Who Have the Honor of

All through the history of man, honors have been given for great achievements and contributions to society. This is the second year that L.H.S. can honor its' students with special recognition. Students on this page have been given honors in academics, citizenship and as student leaders.

Sharon Koenig and Dave Brine represented Leavenworth High School for Boys' & Girls' State.

Sharon Koenig received the Masonic Education Award.
Congratulations These Students Being in the Hall of Fame.

"I Feel the Capacity to Care Is the Thing Which Gives Life Its Deepest Significance."

-Pablos Casals-

The 1973 LeCapi is dedicated to Mr. Cot Rice and Mrs. Bert Granger. They have worked hard for the students and the school. Both have the determination and enthusiasm that Leavenworth High School needs.

Mr. Rice has been a promoter of a wide range of class offerings for our school. While others have said "no", Mr. Rice has always been a strong advocate for extra-curricular activities. He takes a deep interest in the students and always enjoys his daily lunch visits with them.

Mrs. Bert Granger is "our" real pineapple. When you're down in the dumps, Bert can really bring you out of it, or vice-versa? She has helped everyone in the school. As Mr. Rice's secretary she is dedicated to her work. L.H.S. would never get along without either of them.
Spirit Is to Burst Forth With Joy.

The spirit of our Pep Club was truly visible this year. Their many activities ranged from selling the remaining T-shirts, to painting the many spirited signs which hung throughout the year. They worked hard during Autumn Leaf selling the paper flowers that they made.

Advisor for our Pep Club this year is Miss Linda Orndoff. Leading the Pep Club through its activities were the officers: President-Sharon Koenig, Vice President-Sandy Bayne, Secretary-Treasurer - Karl Koenig, and Council Representative-Carol Rumbaugh.
Camera Club is a very hard working organization, with only three members. Many hours are spent getting all the pictures taken for the Lecapi Staff. The members are: Lauren Pflugrath, Ted Morris, and Kelly McCoy. The Lecapi Staff would like to thank all of you for getting the pictures taken and developed for this yearbook. Without you it would not have been possible.
This year many of the clubs have become very active, compared to the past few years. GAA has had many basketball games this winter, with soccer in the memory of the fall and looking forward to baseball and track in the spring.

“It’s really a wonder that we haven’t dropped all our ideals, because they seem so absurd and impossible to carry out, yet we keep them because in spite of everything we still believe that people are really good at heart.”

Good Hard Work is what kept the teachers of L.H.S. busy in ’72, ’73. By working together, the faculty has done a great job. Various changes in the daily schedule were made and thanks to the teachers and students, we all adjusted very well.

"It has been very fascinating to try to run an educational program on limited resources. It has been only through the real co-operation of all concerned that we have experienced the success we have."

Bert Granger not only keeps the office in efficient order, but also teaches students secretarial work as well.

Being the secretary to the superintendent of Leavenworth Schools, Martha Jensen still finds time to be school board clerk.

Superintendent of school district #28, Mr. Raymond Tupling has done an exceptionally good job.

LEFT: As school district secretary, Bert Wilcox keeps everything together down in the lower office.
LHS students are a big help around the school. A few of our students work in the lunchroom. They help set up tables and serve the food.

Quite a few students work as teacher's aides at the grade school and here at the high school. The teachers are really happy to have this assistance.

There are also a few students who work in the office. Each has his own specific job. They pick up attendance slips, count money, deliver messages, and attend to many other office jobs.

The bus drivers are Ray Hendrickson, John Thomas, Vern Cheetham; and Iver Jensen.

LHS could not operate without the help of a few important people. Mrs. Cloke works very hard in the kitchen getting the lunch ready for all the hungry students. The bus drivers are always busy bringing us to school and taking us home. The maintenance of LHS is kept up by our efficient custodians.

Our custodians: Mr. Dale Bolyard and Mr. John Thomas.

Coach Turner's Grizzlies were a very spirited team this year. The student body was grateful that it was possible to have football, and was especially proud of the Grizzlies. The team turnout was really great.

We'd like to thank these six girls for their part in giving our great teams spirit through out the seasons. It took hard work and a lot of time to be at every one of the games and matches. Thank-you again Sandy, Kristen, Judy, Carol, Kathy, and Patty, for your beautiful job of cheerleading. We also would like to thank their advisor Miss Orndoff for her work in helping them. In appreciation for your fine work as cheerleaders we would like to dedicate the Fight Song to you.
'Homecoming 72'

Homecoming was a time to remember for the many people who were involved. The theme that the senior class felt was appropriate was "Memories." The honored classes of this year's homecoming were: 33, 43, 53, & 63.

The excitement of the game, the pep assembly, and the bonfire gave the people a feeling that it was going to be a great homecoming.

Presiding over our events this year were: Queen, Nancy Thorson; Sr. Princess, Sharon Koenig; Jr. Princess, Colleen O'Laughlin; Soph. Princess, Lynn VandeGraaf, and Frosh. Princess, Margie Sweat.

All in all it was a Homecoming full of MEMORIES.
As you can see, the lights were hardly needed because the royalty lit up the whole night with smiles and friendliness.

RIGHT: Here the football players are munching on cupcakes served with their lunch, which were happily made by the cheerleaders.

The Pep Assembly was an exciting one! LEFT: Here the cheerleaders give a cheer for Mr. Rice after his speech.

FAR LEFT: It looks like the Sophomores are enjoying themselves in a hilarious skit, which brought laughter from the crowd.

The Leavenworth High School Grizzly Band is a very active organization in Grizzly land, participating in District Solo Ensemble and band contests, as well as many of the local and state-wide parades.

Concerts and music for ball games and pep rallies are also part of their agenda. The Grizzly Band as well as individuals from within the group have won very distinguishing awards as a result of their participation in these activities.

"I'd Like to Play a Tune of Hope, Sing Freedom From My Toes, Blend Notes and Hues and Jazz and Blues, and Dance It As It Grows."
"Every Leaf That Falls, Every Word That Is Spoken Lives on As a Memory."
The words were spoken clearly. The memory will be of all the hard work, laughter, and fun, put into the making of the production "THE STUCK POT" in November of 1972.

A cast party was held at Carol Rumbaugh's house after the performance.

Drama club officers for 1972-73 were Pres. Carol Rumbaugh, V. Pres. Dave Beine, Sec. Sandy Bayne, Treas. Sharon Koenig.

Congratulations to the drama club for their wonderful year.

So Many Interesting Things Await You."
Underclassmen
Winning first place with the Autumn Leaf float was an exciting way for the freshmen to start high school. They participated actively in all school activities. They were especially active in Pep Club and G.A.A. They selected Margie Sweat as Homecoming princess and Lloyd Darlington was elected as her escort.

The Sophomores showed great spirit and enthusiasm toward their school this year. Winning the loud mouth award at Homecoming activities, and having many money making projects such as dances and concessions, brought a successful year. Lynn VandeGraft, escorted by Mark Patterson, reigned as Homecoming princess.
Work, Joy and Laughter
"Will We Always Do It This Way?"

Work, joy, and laughter are the signs of a junior, the class of '74. They have proved their laughter by winning the ski contest during homecoming week. Colleen O'Laughlin was chosen as junior princess with Terry Hall as her escort.

Then came the work; money raising projects were underway to raise money for the Junior-Senior Prom in the spring. Snow derby, dances, and concessions were just a few of the many projects.

Then came the joy of looking back on their junior year and saying, "WILL WE ALWAYS DO IT THIS WAY?"
Curriculum

Senior boys relax and have a little fun putting out the school paper, The Voice.

Every year curriculum varies a little with an addition of new classes in the arts of hand crafts and creative stitchery.

"Live Life a Little Bit at a Time."

Winter activities are many at L.H.S. This year the students have been busy with basketball, wrestling, snow queen activities, and skiing.

Manager for the Grizzly team this year was Scot Darlington. Scorer was Mike Ward. Both did a wonderful job.
Hustle, hustle, hustle! That's a familiar phrase used by Mr. Phister, while coaching the team he best describes as anxious and have the driving spirit to win. Being on a J.V. Basketball team is not the easiest thing in the world. But if you ask any one of the ex-basketball players, they'd do it all over again to hear the crowds cheer for THEM at their games.

Hard work has been put out by every one of these students and the Lecapi staff feels they'll really move next year!

Great going guys, you've done a beautiful job. L.H. S. is proud of you. A special thanks to Mr. Wahlquist for being a great coach and helping the team to our victories.
We have set these two pages aside to thank the Booster Club for achieving the goal of getting the many activities I.H.S. needed.

The Booster members planned and carried out many money-raising projects to help our extra-curricular activities. They donated a lot of their own time and effort.

Also, we would like to thank those who contributed their money. For without them, our Leopards would not have been possible.

So, we "THANK YOU BOOSTER CLUB" for giving us memories of the past year.
You see things as they are, and ask "why"?
But we dream dreams that never were, and ask "why not"?

SNOW QUEEN - 73

This year's Snow Queen, Sharon Koenig has had a very joyful and exciting year.

Her excitement began on selection night at the high school when she was chosen Snow Queen for 1973.

Sharon's duties were from advertising the Ski Jumps on television to giving awards to winners at the snowmobile races. Not only serving as Queen, Sharon was leader of the high school Pep Band at games, and chairman of the Rebel Party.
