As a means of thanking Superintendent and Mrs. Harold Janeway for their years of hard work and unselfish devotion we wish to dedicate the "Lomoa" of 1956 to them.

They have helped to make our work enjoyable, and we trust that this volume will be a reminder of their last year in Peshastin School District 100.

SENIOR CLASS WILL

We, the fifteen seniors of the graduating class of 1956, being of unsound mind and body, after slaving four years in Peshastin High School, do bequeath, this our last will and testament.

To everyone listening, we leave the thought, that we will be the last graduating class of Peshastin High School.

Upon the juniors, we bestow the honor of becoming seniors, and leave them the thought that now they may be the ones to skip school and need no excuses.

To the sophomores, we leave dear P. H. S. with its four walls somewhat badly shaken.

To the freshmen, we leave our secret of having fun in school. "Live, laugh, and be happy; things couldn't be any worse."

To Mr. Johnson, we leave our Social Problems books, in hopes he finds no missing pages.

To Miss Stevens we leave the thought that she will never have a more quiet English class than ours.

To Mr. Janeway, Mr. Kapral, Mr. Warman and Mrs. Burnett, we leave the thought that we are gone; gosh, won't you miss us? And also leave them a large economy size bottle of aspirin for all the headaches we have caused them.

JoANNE JONES, leaves her warped personality to Miss Stevens.

MIKE TIMPE leaves his heart with Kay Wilcox and his big ears to Delmer Smith.

WESLEY JESKE, wills his long legs, and quiet way to anyone unfortunate enough to get them.

DeLORES ELSER, leaves her math book in the darkest corner of the building and hopes no one will find it.

NEIL JESKE, wills his ability to attract the opposite sex to Delmer Smith.

PHYLLIS RANKIN, wills her musical talent to next year's music teacher.

CLINTON SHALES, leaves his ability to play basketball to Leo Clouthier.

LORALINE SCHMIDT, wills her blond hair and good grades in English, to Pat Dodge.

DALE LARSON, wills his ability to get along with Miss Stevens, to Dick Folden and Jim VanCleave.

WILDA RAYFIELD, leaves her shattered nerves to next year's princess.

NANCY FOLDEN, leaves all her extra boy friends to any one who needs one.

SHIRLEY RUDOLPH, leaves all her brains in math class and all of her Tennessee boy friends to her sister, Judy.

ELAINE SPRINGER, wills all her good times in Chelan to Norma Hersey.

DEANNA HAUFF, wills her ability to catch a man to Ardala Danford.

JEANIE FRENCH, leaves all her gum in Mr. Johnson's waste-paper-basket, and tells him to take good care of it.

Though we are leaving we will always remember the students and faculty of P. H. S.
CLASS PROPHECY

This is taken from the log of the good spaceship, "You Name It, You Can Have It." It is owned by two old maids, DeLores Elser and Joanne Jones, who are going to cruise the solar system in search of their classmates, from the dear old class of '56.

June 2, 1986--

Deciding to be different we went directly to Pluto. Here we found Shirley Rudolph busily training Pluto dogs, to become space cadets. She just divorced her seventh husband and has decided to stick to dogs.

June 3, 1986--

Space travel being what it is these days, we made a fast trip to Neptune where we found Neil Jeske and his wife Deanna Hauff who are now running a Spacehouse, which is a modern roadhouse. Deanna entertains their customers with ancient dances, the bop and jitterbug are her specialties.

June 4, 1986--

We were pretty tired today so we decided to stop for awhile and just rest at a place called "Wesley's Hideaway." Never associating it with the Wesley we once knew, we were quite surprised to find that he and his wife Jeanie were the owners. Wesley had done quite well for himself and Jeanie has added to their fortune by working in a sideshow as a fat-lady.

June 5, 1986--

Today we stopped at Saturn, the Hollywood of the Spaceways, where we saw Bza Bza Springer, formerly Elaine Springer, starring in a picture she directed, produced and acted in. She's done quite well and is rapidly replacing Marilyn Monroe.

June 6, 1986--

On Jupiter we found Clinton Shales, who, influenced by his wife and Gun Moll, Loraline Schmidt, have terrorized the spaceways for years. We had a terrible time finding them because Loraline is one of the best "Getaway Artists" of all times.

June 8, 1986--

Today we stopped at Mars. Here we found Phyllis Rankin who has fulfilled her life's dream. She's teaching the Martians to play the flugal horn. She's doing quite well and even has a little combo, called "Phyl's Merry Martians."

June 9, 1986--

On the Moon, we found Michael Timpe, who is working on a space ship to take him to planets outside of our own solar-system. He made the first space flight and is said to be the most brilliant man alive. But then that is to be expected because he always made such good grades in school, especially in Math.

June 10, 1986--

On the little remembered planet earth we saw all of our faculty members. They are in a rest home. I guess they just couldn't take the shock of seeing the quiet class of '56 graduate.

June 11, 1986--

On Venus, the Las Vegas of the solar-system, we found Wilda Rayfield, who is notorious for her gambling casinos and nightclubs. When we asked her what ever made her decide to do that she replied, "Whul, I had to do somethin' after them Revenooers found my still down in Tennessee."

June 12, 1986--

On Mercury we found the two remaining members of our class, Dale Larson who moved there to keep warm because he never quite defrosted from the cold rooms at P. H. S., and Nancy Folden who is now running an old-maid's home. It seems Nancy had an unfortunate romance with an earthman back in '56, and never quite got over it. Dale claims to be the most eligible bachelor on Mercury and says he likes living alone.

Well, this has all been a lot of fun but it is surely good to get back to our work. We're marriage counselors.

CHEER LEADERS

DeLORES ELSER  CHARLOTTE LUNDIN  NANCY FOLDEN
The last Peshastin High School basketball squad had a fine team this year. Under the capable direction of Coach George Kapral and Assistant Coach Jerry Houser the Loggers set two school records. The first record was for the most games won in a season and the second was for the most games won in a row, each of which was eighteen. The team had no one outstanding player, but had some of the finest spirit and co-operation ever exhibited in P.H.S.

QUEEN'S STORY

In March 1956, I, Wilda Rayfield was chosen Queen of the Senior Ball and Princess Peshastin to represent the Peshastin Community in the 37th Washington State Apple Blossom Festival.

One of the biggest events during my reign was on April 7, when I was crowned Queen of the Senior Ball, by Mr. Janeway, the Superintendent. My escort was Louis Wagoner. This annual event was sponsored by the Junior Class. The theme "Evening in Paris," was carried out by a half-moon throne, blue crepe paper with silver stars, and scenes of Paris painted on the walls.

On May 4, I went to the Y. M. C. A. at Wenatchee and registered as Princess Peshastin for the Apple Blossom Festival. After all the princesses arrived we practiced for the coronation and Queen's Ball. At 5:15 we attended a banquet and then went to the coronation where Jolly Ann Sachs was crowned Queen of the Festival. Immediately after the coronation we went to the H. B. Ellison Junior High School auditorium for the Queen's Ball. My escort was Dale Larson.

On May 5, we arose at 6 to find it raining. Despite the weather it was a thrilling experience to ride on such a beautiful float and to carry in my hand for Peshastin the second place trophy of our division.

This has been the most thrilling time of my life and it was a great honor to represent the wonderful community of Peshastin at this event. I will never forget it, and I would like to thank everyone who made this possible for me.
