LEAVENWORTH HIGH SCHOOL
Leavenworth, Washington
Dedication

We, the staff of the 1958 LECAPI, wish to dedicate this annual to the memory of Mr. C. C. Scofield. We know that without his untiring effort and determination Leavenworth High School would not be what it is today. Mr. Scofield gave unselfishly of his time to make this school one of the best in North Central Washington.

Mr. Scofield died January 3, 1958, after suffering a heart attack in his home in Entiat. He came here in 1946 to serve as principal of the high school for eleven years.

Born on June 23, 1901, in Wessington Springs, South Dakota, he received his B.A. degree from Nebraska Central College and his M.A. degree from the University of Nebraska.

He and his wife, Arvilia, were married on June 3, 1928. He served as superintendent of schools in Nebraska for 17 years before coming to Leavenworth.

During his career in Washington, Mr. Scofield had been an active member of the N.C.W. Athletic Association; member of the Ski Committee of the Washington State High School Athletic Association; held various offices in the N.C.W. School Masters Club, county Principals and Athletic Associations and was a member of the County W.E.A. Board. He was a member of the Community Methodist Church in Leavenworth. He was also a member of the Zarathan Lodge No. 148, F. & A.M. and Cascade Chapter, Order of Eastern Star in Leavenworth.

Thanks

The Staff would like to express its special appreciation to Mr. Walter Rembold. We sincerely thank him for all of the many extra hours he and his group spent in making the pictures for this year's annual.

Foreword

The Staff of the 1958 LECAPI would like to express its deep appreciation to the teachers, students and the businessmen of the community for their generous contributions of time and money. Without this generous effort this annual would never have been possible.

If, while reading through this annual, you can recall any of the wonderful memories of Leavenworth High School, then our purpose is fulfilled.

Now listen, my children, and you shall hear of the 12-year spree of the class of '58.

It all began 12 years ago when 43 sparkling and happy youngsters began their education in the Leavenworth Public Schools. Of those 43 young students 15 are here to graduate with the class of 1958. Those who spent all 12 years here are Mary Koehler, Gail Moore, Suzann Speer, Judy West, Kay Wyant, Sally Zachow, Ed Brehm, Terry Brender, Steve Emig, Bill Dye, Bob Fortner, Bill Pulse, Dale Rembold and Greg West. This rambunctious little group spent their first four years tearing up what was left of the old school building.

By the time the class reached the sixth grade, it had been joined by Dorothy Steele, Linda Schuls, Pat Crawford, Bernie Housden, Lee Marson, Jerry Monesmith, and Harry Southwick. All of these remained with the class of 1958.

In the eighth grade the class showed the makings of a fine group. They planned parties, picnics, and even a hay ride. Judy West and Bob Fortner received the American Legion Awards at eighth grade graduation. Outstanding scholars were Lee Marson and Mary Koehler.

Upon reaching the first stage of high school, the green little freshmen were cruelly and dully initiated by the almighty seniors.

The class gathered in two new members this year. Ken Hildebrand and Dan DeJong came and stayed to graduate. The highlight of the year was the freshman-sophomore picnic, at which the freshmen were entertained by the sophomores.

Dennis Clark and Lars Gunderson joined in the tenth grade, and Ed Brehm returned after leaving in the eighth grade. This year the class sponsored a dance and played host to the freshmen at the annual picnic at Recreation Park.

As juniors, the main project for the year was the junior-senior prom and banquet. The prom, held in the "Paradise of the Deep," was hailed as the best ever. Turkey and the trimmings were served at the banquet in Shelton's banquet room. The old gym was gaily plastered with under-sea murals, and a wavy ocean drifted over head.

Jack Coffin and Bobbi Stanaway joined the class this year.

Now the class of 1958, as mighty seniors, began a glorious, well-rounded year by sweetly entertaining the freshmen at the annual mixer. With Sally Zachow at the wheel, the class prepared for the Homecoming activities. Judy West was elected to reign as queen. The program, which entertained a capacity audience, was masterfully emceed by Dennis Clark. Jack Dorsey joined the class this year.

The year began to progress very rapidly and soon the juniors entertained the class with "Stairway to the Stars" as the annual junior-senior prom. Two days later on May 19, the class had its annual sneak. At four o'clock all 34 of them headed for Seattle and Lake Wilderness. Dinner at the College Club was one of the highlights of Sneak Day for the "pooped out" seniors.

As the year drew to a close, Lee Marson was named valedictorian, and Bob Fortner and Linda Schuls were co-salutatorians. Commencement speakers were Sally Zachow and Mary Koehler.

With this the seniors close their books for the final time and this story is ended.

The council, other than meeting every Tuesday, accomplished a few worthwhile things. Two amendments were added to the Student Body Constitution, one on voting qualifications, the other on the club charters. The council also set up a point system for royalty.

The Voice, weekly newspaper published by the journalism class, put out 35 editions this year, among which were Homecoming, Christmas, and Senior Editions.

GIRLS' CLUB

The Girls' Club began the year by appointing big sisters for the freshman girls. They also sponsored the Girls' Club Tolo, "Candyland," which alternates with the Mothers' Tea.

SEATED: R. Hatmaker, Council Representative; E. Darling, Treasurer; M. Koehler, President; S. Shiflett, Vice-President; S. Ellis, Secretary.

Initiation

Little devils and angels lining up, waiting for their punishment.

The initiation and freshman mixer were presented in the Gym on September 21, 1957. The freshman boys dressed as angels and the girls dressed as devils. An evening of fun and pranks for seniors and freshmen ensued.
FOOTBALL

Coach Larry Padgett’s football team ended the season with a 2-win, 4-loss and 1-tie record.

It was a poor season in more than one way, with the flu causing the cancellation of the Bridgeport game and the postponing of the Peshastin-Dryden game. The team had dwindled to a mere thirteen players when school was closed because of the flu.

There were two outstanding members on this year’s football team. Lars Gunderson, a guard, was a standout in every game with his decisive offensive and defensive work. Lars was chosen captain of the team and made the all-district third team. Dennis Clark, a fullback, also made the all-district third team and was one of the leading yard-gainers, as he has been for the past two years.

1958 Homecoming

This year's homecoming, honoring the classes of 1928, 1938, and 1948, was held on September 28, 1957.

The program, emceed by Dennis Clark, was held in the Osborne Auditorium, at 8:00 in the evening with a dance in the gym following.

The Homecoming game, played against Waterville, was won by a score of 13-7.
MARCHING BAND

The Marching Band did a fine job this year. They marched at four football games in the fall, doing fancy maneuvers. In the spring, they marched in three parades, getting first in two and experience in the third, since they couldn't place without a float.

Due to money received from the band calendars and other fund raising projects, by the Apple Blossom Parade, every band member had a uniform.

IF WINTER COMES CAN SPRING BE FAR BEHIND
The basketball team, under the guidance of Coach Mel Cheesman, enjoyed the most successful season in a great number of years.

The Grizzlies started out slow, but proved to have what it takes when they took first place in the Waterville Invitational Tournament. Then, toward the end of the season, they defeated Peshastin-Dryden, who were ranked third in the state and who were defeated only twice in season play.

After suffering a loss in the first round of play, the Grizzlies bounced back to take third in the county tournament and the right to go to the district tournament. There they won one and lost two, but came home with the traveling sportsmanship trophy.

Ken Hildebrand was third in the county scoring race with 239 points and a 14.1 average. Bernie Housden also was in the race and ended up in sixth place with 176 points and a 10.1 average.
For the first time in many seasons only freshmen and sophomores were allowed to play on the 'B' squad, as it is mainly a feeder team for the 'A' squad, and is used to give the boys experience. Nevertheless, the team did a respectable job with a record of 2 wins and 14 losses.

WINTER IS COME AND GONE
Baseball

The Grizzly baseball team went through the season with 4 wins and 5 losses.

The Grizzlies came alive in the last few games and opened up a barrage of hitting, which had been relatively silenced in the early part of the season.

Ken Hildebrand, with a .333 batting average in nine games, was the only player to hit over .300.

Track

Mel Cheesman's track team, though suffering from inexperience and youthfulness, made a respectable showing in each meet they participated in. Many of the boys were freshmen and sophomores who were in their first track season. There were only two returning lettermen this year, but the track team will be looking forward to the future, with every member of this year's team to be back next year.
JUNIOR-SENIOR PROM
"Stairway to the Stars"

There was a surprising twist to the Junior-Senior Prom and Banquet this year; the class of 1959 kept their theme a secret. The theme, "Stairway to the Stars," was carried out very intricately with napkin clouds, a blue sky and stars.

After climbing a cloud stairway, we stepped into a star-speckled blue heaven.

SENIOR PLAY

The senior class successfully presented "Jane Eyre," a dramatic play, on April 18 and 19. SEATED: Blanche, C. Duell; Grace, L. Schubert; Jane, J. West; Mrs. Fairfax, S. Zachow; Mrs. Ingram, M. Koehler. STANDING: Mr. Wood, K. Hildebrand; Rochester, S. Emig; Mason, B. Fortner.
