The freshmen started out with a successful playnight November 27. Later in the year they had a car wash and received a little help from Mother Nature---it rained! Also, they replaced planks on the football benches and painted the concession stand.

"Evergreen Girls' State was a most rewarding experience. Each girl was a separate individual with values and interests of her own. But at the end of those seven days each had acquired something in common—the desire to be active citizens in the country we love, to be responsible citizens in our communities and to put our trust in God."

"There were so many ideas and emotions that words could never express and it was the perfect opportunity to make new friends."

Sincerely,
Jean Thompson
Girls' State Representative
summer 1968

"Boys' State provided a fine opportunity to learn about the operation of state government by direct experience. There were several very informative speakers during the week; I was particularly impressed by Secretary of State A. Ludlow Kramer.

"In all respects, I feel fortunate in having had the chance to attend Boys' State."

Sincerely,
Bert Ortiz

The band was extremely active this year, giving concerts, sponsoring a dance, and selling band calendars. Community groups were very helpful in donating sums of money to the band uniform fund. Finally the band was able to make its dream come true--their new uniforms arrived this spring prior to the Apple Blossom Festival.

In addition to performing in the annual Christmas and Spring Concerts, the chorus made a joint recording with the band. This talented group also sang for special school assemblies.

Lettermen

This year the lettermen's club held a donkey basketball game to earn money. They also sold ink pens with the football schedule on them during the football season. In the fall they picked apples and donated the money to the club. This money went toward the purchasing of film for football games and to their annual lettermen's trip.
