Dedication

We, the staff of the 1964 Puma, wish to dedicate this annual to our school board.

Behind each good high school is an enterprising school board. The school board has constantly strived over the years to raise the educational level of the Peshastin-Dryden School. In addition to attending to the educational aspects of school, they also encourage and help the students with many recreational activities. With the cooperative efforts of the school board and students, Peshastin-Dryden has become a school that is modern, well-known, and respected.

For these reasons, we dedicate this annual to you—the school board of Peshastin-Dryden High School.

A busy Student Council accomplished much during the year under the leadership of President Lonnie Franz. The moving of the bleachers was a most important project. With the help of the student body and the community, the hill was cleared of rocks, the trees were replanted on the school lawn, and the bleachers were moved down the hill closer to the football and track field.

The Student Council bought equipment for all the athletic teams. This included a charging sled for football, partially paying for basketball glass backboards in the Dryden gym, uniform tops for wrestling, and a fiber glass pole plus new uniforms for track.

The Student Council also purchased a sign-lettering kit for all student organizations to use.

School spirit was increased when the student Council decided to choose a peppiest boy and girl of each month and to present a plaque for the peppiest boy and girl of the year.
The Honor Society began the year by revising their constitution, to give more meaning to the qualifications an Honor Society member must have: Service, Leadership, Character, and Scholarship. They sponsored a hobo tolo dance and a slave auction. Their year ended with the giving of a $50.00 scholarship to a graduating senior.

The American Legion Auxiliary sponsors the Girls’ State program and the American Legion, the Boys’ State program. Girls’ State meets on the campus of Central Washington State College and Boys’ State at Pacific Lutheran University, near Tacoma. These two sessions are held for a week during the month of June.

The main purpose of Girls’ and Boys’ State is to acquaint high school leaders with the uses of the democratic forms of our American government.

The girls and boys are selected on the basis of citizenship, leadership, scholarship, and physical fitness. They must also be planning to attend their senior year at the high school from which they are selected.

Randy Hauff and Pat Foster were selected for Boys’ and Girls’ State with Dave Pflugrath and Dolly Agnew as alternates. Dave Pflugrath and Pat Foster represented Peshastin-Dryden High School.

On October 11, 1964, the delegation from the Peshastin-Dryden High School representing Turkey, Norway, and Czechoslovakia, left for Central Washington State College to participate in the 1963 Model United Nations. On the first day the delegates attended meetings which were replicas of those actually held in the U.N. session. After a full day of becoming acquainted with the process of the United Nations the delegates attended a "hootenanny" and later went to their quarters for a long deserved night's rest. On Saturday the 12th the P-D delegation was joined by more of their number, and attended further council meetings. The session was terminated with a large General Assembly which all delegates attended. By late afternoon all were headed for home full of knowledge of the process of the United Nations.

Sophomores Have Original Hootenanny

The Class of '66 began its year of activities with a dance and "Hootenanny" after the Waterville football game, October 5.

Princess Pam Gere represented the Sophomore Class at Homecoming events.

Dancing after the Chelan basketball game, December 21, carried out the Christmas spirit of the holiday season.

The Sophomores, guided by Mr. Kapral and Mrs. Racy, Highlighted their year by presenting the annual Cotton Ball, April 11.
The freshman class, assisted by Mr. Thies and Mrs. Lyle, began its social activities with a very successful playnight on November 16.

Mary Lou Whaley was selected princess of the freshman class for Homecoming events. After the chili feed and bonfire, the freshman boys cleaned up the bonfire and the girls cleaned the cafeteria and auditorium.

The freshmen ended their season of activities with a playnight on April 25.
