Dedicated to

Mr. Albert Weirich

Coming from Germany in 1953,
You found your place in our community.
With a willing mind and strong determination,
You became a member of the 'orcharding' organization.

In '62 and years before,
Students and town folk have knocked at your door.
Asking for help on the Senior Ball,
Or how to design a float, topping them all.

Your cheery smile and talented brush
Have contributed immeasurably to all of us.
As we struggled to create things of beauty,
You gave us your time, far beyond your line of duty.

Although none of your masterpieces have brought world acclaim,
You'll always be remembered in our 'Hall of Fame'.

CHAIRMAN
Fred Nierman

DearestDia,

Last week I started a new job here in Boston. We used to have a pump in town, but it's been replaced with a new one.

Sincerely,

Rick
Dear Seniors:

I would like to say to you in this, your final year of High School, congratulations on your fine record, first in eight years of Elementary Education and now as you near the completion of four years of High School. I am sure you all realize, that, though this is the end of a certain phase of your life, it is the beginning of bigger and better things. My very best wishes to all of you in the years to come.

I am very happy to have been able to play a small part in your education and I would like to take this opportunity to say, "Thank you, Seniors" for your fine co-operation and help in making this a very successful and enjoyable school year.

Principal

Dear Seniors:

It is with a great deal of pleasure that I write this letter for, this, your last high school annual.

Though your class is small in number I have noticed throughout this senior year that your class and individual members of your class should be commended for a number of achievements.

The achievement most noticed is in the field of academic success. It is noteworthy that one member of your class is a straight "A" student and that the class as a whole had fifty-six per cent of its members on the honor roll at mid-term.

Congratulations on your graduation and I wish for each member of your class the best of success.

What did we do in '62?
We held an open house dinner
With long strands of spaghetti
And purchased a wrestling mat
When the wrestlers were ready.
And these are just two
Of the many things that we did for you.

Science Club

What did we do in '62?
At Christmas, with tinsel and holly too,
We decorated the school halls
For you.

We started the year with a swing.
After the football game, we
sponsored a P.D.-Leavenworth
flying.
On the seventeenth of March
(Which is St. Patrick's Day),
We had a Hobo Tolo.
"Hilarious!" we heard everyone say.

Band

Throughout the year at school events,
We added pep with our instruments.
At Christmas we caroled
And had lots of fun;
Our much-delayed concert
Pleased everyone.

The Chorus throughout the year,
Has practiced so everyone can hear.
They have sung many a song,
But it has not been long
Since everyone was keen and alert,
When they presented their Winter Concert.

Girls' State

SELMA SCHMIDT

The week of June 12-19 during the summer of '61 was one filled with new and interesting experiences for me which I will long cherish. Although many know of Evergreen Girls' State held on the campus of Central Washington College in Ellensburg, many do not know its purpose. Instead of relating my experiences, I would like to briefly state the purpose of Girls' State. Its purpose is to provide citizenship training for girls of high school age and to inform them about the duties, privileges, rights and responsibilities of American citizenship, in order that they may understand and participate in the functioning of their government, and to help them grasp the meaning of some of the responsibilities which they must assume when they become adults.

Boys' State was held on the campus of Pacific Lutheran University which is eight miles south of the city of Tacoma. The purpose of Boys' State was to acquaint and familiarize the future leaders and citizens of the United States with the functions of city, county, and state governments in a democratic society.

Although the sponsors of Boys' State may exhibit inclinations of partiality in national politics, Boys' State was one of the most liberal and open-minded discussion groups in which I have participated.

Writing planks for my party's platform, being elected to the House of Representatives and helping to form a third party were probably the most beneficial and interesting experiences I had at Boys' State.

“A” Squad

This year we had a hustling team,
The answer to a coach’s dream.
Putting up battles without fatigue,
We hoisted ourselves to first in the league.
From here we went to Moses Lake
To try to win a berth at "State."

Fulfilling the sportswriters' statistics,
We won first place in district.
So on to Spokane we went
To compete in the state tournament.
We played Ilwaco, Chimacum, Odessa, and Freeman
And came home with the 8th place trophy, "a gleamin' ."

For the past two years we’ve gone to "State"
Some people say it must have been fate.
But we know different, for as you can see,
Our boys are "good shots" and over five foot three.

CLASSES
We the class of '62
Twelve years of school have been through.
We've shared together defeat and victory,
And now the past will be just a memory.
Everyone has tried his very best,
So that this class will be one that's blest,
And always remembered (as the years go by),
How we led the students of PD High.
So we bid you all "adieu,"
And to next year's seniors, "Good Luck To You!"

I had the privilege of attending the Legislature and to serve in the House of Representatives as Page. Paging gave me a first-hand opportunity to study our law-making processes and to gain a very small concept of the politics involved. This made me more aware of our government and its working.

I would like to thank Eric Braun for sponsoring me and a special thanks to my teachers for their patience and efforts.

On January 12, 1963, I left for Olympia with my sponsor, Representative Eric Braun and his wife, Eunice Braun. The following day I received my Page uniform and began my duties, which included running errands, sealing and stamping envelopes, distributing important papers, and many other tasks for the Representatives of our state. I had the honor of being chosen flag bearer for this 38th Legislative Session. During this session I had the experience of witnessing a coalition of resident Democrats and Republicans. Through these rewarding experiences I learned much about the functioning powers of our state government and how important a two party system is to the people of our state.

P-D Hosts District Track Meet

That's the way to tell him Coach!!!
Through the combined efforts of the P-D Track Team, and under the supervision of Mr. Houser, we were able to capture the crowns of the county and league track meets. The team also met with success at the Leavenworth and Upper-Valley Invitationals. There were eight boys who qualified for the District Track Meet held at P-D. Rick Whaley and Lonnie Franz were two of the outstanding contenders of the year.
The class of 1963 graduated with a membership of twenty-five students. Displaying the colors of royal-purple and gold, the background presented the class motto, "To be what we are and to become what we are capable of becoming, is the only end of life.

As in the Baccalaureate ceremony, held at the Dryden Congregational Church, the class flower, an orchid, was displayed on the stage.

There were eight Juniors chosen as ushers to seat the guests at Graduation and Baccalaureate; they were: Janine Liebert, Judy Enlow, Patricia Foster, Bonita Reister, Jerry Burgess, Paten Thomason, Melvin Hill, and Lonnie Franz.

To officially open the 1963 Graduation ceremonies, the candles were lighted by Randy Hauff and David Pfugrath. As the organist, Mrs. Alfred Fuller, and the pianist, Richard Fuller, played "Pomp and Circumstance," the class, lead by Dolly Agnew and Ron Tangen, Graduation Leaders, began the traditional Graduation March.
