Time flies? Say not so
Time stays, we go.

School Song

Fight! fight on for victory Grizzlies,
Come on pass that ball.
We can do it if we want to
When we win them all.
   Rah! Rah! Rah!
Fight! fight on for victory Grizzlies,
Fight on to boost our name.
We can do it if we want to
So by gosh, let's win this game!

*I Shall Be Like That Tree – I Shall Die At The Top – Scott*

Since 1947, a class likened to a tree, has been striving to develop. This tree is bearing the growing buds of a thriving class, the class of 1959.

For eight years, this class grew steadily, adding and losing members, but always gaining more knowledge.

The senior class of 1955 duly initiated the freshmen, making them dress as babies with the girls' hair braided in twenty-five pigtails. Freshman and sophomore years were taken up with curricular activities, dances, and selling concessions.

The junior year was under the leadership of Ann Darling, and the class embarked on its most active year. On November 22 and 23, the juniors successfully presented their play, "The Patsy," to large audiences. To honor the graduating seniors, the class gave a banquet in the Starlight Room of the Tumwater Cafe. This was followed by the Junior-Senior Prom, "Stairway To The Stars."

Over the horizon came the real goal, the senior year. The class decided to break away from the traditional fall yearbook and publish a spring Lecapi. "Dino" was the senior class play. All too quickly, graduation time came with Rocky Seaman giving the valedictory address.

The tree which has reached a point of height and strength through the past twelve years, will continue to mature as the years go by.

If we could but hold TIME back, if we could but prevail on her to linger awhile, to shed her elusiveness, we could capture again those precious but fleeting scenes so dear to our hearts—our happy high school days.

Every brief image, every joyous moment is fraught with poignant sentiment. We hope our yearbook will stay TIME'S passage for a trice, that your school days may live in these pages throughout eternity.

Dedication

We, the class of 1959, wish to dedicate this year's annual to Walter Rembold, who has worked so diligently in getting good photographs for the Lecapi over a period of many years. He has given unselfishly of his time to take pictures, develop them, and reprint them to the designated size, spending many hours working in the dark room.

Mr. Rembold has taught at LHS since 1944, teaching mathematics, sciences, and Spanish. He earned his B.A. degree at Walla Walla College and his B.S. at the University of Washington.

Thanks

We would also like to thank our advisor, Mrs. Richards, for her fine work and assistance on this annual. She has worked tirelessly in her first year of teaching at LHS, doing a commendable job with an inexperienced staff.
