Foreword

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1961 Lecapi Staff that, as you glance through this book in the years to come, you will recapture those moments—and the echoes will begin again.

DEDICATED TO OUR FACULTY

In grateful recognition of the hours our faculty spends working for us and with us, we, the Class of 1961, dedicate this annual to them.

A few have given many years of service at Leavenworth High School—Mrs. Williams in the Home Economics Department, Mr. Rembold in the Science and Math Departments, and Miss Schnackel recently transferred from P.E. to the library.

Each year a new member or two joins the faculty and always there is a willingness to give the students extra help and to sponsor and advise the classes and various clubs.

For these and numerous other services, we are proud to express our unending admiration and appreciation with this dedication.
What Was Done in '61---

The cement floors of the lobby and both floors of the junior high were tiled and a new drainage system was installed at the front entrance to the gym. No agreement was reached on a site for a new high school.

New warehouse office

Two new buildings and two new roads were completed in the Leavenworth area. They include a new warehouse and community kitchen and two stretches of highway between Tumwater Canyon and Lake Wenatchee.

Early Monday morning, December 19, 1960, fire erupted in the Assembly of God Church completely gutting the building. The Church had been located in its present structure since 1915 and before that had been used as a store.

Terry Richards, a junior at LHS and a member of the Ponderosa 4-H Horse Club, was one of the six 4-H members in the state to be given the honor of caring for a thoroughbred mare and colt. This award is made jointly by the Washington Horsebreeders Assoc. and the WSU Agricultural Extension Service. Terry also received several other awards for outstanding 4-H work.

At Leavenworth's 30th Annual Ski Jumping Tournament January 29, 1961, Finland's Aarne Valkama soared 7 feet beyond the North American distance record of 316 feet--farther than any jumper has ever gone in competition here--but lost control in his landing and wound up in a spill which broke the tip from his ski and put him out of further competition.

David Larson, Richard Haugh, and John Darling with Mr. Braun. Richard is dressed in the traditional page suit.

Richard Haugh, a sophomore at LHS, left for Olympia January 7 to be page for State Representative Eric Braun at the 1961 Session of the state legislature. As a page Richard took messages, ran errands and gained a first hand education of how our government works.

February 1, 1961, Ham, the Cheerful Chimp, left Cape Canaveral, Florida, atop a Redstone rocket. The largest animal ever sent aloft, Ham's trip 155 miles high and 420 miles southeast into the Atlantic carried several main significances for future space flight.
As we see the mountains, we are reminded of the great values received from them—fishing, hunting, picnicking, as well as financial.

However, they are less important than the inestimable value of our youth. Soon it will be time to make serious decisions; whether to continue your education, get a job, or enter our country's service.

Thank seriously of the things that are vitally necessary in making life a success. It is important to learn to make a living, but there are other values just as important. Good citizenship, kindness, and sportsmanship, are the nation's greatest needs.

As you go from LHS, I hope you will be looking at the finer things of life, and not the baser ones. Look forward to the challenge for good and not backward at failure and disappointments.

Ralph Richards
Superintendent

Administration

It has been said that the American High School is the University of the common man. Here you have had to take varied educational requirements, exercise your freedom of choice in the selection of electives, and activities. You have chosen and maintained friendships and found new friends.

Soon you will be graduating and moving on to further education, jobs, and marriage. You will have requirements and responsibilities to fulfill.

The decisions you make in the next five years will for the most part, form the pattern of your destiny for the rest of your life.

You have the privilege of making choices which is the envy of youth in less fortunate circumstances the world over. Choose wisely a goal, then strive to make the correct choice for the realization of your goal.

Grizzlies Win 2; Lose 6

Coach Bob Blair’s Leavenworth Grizzlies, greatly handicapped by inexperience and injuries, had the poorest record in some years with a 2-win, 6-loss record but never-the-less proved to be a rough opponent.

Only three Grizzlies will be lost by graduation, Norman Porter, John Day, and Wayne Taylor, so the team should be a strong competitor next year.

Norman Porter, voted Inspirational Player and Honorary Captain by his teammates, proved to be one of the best fullbacks in the league, averaging 10 yards a carry.

1961 Homecoming

Honor classes of '31, '41, and '51 turned out for the 1961 Homecoming with one of the largest representations of alumni in several years. They were presented as groups at the evening coronation program, and a representative of each class addressed the assembly.

Honored guest was Mrs. Alice Lee, '13, first graduate of LHS, who related experiences of her own high school days.

Manson's Trojans, C-D League champs, downed the Grizzlies by a 26-20 margin in the traditional afternoon grid battle.

Jerry Kennedy, president of the Class of '61, emceed the program, which was followed by a dance for students and alumni in the Osborn Auditorium.

"A" League Creates New Challenges for "B" Squaders

Leavenworth Grizzly "B" Squad, coached by Ben Pease, had an unsuccessful season this year due to the inexperience of the freshman and sophomore boys.

Through the 1960-61 basketball season the "B's" were only able to capture 3 wins while taking 17 defeats.

High scorers for the year were: Richard Buckingham, 140; Bob Smith, 64; Raymond Van Gelder, 44; and Lynn Watson, 41.

Ball Bounces Wrong Way for Grizzlies

Because of increased enrollment, the Grizzlies played in the "A" league during the 1960-61 basketball season. With only one returning letterman and the tougher league play, the team was unable to compile a good win-loss record.

The season ended with three wins and seventeen losses which placed them last in the North Central League.

John Thomas, a senior, was selected Honorary Captain by his teammates. He was fourth high scorer in the North Central Washington League scoring 10.8 points per game. He was also top overall rebounder and high scorer for the Grizzlies.

Jack Smith, a sophomore, was chosen Inspirational Player of the year.

The team's point average per game was 44.5 and the Grizzlies hit 17.3 per cent of their foul shots.

the class back twelve years to 1949

Take Time---

Take time to work--
   It is the price of success.
Take time to think--
   It is the source of power.
Take time to play--
   It is the secret of youth.
Take time to read--
   It is the fountain of wisdom.
Take time to be friendly--
   It is the road to happiness.
Take time to laugh--
   It is the music of the soul.
Take time to dream--
   It is the road to greater vision.
Take time to give--
   The day is too short to be selfish.
Take time to love and to be loved--
   It is the privilege of the gods.

Seniors Earn Special Honors

Torch members are those who have, for eight consecutive semesters, excelled in the attainment of character, scholarship, leadership, service, and citizenship.

Anyone of these alone is insufficient for a well-rounded life, but all taken together constitute a well-rounded one.

This was the first year that torch members wore honor cords.

Seated are the four-year B average students. They have maintained a 3-point average for four years.

Twenty Seniors Attend Leavenworth Schools for Twelve Years

Twenty members of the class of '61 attended Leavenworth public schools for twelve years. Their educational career began in the year 1949.

Today only memories are left, but the horizons of tomorrow are ahead.
