game in 1950, where he made a hook shot in the final seconds of play to win the game, as his most vivid account.

Hugh Parton, an all-around athlete, was honored in his senior year with the 1951 Athletic Award. His favorite past experience was the Dryden game in which he made 22 points this year.

Howard Wisemore, LHS star center, came into his own this year. While being a team worker, he broke the school’s record in scoring this year.

Bob McGahuey has played basketball a long time but he can’t think of any outstanding moments. He claims this year’s Dryden game as his favorite.

Ronald Chard, a forward on the first five in his senior year, gives the Peshastin game top billing. The score was 29 all when he made 7 quick points in a 3-minute overtime to win 37-29.

Dick Martensen has played two years of baseball for LHS. Lettering both seasons, Dick, center fielder, gets the most enjoyment from hitting a long one.

Jimmy, one of LHS’s better skiers, gave us an example of his acrobatic skill when he came off the B jump and landed on his chest. Football was exciting too when he ran 56 yds. for a touchdown.

Ken Wood, having played 4 years of football, would naturally claim it as his favorite. He still dreams about the long 103 yd. run he made in ’48, when LHS trounced Moses Lake 31-7.

Herb Dye, a little guy, most people think, is really one of LHS’s best halfbacks. Kittitas is his easy mark when it comes to touchdowns. The Omak game of ’48 is his outstanding remembrance.

Kjell Bakke, although he participated in all sports, is more outstanding as a figure on skis. He still is inclined to remember the ski meet in which he won five trophies in his sophomore year.

He said it was comparable to Sun Valley.

Marion Callhoun, a baseball player in his junior year, was unable to remain on this year’s pitching staff. Nothing is more exciting to Marion than strike-outs.

Calvin McGahuey, ambitious in all sports, is proudest of having made NCW first eleven guard. Besides football Cal has won letters in track, baseball and basketball.

Earl relates his touchdown in the Kittitas game on a quarterback sneak. In baseball his home runs were shining examples of his skill.

SNEAK

May 18, at 4:00 A.M. found thirty-two wide awake seniors and their chaperones ready to begin their annual "Sneak" to Seattle.

Taking the lead, Mrs. Titus soon led the happy procession to the University, where everyone enjoyed a hearty breakfast at the Student Union Building.

Next stop after the "U" was Volunteer Park followed by a short visit to Woodland Park where everyone enjoyed a long-awaited lunch. After swimming, boating, skating, dancing, baseball and tennis, thirty-two very tired seniors gladly started the long trip home, arriving at Leavenworth at 11:00 P.M.

PROM

Candle-light, Oriental music and turkey set the atmosphere of the annual junior-senior banquet held May 12 in the Methodist Church basement.

Toastmistress was Carol Chard and Mary Zoe Motteler extended the welcome to the seniors. Hugh Parton responded for the senior class.

Mr. Strauss gave the farewell address, which followed the crowning of Nadine Rodgers as "Empress Cherry Blossom" and Ronnie Chard as "Emperor Phooee".

Musical selections were given by Mary Coffee, clarinet solos: Byron Reece, vocal solos and the junior sextette.

The "Mood Makers" from Renton, Washington, provided the music, amid the green and yellow decorated gym. The couples danced around a cherry tree, overshadowing a bridge and stream, which represented the theme, "Oriental Garden".

GIFT

The class of 1951 is presenting a basketball timer and score table for the gymnasium as a gift to our Alma Mater. Since 1947 each graduating class has left a gift to the school. The class of 1947 left the automatic bell clock and the following classes of 1948-1949 presented the school with a school flag and a trophy case. Last year the 1950 graduating class gave the school a new clock for the gymnasium.

ATHLETIC BANQUET

The first annual Athletic Banquet, officially held on May 10, was sponsored by the Eagles. Special guest speaker was Bill Morris, freshman basketball coach at the University of Washington. The main highlight of the banquet was the presentation of the athletic awards.

OUR THANKS

Our thanks to the faculty and many people who so willingly contributed their time and effort to make this edition of the 1951 Lecapi a success. We are indeed grateful, for without their help the production of this book would have been impossible, and we are especially grateful to those advertisers who contributed an equal amount towards the production of the book.
