Foreword

Recreation is the expression of the joy of living and is the refreshment of our strength and spirits after the day's toil in the classrooms.

Leavenworth's students are true enthusiasts for the great outdoors. In the open air, on summer's sparkling waters, along the horse trails, or on winter's snowy mountains, we find contentment and inspiration in the natural setting around Leavenworth.

In the great outdoors we are free and are at one with nature and at peace with God.

Acknowledgments

We would like to thank Walter Rembold and his photography class for the time they spent in taking and developing our Lecapi pictures.

Our gratitude also is extended to Mrs. M. Richards, our advisor.

Dedication

We, the staff of the 1960 Lecapi, dedicate this annual to Coach Larry Padgett and his football squad. The team's willingness to pull together, train hard, and give the game all they had, won them the Chelan-Douglas County "B" league championship and trophy.

At a banquet prepared by the Tamarack Women's Club, the boys were honored for their achievement and for the recognition they brought to Leavenworth High and the community.

Larry Padgett has coached football here since 1955 and is also head of the athletic department.
This Is the Year That---

Leavenworth football team captured the Chelan-Douglas County League Championship and trophy......One of the most disastrous fires gutted the Leavenworth Fruit Company, August 10, with a loss of $300,000.

September was the wettest month on record......In October, the new double-lane highway between Blewett Pass turn-off and Cashmere was opened, eliminating the winding Stine's Hill road.

Gary Sauer, a junior, won an all-expense-paid trip to Chicago for his 4-H work and leadership in that field.

Jim Brennan, a former LHS student, became the National Ski Jumping Champion at the jumps at Iron Mountain, Michigan with a jump of 316 feet, which tied the national record. Jim was presented a watch from the community.

Gene Kotlarek from Duluth, Minnesota set a new hill record of 311 feet at the jumps, February 14, in Leavenworth.

A freak blast in November wrecked the "A" trestle. Donated labor put the hill back in shape.

The school tax levy to build a new high school to replace the 50 year-old structurally unsound high school building was voted down for the third time, January 19, 1960.

Judge Leahy ruled that it would take a two-thirds majority vote to change the high school site from its present location.

Enrollment reached a new peak---209 students as of October 1. The first of March it had dropped to 193. If it keeps above 200, the school will have to play in the "A" class in athletics.

Two new states were added to the union--Alaska and Hawaii. There are now 50 stars in Old Glory.

President Eisenhower is finishing his eighth year as president. Governor Rosellini is the governor of Washington.

Administration Plans for the Future

Ralph Richards and Link MacPherson look over a site for a new high school building. The old building has served the community well for fifty years.

However, it is now in such a poor condition structurally and is inadequate academically, that the School Board and Administration are working toward a new high school.

Because of the small acreage where the building is now located, a new site is necessary.

Seniors Make the "Catch"

After twelve years of schooling mixed with work and play, the seniors hook their prized "catch", a diploma. Like fishermen, who are not satisfied with the size of their fish, many of the seniors plan to go on to college and increase the size of their education.

Eighth grade graduation was a milestone along the way. Judy Vincent and James Ward were presented the American Legion Awards. Scholarship honors went to Dorothy DeJong and Mike Hatmaker. Linda McDevitt and James Ward were named outstanding Patrol Leaders.

When freshmen, the class was properly initiated by the seniors. The boys had to dress like girls, and the girls like boys and wear 25 green ribbons in their hair. During the sophomore year, the class took their turn at the concession stand during games. They also sold basketball-schedule pencils to enlarge the treasury.

"Dear Ruth," the junior play; a talent show; and selling refreshments at games were some of the year's activities. The Junior-Senior banquet held in the Starlight Room, and the prom, "Moonlight and Roses" were crowning events of this year.

Gary Darlington was the senior class president and James Ward was proxy of the Associated Student Body. Homecoming activities which honored classes of '30, '40, '50 was reigned over by Queen Karen Wyles. Leavenworth's 29th Annual Ski Tournament was ruled over by Queen Linda McDevitt and Princesses Barbara Steele and Carolyn Lee.

Baccalaureate was in the Osborn Auditorium, May 29. Graduation, the day long looked forward to, was May 31, in the gymnasium. Carolyn Lee gave the valedictory address and Dorothy DeJong the salutatory.

"THE WORLD IS IN OUR HANDS"

Alma Mater

Written by the Swingin' Seniors

Among the pines in Cascade Mountains
Amid the rippling water falls;
Where mellow mingled tints of sunset
Illumine now our classic halls;
While students gather round the stairways
Linked firm in bonds of red and black,
Forget the cares that come tomorrow,
And praise old L.H.S.

But high school friendship all must sever,
And fade as does the dying day;
And closest kinships all be broken,
As out in life we go our way;
And yet whatever be life's fortune,
Tho' memory fails and time forgets,
We'll love thee still, our Alma Mater,
Our dear old L.H.S.
