FOREWORD

We the 1967 Lecapi staff hope that as you look through this yearbook, it will bring back many memories of feelings and events of LHS.

Looking back through the years, may you be reminded of days gone by—all too swiftly; of hours spent studying for final exams; of precious minutes between classes; and of final seconds ticking away on the scoreboard.

As the seniors graduate and the underclassmen fill their shoes, so much changes yet much remains the same. This is life, always changing and pushing us forward.

When a year has gone, we can never relive it—except in our memories. It is the purpose of this book to remind us of a year at good "old" LHS.

UNDERCLASSMEN
Fifty-four freshmen entered Leavenworth’s new campus style high school, August 31, and met new teachers, new friends, and a new class schedule. Since the buildings do not have inside halls, these new members had to become accustomed to going outside to enter each classroom.

Their first money making project was having concessions at the Homecoming game. On November 17, the freshman girls’ Home Economics class made cookies, open-faced sandwiches, and spiced cider for a tea in honor of the high school faculty and school engineers.

Marcia Fassnacht and Tom Merry were delegates to the Leadership Conference held at Wenatchee High School. Janice Whaley was freshman princess at Homecoming and was escorted by Dale Day.

Forty-nine sophomores started their second year by winning the Associated Student Body card sale. This entitled them to choose the game at which they wanted to have charge of concessions during the football season.

Peshastin-Dryden was the choice for football as well as for basketball. The class sold pencils on which the 1966-67 basketball schedule was printed and sponsored a bake sale to raise money for the treasury.

Pattie Koenig was elected Homecoming princess to represent the sophomore class and was escorted by Bill Franklin.

Juniors, now nearing the goal of becoming the top class at L.H.S., numbered forty-four members.

Several money making projects were required during the year to raise enough funds for the banquet and prom given in honor of the seniors in May.

The class had charge of the basketball concession stand at the Jamboree, December 1. These were the first regular basketball games to be played in the new gym. About 800 were in attendance.

Large orange and black booster buttons were sold by the class.

A New Beginning

SENIORS

We, the class of 1967 are now at the close of our high school days and it is time to take a firm look at the goals we have set and strive toward the success that we each seek in our lives.

In our freshman year, we adjusted to high school life under a split-shift program with classes beginning at 7 o'clock in the morning.

In our sophomore year, we became more accustomed to high school life. A basketball pencil sale and a car wash were held to raise money.

On January 31, 1966 during our junior year, the high school students moved from the Junior High Building into a new Campus-Style High School. A booster button sale helped raise money for the prom; and class rings were ordered from Jostens. "Springtime Carousel" was the theme of the prom. The class was awarded the "Big Mouths of the Year" plaque and our "67" was placed on Mountain Home despite opposition from the seniors.

Our senior year was over almost before it began. The class sponsored a talent show to raise money for the senior trip. Commencement brought to a close the best years of our lives. We are leaving friends but are taking with us cherished memories.
