Mrs. Lydia Foster

We have dedicated the 1963 Puma to MRS. FOSTER in commemoration of her eighteen years of superior teaching in both Dryden and Peshastin.

Mrs. Foster's retirement four years ago closed the door to a successful career. She had inspired many teachers by her love and loyalty to her students. Mrs. Foster will remain in our memories as a guiding light starting many students on the road to success. Indeed, education, the right beginning, an able mind, and a capable teacher are the "Keys to Success." The staff therefore, dedicates this book to our Golden Key to Success---Mrs. Foster.

Foreword

With the passage of years, you may look back upon this school year as the time when an unknown key opened the door of knowledge for you.

To preserve a record of these moments and the countless other experiences of you and your classmates, this Puma, with the theme, "Keys to Success," strives to capture and hold your memories of 1963.

Administration Is Esteemed by Students

We are very grateful for the School Board's interest in our school. They have done a spectacular job in remodeling both the library and the science laboratory. During the latter part of the year the School Board appropriated funds to purchase a '57 Chevrolet and had the car painted maroon and white.

Pep Section Urges

Conducted by Mr. Spanjer, the pep band contributed to all home football and basketball games. They did marching formations during the half-time festivities at the Homecoming game. The band also played for the first district tournament game held in Wenatchee.

The Pep Club kept school spirit bubbling by selling maroon and white sweat shirts, shakers, and pennants. They combined with the Lettermen's Club to finance the fun-filled Homecoming activities. All pep buses were sponsored by the Pep Club, and when the cheerleaders' pom poms started looking lifeless, they pitched in and bought them new snappy maroon and white ones. Pep Club members stamped and distributed programs at our home football and basketball games.

Council Is Key to ASB

Directing the activities and finances of the student body is the purpose of the Student Council.

Approval was given for the purchase of new baseball uniforms. Through the combined efforts of the School Board and Student Council, a new sign which will be used for the posting of the scheduled events was purchased.

In February the Council visited the State Capitol in Olympia and toured the grounds and buildings; they were guided by Beryl Whaley and Nick Stemm, legislative pages from PDIHS.

Band Creates Music Appreciation

With the help of a new band leader, Mr. Spanjer, the band entered a musical contest in Wenatchee on March twenty-third.

In the spring they participated in the annual Wenatchee Apple Blossom Festival Parade.

The band hosted a winter and a spring concert, both featured the singing ensembles and the junior high band. The concerts were attended by record breaking crowds.

June 11, 1962, marked the beginning of a remarkable week at Central Washington State College. Three hundred and fifty confused but excited girls were present when Girls' State convened.

The experience was very rewarding, as I learned the functioning powers of the city, county, state, and federal governments by participating in each form.

The week was a most memorable one, because I found a meaning and direction for my life. I should like to extend my gratitude to the American Legion Auxiliary for this wonderful experience.

I had the honor of being chosen as the Peshastin-Dryden High School representative to the American Legion Boys' State held at Pacific Lutheran University in Parkland, Washington.

Boys' State was a most rewarding experience in that it acquainted me with the purposes and functions of city, county, and state governments. After being defeated for the office of Lieutenant Governor, the "number two" position in state government, I was elected as Senator from my state.

The American Legion is to be congratulated for a most educational as well as applicable experience.
The class of '66 started its social activities at PDHS with a lively after-the-game dance at Christmas time. They had popcorn balls and a large tree in the middle of the gym. Their second activity was a successful playnight.

Guided by Mrs. Racy and Mr. Thies, the class of '65 started the year with a successful fundraising playnight in the Dryden Gym. In the spring, they hosted the traditional Cotton Ball and had a car wash.

During October, Alex Schmidt moved to Seattle and Kenny Link took his place as Vice President.

Under the direction of Mr. Simon and Miss Warner, the class of '64 experienced a year filled with fun and work, and rewarded with a tremendous financial gain. They sold concessions at all home football and basketball games and wrestling matches. After the P-D and Cashmere game they sponsored a dance, and then on March 30, gave the Senior Ball in honor of the class of '63.

Seniors Plan Sneak

The Welcome Freshman Dance, pep dances, bake sales, and a Katydid candy sale were just a few of the vigorous efforts the seniors put forth to earn the needed amount of money for the last over-night senior sneak. These activities were a part of the school year which culminated with Commencement.

Team Rated First in State by the AP

The basketball team, coached by George Kapral, enjoyed a season filled with lots of hard work, team co-operation, and many wins—twenty-five consecutive, to be exact. After the regular season, the squad received the honor of playing in the district tournament at Wenatchee, where they placed first in North Central Washington and earned the right to participate in the 21st State "B" Basketball Tournament at Spokane. It was here, after a "no-lose" season, that they encountered defeat. On the last day at "state," Rick Whaley, team captain, accepted the sixth place trophy in behalf of the team and Peshastin-Dryden High School.

The wrestling team of Peshastin-Dryden High School has made great improvement in the past season. Winning six of eighteen matches may not sound very impressive but in comparison with past years this record stands out.

Larry Day, a senior, placed third in the district meet, while Ron Tangen, a junior, placed fourth.

Larry Day demonstrates a cradle hold on Lyle Day in the upper left hand picture. Jerry Burgess applies a reverse nelson crotch on Wally Schauer in the middle picture. In the upper right hand picture, Ron Tangen has John Milne in a guillotine.

It takes a lot of worrying

To make a Puma right--

A lot of fuss and bother

And sometimes half a night.

You have to sit and labor,

If you've dared to get behind,

And worry about the Puma

With this always on your mind.

A Puma is not what gold can buy

Or get up in a minute,

Before you get a Puma,

A lot of work has been put in it.

You've got to race to make it pay,

You sit and sigh,

And wonder if you'll get it off

Your soul before you die.

And when it's handed to the line,

To see some cynic come

And point an error out and leave

You furious, but dumb!

It takes a lot of worrying

To make a Puma right,

So, when you're about to criticize,

Won't you please--just sit tight.

I had the privilege of attending the Legislature and to serve in the House of Representatives as Page. Paging gave me a first-hand opportunity to study our law-making processes and to gain a very small concept of the politics involved. This made me more aware of our government and its working.

I would like to thank Eric Braun for sponsoring me and a special thanks to my teachers for their patience and efforts.

On January 12, 1963, I left for Olympia with my sponsor, Representative Eric Braun and his wife, Eunice Braun. The following day I received my Page uniform and began my duties, which included running errands, sealing and stamping envelopes, distributing important papers, and many other tasks for the Representatives of our state. I had the honor of being chosen flag bearer for this 38th Legislative Session. During this session I had the experience of witnessing a coalition of resident Democrats and Republicans. Through these rewarding experiences I learned much about the functioning powers of our state government and how important a two party system is to the people of our state.

P-D Hosts District Track Meet

That's the way to tell him Coach!!!
Through the combined efforts of the P-D Track Team, and under the supervision of Mr. Houser, we were able to capture the crowns of the county and league track meets. The team also met with success at the Leavenworth and Upper-Valley Invitational. There were eight boys who qualified for the District Track Meet held at P-D. Rick Whaley and Lonnie Franz were two of the outstanding contenders of the year.
The class of 1963 graduated with a membership of twenty-five students. Displaying the colors of royal-purple and gold, the background presented the class motto, "To be what we are and to become what we are capable of becoming, is the only end of life.

As in the Baccalaureate ceremony, held at the Dryden Congregational Church, the class flower, an orchid, was displayed on the stage.

There were eight Juniors chosen as ushers to seat the guests at Graduation and Baccalaureate; they were: Janine Liebert, Judy Enlow, Patricia Foster, Bonita Reister, Jerry Burgess, Paten Thomason, Melvin Hill, and Lonnie Franz.

To officially open the 1963 Graduation ceremonies, the candles were lighted by Randy Hauff and David Pflugrath. As the organist, Mrs. Alfred Fuller, and the pianist, Richard Fuller, played "Pomp and Circumstance," the class, lead by Dolly Agnew and Ron Tangen, Graduation Leaders, began the traditional Graduation March.
