A Year to Remember....

Mayor Wilbur Bon and Postmaster Bob Breeder at the dedication of the new Post Office, November 17, 1962.

February 3, 1963 was a most unusual day. An ice storm caused every tree, shrub and wire to be covered with myriads of icicles about 6 inches long. All over the community branches covered the ground such as are seen in this photo. The trees were so badly damaged, they were later removed.

.... Mike Mathena accepts the traveling football trophy from John McGregor, P-D president.
.... Grizzly football team repeats the record of the 1959 squad and captures the league championship.

**Cheer Squad Boosts Sportmanship**

During the 1962–63 seasons, the LHS cheerleaders put forth every effort to arouse school spirit and educate the students concerning good sportsmanship. Every day before a game, the entire student body assembles for a pep rally. Planning these assemblies is one of the many duties of the cheerleaders.

It is not only the job of the cheer squad to shy away from the activities that might create undesirable responses from the crowd, but they need to be prepared to cope with any situation that might occur.

Every year it seems that one member of the cheer squad has to drop out. This year Betty Barnes, junior, was unable to continue the basketball season due to a skiing accident.

Leavenworth and Wenatchee B game.

TO OUR COACH: Gary Turner

Just how can a boy
Express his pride
In having his coach
Stand at his side.

A coach with morals
So supreme,
Which are so admired
By his team.

A coach with such kindness,
Strength, and zeal
That hardships never
Can conceal.

Our coach worked his heart out
And not once did he stop
Until his proud devoted boys
Were sitting on the top.

We thank him with a smile
Specially for him reserved
And also with another prize
Two trophies well deserved.

Grizzlies Snare "B" League Championship

Gene Rieger presents Mike Mathena, Student Body President, with the Chelan-Douglas "B" League trophy while Gary Turner, head coach, looks on.

On the piano is the Leavenworth P-D Veterans Day traveling trophy.

Leavenworth's 1962 football team bags the Chelan County "B" League Championship by winning seven straight games after dropping the first two by slim margins.

The Grizzlies, with a driving offense and a crunching defense, flashed their way to stardom by over-running several of the best teams that have been seen in this league for several years.

Chalking up a total of 193 points to 83 for their opponents, the Red and Black team worked from a combination straight and winged "T" formation which they found very effective under almost all circumstances.

Loss of ten seniors will be a great handicap to next year's team. The ten are: Carl Gall, Rich Haugh, Jim Jones, Mike Mathena, Dennis McMahon, Bill Newell, Allen Rosebrook, Bob Smith, Jake Thompson, and Ray Van Gelder.
"B" Squad Builds for Tomorrow

Spurred on by coach Roy Schmidt, the "Little Grizzlies" combined their skill and knowledge of the game for a 12 win 6 loss record.

Coach Schmidt was presented a trophy by his "B" squad players in appreciation for his work and his inspiration to them.

Larry Kesterson holds onto the basketball as team mates look on in the Peshastin-Dryden ball game.

Freshmen Begin New Life

Eagerness to learn, want for excitement, fun and gaiety, and meeting many new friends, all mixed into one are the main ingredients of a Freshman just entering high school.

The two main projects of the Freshmen class are selling concessions and holding a dance. Most of the Freshmen year is spent learning how to adjust to high school life.
Initiation Is Exciting

Initiation into high school, September 21, 1962, marked the high point of excitement for the Freshmen class of 1966. Each member of the class was instructed by the seniors, who were the sponsors, to grease their hair, wear grass skirts, and darken their skin.

"Service" became the important word to the Freshmen as they were auctioned as slaves to serve their masters faithfully for the remainder of the evening.
Sophomores Gain Self-Confidence

Sophomores feel much more superior to the Freshmen now as they climb steadily up the ladder of their high school career.

The annual project of this class is to sell "Basketball or Football Schedule" pencils.

New activities, organizations, and interests dominate over heavy courses and burdensome studies, to make the Sophomore year one of the most intriguing and exciting years of a student's high school life.

Beginning the first grade in 1951 at the Leavenworth Grade School were 61 six-year olds. There are 41 in the graduating class of 1963.

Twenty-six stayed together for all of their 12 years of schooling. Betty Rayfield and Jim Jones were awarded the American Legion Awards at eighth grade graduation. Judy Kennedy and David Larson were recognized as outstanding patrol students.

It was a real experience when as freshmen, a mixer initiated them into high school activities.

During the sophomore year, basketball schedule pencils were sold and the following year, football pencils.

"An Evening in Paris" was the theme chosen by the juniors for the banquet and prom in honor of the 1962 seniors.

During the senior year, Homecoming festivities honoring the classes of 1933, '43, and '53 centered around the theme "Autumn Fantasy." It was ruled over by Queen Betty Rayfield, and Princess Gail Schulson.

As seniors, they earned the privilege of initiating the incoming frosh into high school with a Slave Auction. They also took their turn at the concessions booth during football and basketball games.

Sally Kester, Ski Queen, with Princesses Sandra Emmons and Earlinia Stoudt, reigned over the 32nd Annual Ski Jumping Tournament.

High school years closed with a banquet and prom given in their honor. Baccalaureate, June 2, and Commencement in the Gym, June 3, climaxcd four years of active high school life.
