Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

freshmen

The 50 freshmen made up over one fourth of the entire student body and brought spirit and enthusiasm to PDHS.

A large portion of the first weeks of school were occupied by their being oriented to Peshastin - Dryden High School and its traditions. This included cleaning up after the Homecoming chili feed and bonfire.

The freshmen participated in a great many extra curricular activities, such as clubs and athletics.

They look back upon a fun-filled year with both defeats and victories. Now PSHS is an important part of them.

This year the Juniors kept themselves busy much in the same way the eleventh year classes of the past have. They performed the traditional duties of Juniors by selling concessions at the football and basketball games. They made good use of the new concession stand built above the football field by this year's Seniors.

They performed two main activities in the spring. They presented their play, GREAT CAESAR'S GHOST, early in the spring. In April, they sponsored and decorated for the Junior-Senior Prom the theme of which was HARBOR LIGHTS.

The senior class was very busy their last year of high school. They sponsored the annual Welcome Freshman Dance which was held in September and also a playnight which was held in October. The class of '71, during their four years of high school, sponsored and promoted the opening of the new all brick concession stand which was built just in time for the football season this past year. This class also took part in an extended learning program held at WVC where approximately 3/4 of the seniors took college classes to finish their last tri-semester of high school. Graduation was held June 4.

**asb officers**

It was business as usual for this year's Student Council, such as decorating the school for the Christmas Holidays, and approving purchases for sport activities.

They proposed and approved a Student-Faculty Committee consisting of three students and three teachers.

Also, there was something new—the Student Council approved a Student Exchange Program with Shorecrest High School. Lynn Krayem, Peter Phillips, Donna George, and Janet McCurdy all visited Shorecrest High School in Seattle for a week. In exchange Cindy Capron, Becky Bradford, Mike Ralston, and Dru Reiman visited P-D.

All P-D students enjoyed seeing the art-mobile, Washingtons only roving museum, at Leavenworth last fall.

The Honor Society Club started the year off with an initiation party for new members. This was soon followed by an exchange student program with Shore Crest High School, in which four of our students participated. Next on the list was the drive to collect food and toys for the needy families in Peshastin for the Christmas holidays. Some of the money-making activities were a Slave Day and selling candy bars.

The club also gave out three scholarships, the National Honor Society Scholarship, the Gonzaga Scholarship, and their own scholarship.

At the end of the year, to culminate their activities, the club held their annual trip.

The band was extremely active this year, giving concerts and selling band calendars. Following tradition, the band took part in Homecoming activities and the Wenatchee Apple Blossom Festival Parade.

The pep band added much to the crowd's enthusiasm at athletic events and pep assemblies.

The Spirit Association, advised by Miss Sommers, started the 1970-71 year off with new outfits and full support for the Cougars. The pep assemblies were fantastic thanks to the spirit spread by the Spirit Association.

All the girls helped to make Homecoming a success. The traditional chilli feed, skits, and the dance under the theme "The Great Punt-kin" all were very successful.

The girls held a car wash, bake sale, and a band dance. They sold tickets throughout the season and went on supporting the Cougars all the way.

graduates
of
1971

This years graduating class is one of the smallest classes to graduate in a long time with only 29 students. Their class song was "You'll Never Walk Alone", colors were royal blue and gray, and class flower was carnation.

The class of "71" could be one of the few classes to receive empty diplomas. Their diplomas were to stay empty until they finished school at Wenatchee Valley College where most seniors went their last tri-mester.

The Baseball team did very well this year as is usual with wins-and-losses, showing that a small team can get ahead even though some of the guys are kicked off for drinking and smoking! They won 10 and lost 5.
Drill Team

Miss Gaertner helped form this year's Drill Team. It has been about 4 years since P-D has had such a team. The girls worked hard and represented us well at the Apple Blossom Festival.

"Images of the Sea" was the theme of the Jr.-Sr. Prom. The Juniors did a lovely job with the aqua and green colors and murals done by Mr. Albert Weirich were beautiful. Music was provided by the Bo Jeffrey.
The Sophomores presented a darling Cotton Ball this year with the theme "World of Mickey Mouse!" Refreshments were served during the intermission and music was provided by the Wilkins.

mothers' tea

The theme of the Mother's Tea was "Raindrops and Roses." The colors were red, pink and white and entertainment was provided by the high school chorus. The girls modeled their clothes made in their home-ec. class.
"great caesar's ghost"

The Junior Class Play this year was "Great Caesars Ghost". Though working at practices for five weeks, the cast forgot most of their lines which brought down the house with laughter and made the Junior Class a little richer.
