This year the students of this high school feel very privileged and honored to dedicate this yearbook to the most deserving people in this community. For this and many other reasons, we dedicate this yearbook to the parents of the Peshastin-Dryden High School students.

For many of us, being able to thank our parents for the many things that they have done for us is difficult. If we do thank them, it seems there should be some special way to show more appreciation.

So this yearbook is our way of saying thank you for being such wonderful and understanding parents.

For the seniors, many of us will be leaving to attend college but even though we may be gone we shall never forget how wonderful our parents are and we shall always know where to go for help and guidance.

After a slow start, the Freshmen presented an action-packed "Action Night" on the fifth of March. Following the usual basketball, badminton, cake walk, trampoline and added excitement of scooter football, the Misfits provided lively music.

They also provided historical entertainment at the Veterans' Day Program.

Starting early on their activities, the Sophomore Class put on a playnight on October 9th. For a change of pace, they sponsored a movie, "The Nutty Professor." Popcorn and punch added to the fun - and to the Sophomore's treasury.

An interesting theme, "The Old South", contributed much to the success of the annual Cotton Ball.

Mr. Kapral and Mrs. Kauffman were the Sophomore Class advisors.

Many activities have engaged the class of 1967. Among these were the painting of the goal posts on the football field and the selling of concessions at all home football and basketball games. After the Leavenworth football game here, the Juniors hosted a dance featuring live music by the Talismen and with Leavenworth High School as guests. The major project of the year was the production of the Senior Prom entitled "Music In The Air." They also assisted with Senior graduation exercises.

Boys' and Girls' Representatives

Each year the American Legion Auxiliary sponsors the Girls' State program held at Central Washington State College. The American Legion sponsors the Boys' State at Pacific Lutheran University.

By holding a mock election of officials, performing their various duties and listening to many outstanding speakers for one week, each participant gains a better understanding of our own state, county and city government.

This year Carlita Phillips and Steve Warman had the privilege of attending Boys' and Girls' State. They were selected on the basis of citizenship, leadership, scholarship and physical fitness.

Steve commented on his week at Boys' State as "a great experience in learning how the different branches of our state government function." He also wished every boy had the opportunity to attend.

"Girls' State was one of the finest, if not the finest, learning processes in which I was able to participate. I shall never forget Girls' State" was Carlita's reaction.

Both of them emphasized that Boys' and Girls' State provided not only an educational and worthwhile experience but was a lot of fun.

Pep Club Is Successful

As P.D.'s 1965-66 year rolled around, the Peshastin-Dryden Pep Club advised by Mrs. Knuffman and led by cheerleaders and officers; President Mikie Stanphill, Vice-President Pam Gere, Secretary Jean Foster, Treasurer Rhonda Craig and Student Council Representative Sue Boswell, proved to be quite successful. Beginning with Homecoming Events including a chili feed, the Pep Club then went on to boost school spirit by selling pep boosters, having a car wash, and attending football, basketball, and wrestling games.

The Honor Society began the year with an unforgettable cider squeeze and sale. Again they made the cider themselves but with the help and equipment of the Vale Fruit Stand. Later in the year they held a "mixer" dance. There Honor Society slaves were sold and the annual turkey was raffled off. The Kiwanis again honored the club members at a banquet during which senior Honor Society members gave speeches telling the purposes of the club. On graduation night the Honor Society awarded scholarships to seniors who displayed the goals of the club; Scholarship, Character, Leadership, and Service.

The members of the Student Council this year have accomplished numerous beneficial tasks for the A.S.B. of PDHS. Among the major accomplishments were the purchase of the new basketball score clock for the Dryden Gym, the revision of the A.S.B. constitution, and a computer dance with Leavenworth in the spring. Among minor accomplishments were the purchase of new wrestling warm-up jackets, new baseball hats and equipment, and some new football equipment.

Band Gives Christmas Concert

This year the band helped create school spirit throughout the football and basketball seasons. Between pep assemblies and games, the band held a Christmas concert to enhance the holiday activities. In March, Mr. Spanjer directed the annual Spring concert. Later that month, Wenatchee was the scene of the North Central Washington Band Contest in which our band participated. The band then took part in the Wenatchee Apple Blossom Festival to end the year's activities.
