DEDICATION

We, the staff of the 1955 LECAPi have dedicated this annual to Mr. F. Truman Youngberg, who we think has been outstanding in his contributions to our school and our community. Mr. Youngberg has unselfishly devoted his 7 years in Leavenworth to the development and better appreciation of music.

Born in Brady, Nebraska, Mr. Youngberg graduated from Gothenburg High School in Nebraska. Following high school, he attended the Conn National Music School in Chicago for a year on a music scholarship. He later attended Kearney State Teachers College, Kearney, Nebraska, and received his A.B. Degree from Highlands University, Las Vegas, New Mexico. He also attended the University of Washington one summer and did further work at College of the Pacific at Stockton, California, another summer.

He and his wife, Odessa, were married December 26, 1946, at Azwell, Washington.

Mr. Youngberg teaches all instruments, but especially likes the piano and baritone horn. One of his special interests is attending summer music camps of which he has attended four. His hobbies include hiking, traveling, and taking colored slides.

While in Leavenworth, Mr. Youngberg has been active in the community in addition to teaching the Senior, Junior, and Beginning Bands, the Senior, Junior, and Jr. High Choruses, and training and accompanying soloists and ensembles. He is the organist and choir director of the Methodist Church. He is active in the Lions Club and started the Leavenworth Twirling Camp which is sponsored by the Lions Club. He helped organize the North Central Music District and was president for two years. In 1952, Mr. Youngberg received the Civic Service Award of the Eagles for his contribution to the community. In 1954 he was honored in “The School Musician”, the official magazine of the American School Band Director’s Association, in a monthly feature, “They are making America Musical”.

The Lecapi staff would also like to commend the Leavenworth Winter Sports Club for bringing and organizing the National Ski Jumping Championships, which brought recognition to our community.

FOREWORD

We would like to think all the teachers, students, and business men and women that have contributed their time effort to make this edition a success. We want to express our appreciation, for without their help this would have been impossible.

If, in reading this book, you recall some of the happy times you have had at L.H.S. then our purpose in publishing this annual has been fulfilled.

CENSORED!
A page in history was made when, in the fall in 1943, the Class of 1955 began its long climb up the ladder of education. Of those starting school at Leavenworth, only 12 out of the original class, Edyth Hendrickson, Bill Bradshaw, Doris Couch, Bill Boning, Merwyn Plass, Richard English, Clarence Ostella, Shirley Stegeman, Jean Wisemore, Frank Motteler, Roy Parton, and Barbara Ellis, remained to graduate with the Class of 55.

During the next 8 years, eleven new members were acquired; Irene Webb, Sharon Coffee, Sherry Speer, Lee Baker, Rheeta Plass, Sharon DeGroot, Zola Leopard, Jim Monesmith, Roland Wisemore, Carol Porter, and Bob Haugh.

Dee King, Carol Porter, Rose Alyce McGahuey, Troy Myers, and Irene Webb moved away only to return to graduate with us.

Eighth grade graduation was a big day for us with the American Legion awards for Outstanding Girl and Boy going to Sherry Speer and Roy Parton.

The next fall we were given the official welcome from the Seniors and were "properly initiated." That year only one new member stayed to graduate with us: Tom VanGelder.

The next year, as Sophomores, we could relax for we were no longer strangers to L.H.S. We sponsored the annual Freshman-Sophomore picnic at Recreation Park. Jack Mayfield was the only addition to the class that year.

The time had finally come! We were now officially known as upperclassmen. Under the sponsorship of Miss Schnackel and Mr. Jones we gave the annual Prom and Banquet. The theme was "South Pacific", with the Gym decorated dramatically with 5,000 sq. feet of fish net, silver sea creatures, a painted mural, orchids, and a refreshment "bar". Orchid leis were flown in from Hawaii to honor the king and queen. Dal Hope, Donna Gaddis, and Judy Clark became new members of the Class of 55.

The fall of 1954 brought us back as Seniors. Our last year in high school was highlighted by many wonderful events, the first being Homecoming and our Senior play, "Hillbilly Weddin'". In the spring we were honored at the Junior-Senior banquet and prom in the festive mood of Gay Farce. Daunting superstition, on Friday, May 13, we courageous Seniors took our Senior Sneak to Lake Wilderness.

Baccalaurate and Commencement climaxed the achievement of our 12 years of study. Following the graduation exercises, the Seniors and their friends were honored at a party given by the organizations of the community.

As we leave the peaceful havens of L.H.S., we look back upon our fond memories, with the hope that those who follow us will have a clear, vivid picture of their experiences.
The Juniors know not
That they know.

The Sophomores know
That they know not.

The Freshmen know not
That they know not.
Under the capable leadership of their President, Ann Parsons, the Junior Class had a very successful year.

As a means to raise money they sold concessions at a Football and Basketball game, had a candy sale, and sponsored a dance.

In April, they presented a three-act comedy entitled “Desperate Ambrose”, which was very successful.

As the perfect end to a year, they honored the Seniors at the annual Banquet and Prom.

SOPHOMORES

The Sophomore class was well represented in all the activities this year.

Under the direction of their sponsors, Mrs. Williams and Mr. Doherty, they sold concessions at the Football and Basketball games and held a dance in the Fall.

In the Spring, they treated the Freshmen to the annual Freshman-Sophomore Picnic.

FRESHMEN

High School at last!!

The Freshmen were given the traditional greeting (???) from the mighty seniors.

Mr. and Mrs. Brad Williams were the class sponsors and their activities included selling concessions at a football and basketball game and they sponsored a dance.

In the spring they were treated by the Sophomores to the annual Freshmen-Sophomore picnic.

The goal of the Lecapi Staff this year was to produce a unique and different yearbook.

The success of their efforts is yours to judge.

This year’s Voice was enjoyable reading considering the inexperience of both the staff and their advisor. The staff was larger at the start of the year, but due to conflicting schedules, many students had to drop. Thus, the lack of members and experience combined to make the job of publishing the Voice increasingly difficult. However, the staff overcame many of these obstacles and published the Voice weekly.

The governing body of LHS functioned actively under the leadership of Roy Parson this year. In addition to the usual projects, they revised the High School Constitution, set up requirements for service pins for council members, and organized the Junior Red Cross.

Not pictured: J. Thompson.
Queen Donna Gaddis and her court reigned royally over the 1954 Homecoming events on October 15.

Her attendants were Senior Princess Dee King, Junior Princess Kay West, Sophomore Princess Janae Parker, and Freshman Princess Judy West.

Festivities began with a pep rally and a parade through the town followed by the Homecoming football game with Manson.

In the evening the seniors were the sponsors of an open house, a program honoring 1935 and 1945 Leavenworth High alumni, the coronation, and the Fourth Annual Homecoming Dance.
Lady Luck seemed to have a rude hand for the Grizzly football squad this year. Only a few bobbles or mistakes caused a loss for the Grizzlies. During the game with Brewster it ended in a tie with the Grizzlies threatening to score, and the Manson game was lost by only 6 points due to a fumble.

Although the Grizzlies didn't win their football games, the spirit and never-give-up attitude was always there and the people knew the boys would be trying their hardest during the game. The experience-lacking team was put through the paces with a "Split T", the first in L. H. S. football history.

"We had the spirit and drive for a good football team this year, next year we'll add experience and have a winning team" commented Coach Furseth.

"Hillbilly Weddin'" was the name of the play that the senior class put on. It ran for two nights, November 19 and 20. All the folks in these parts come for this shindig and it was a right whoppin', rootin', tootin' success.

On the eve of September 10, 1954, 52 quaking Frosh entered the portals of L. H. S. to be properly initiated by the Girls Club. Garbed in appropriate dress for their lowly rank, these green Freshmen made a pathetic sight in their gunnysacks, with nylons rolled to knees, odd shoes, vegetable necklaces, and unmatched earrings. After performing various stunts, the Freshmen were auctioned off, followed by an evening of dancing. Thus, the future "Class of 58" became an official member of L. H. S.

BASKETBALL

The Grizlilie squad won only a few games, but they were a spirited and hard trying group that fought their hardest till the finish of the game to bring home a win for Leavenworth.

At the end of the Basketball season the Grizzlies pushed hard to gain admission into the county tournament, and they again pushed hard after they had won entrance, but only to lose by a few points. In the game with Peshastin they lost by only 6 points; 21-15, and again the in Manson game they lost by only a few points 48-51, but the strategy used in the two games were not only unique but also a bit comical to watch.
The only Senior on the high school ski team this year was Clarence Ostella. Clarence has skied for 3 years and has always made a good showing for L.H.S. This year he placed 4th in jumping in the Leavenworth Invitational 3-way and 3rd in the meet. He placed 5th at the Squilchuck PNSA Championships and 7th at the Wenatchee 4-way meet. At the Spokane Invitational meet Clarence won 3rd in jumping. He also entered the State Invitational meet.

Wade Detillian, again performed on the L.H.S. ski team this year. Unfortunately, Wade wasn’t able to enter many meets this year, but from all appearances he should distinguish himself in skiing during his remaining 3 years of high school.

Wade has skied for most of his life, but is particularly interested in jumping.

Wade entered the Leavenworth Invitational 3-way, and won first place at the Spokane tournament.

Jimmy Brennan, a Freshman, has shown genuine promise as future winner for L.H.S. Jimmy also took many honors this year. He won 1st in the L.H.S. Invitational meet in jumping and won 6th in the meet. At the PNSA Championships he took 5th in jumping and at the Wenatchee 4-way, 2nd in jumping. The Spokane Tournament sent him home with 2nd in jumping. He won 2 "firsts" in jumping, both at the all city meet and Washington State Championships, where he also took 7th in the 3-way. He came in 33 at the Beta Cup and 8th at the PNSA Slalom.

Ned Kuch, a Junior, has 1 year in which to continue his good record at the tournaments. He won 4th in slalom at the L.H.S. Invitational 3-way and entered the Wenatchee High School 4-way meet. In the Beta Cup meet he took 37th place and All city, won 7th.

Jimmie Hodgen, the 3rd Freshman of the team, is another prospect for future winning performances. At the Leavenworth Invitational meet he took 2nd in jumping, 6th in slalom, 16th in cross country, and 5th place in the meet. He also entered the PNSA Championships, the State Invitational meet, and the Wenatchee 4-way meet.
The ski team this year of high school boys was sponsored by the Leavenworth Winter Sports Club. The boys are members of the Junior Ski Club. The five boys didn't participate as a team very often. They entered three meets and took second place in the Leavenworth High School Invitational 3-way meet, fourth place in the Wenatchee High School 4-way meet, and eleventh place in the Betta Cup meet. Most of the boys entered different meets as individuals. They did very good in their meets. Jimmy Brennen is the only boy on the team that earned a letter this year. Although the other boys tried, they didn't place enough times to qualify them for a letter. Ben Cottman and Duane Brown were their coaches. They worked with the boys quite often and took them on some of their ski trips.

The Leavenworth Winter Sports Club was responsible for bringing the National Ski Jumping Championships to Leavenworth in 1955. This event took the place of the annual Ski Jumping Tournament they hold each year in Leavenworth. There were top skiers from all over the United States and Canada. It drew a record crowd of approximately 7,000 people. The boys from the team, along with many others, were packed on the hill for this event.

Since the Nationals took the place of the annual Ski Tournament in Leavenworth, the Ski Royalty, instead of representing the local tournament, were chosen to represent the Nationals, this year. They were Senior girls picked by a committee made up of three men from town. The girls were chosen from a group of eight girls. The royalty were: Queen Sharon Coffee, Princesses Sherry Speer and Judy Clark and an alternate, Dee King.

GIRL'S CLUB

Freshman Initiation was the first event of the new school year for the L.H.S. Girls' Club. With the help of the Seniors, the Frosh were riotously put through their stunts.

The Girls' Club held a very lovely tea in honor of their mothers in the Spring, with Valentines as the theme. A small corsage was given to each mother upon her arrival at school. After a short program, the mothers were served refreshments in the Home Economics room.

This year because of the bond issue on the swimming Pool, the President of the Girls' Club, Sherry Speer, and the President of the Boys' Club, Troy Myers, held a debate in front of the Student Body, presenting the facts for and against the issue. After the debate, the discussion was open to the Student Body.

A new practice was started this year by the Girls' Club. Each week an out-standing girl from the high school was named as "Girl of the Week".

The end to a very successful year came in May when delegates attended the annual tea in Entiat.
ROSE ALYCE

Rose Alyce McGahuey represented the community as Princess Leavenworth this year. She was honored by being chosen to give a speech at the Princesses' Banquet. Her escort was Frank Motteler. In the Grand Parade, Leavenworth's float won 4th place in the Community Division.

Suzann Speer was chosen "Sweetheart" by the Boys' Club for their spring dance. Terry MacDonald was her escort.
Despite the late snow-fall that hindered and cut short valuable practices of the Grizzlies, they were highly respected by their opponents.

Returning letterman and star pitcher for the Grizzlies was Senior Roy Parton who was accredited with four wins.

Coach Siler instilled into the 18 boys that turned out for the baseball squad, confidence and experience which added greatly to the outcome of the Grizzlies scoring or "run" tally.

The greatest asset the Grizzle baseball squad had was their spirit, which kept them hustling and trying until the last ball was tossed.

The history of track at L.H.S. can be but a sketchy and not-too-accurate story. Track, as a sport, has not been actually recognized or organized as such until the last 8 or 10 years. Late snow and cold springs are not conducive to running and conditioning is very difficult.

Nevertheless with these weather drawbacks the track squad of L.H.S. has always been with the toughest competitors.

Currently running for L.H.S. and who have a bright track future are Bob Avey in the 440 and Larry Ward in the 880.

DESPERATE AMBROSE

This rootin' tootin' western is the story of Ambrose Groves (Bruce Maddux) who finds himself stranded out in the middle of the desert in the town(?) of Deadman's Gulch with his friend Bert Miller (Terry MacDonald). He meets up with Nancy (Ann Parsons) and Anne (Fay Jones), who with their colored maid Posie (Sharon Brown) have come to take over the hotel. Beth (Kay West) has taken the girls under her watchful eye.

Mrs. Sprool (Greselda Strasner) with her daughter Lena (Joyce Moore) discover the sheriff (Roger Van Brocklin) with his side-kicks Hoot Owl Pete (Gary Dyment) and his not too bright friend Stinkweed (Lenard Larson) trying to frame Ambrose whom they have mistaken as Homer the Kid.

It all ends out almost alright though, Posie finally gets Dan'l (Nile Reese) the colored butler at the hotel to marry her, Ambrose catches the coroks, but he doesn't get the heroine. Bert loves Nancy and so Ambrose ends up with Anne.

Under the direction of Miss Joy Ashton and assisted by Karen Estabrook the play proved to be a success in both performances.
