This year the Student Council purchased new equipment for the football, wrestling and baseball teams. They are also buying some new pads for next years football team.

GIRL'S STATE

My feelings of Girl's State were ones of excitement, learning, confusion, laughter, and tears. I learned to feel for our country. I also learned that the United States flag is something other than just a piece of cloth. It is our past in which people fought so we may have freedom in our lives and government.

At Girl's State we learned not by reading books or listening to lectures but by participation. We set up a government patterned after our state.

I'll never forget the things I learned and the friends I made. I enjoyed Girl's State and got so much out of attending it, that the only way, I think, to improve it would be to send more girls who want to go.

Jude Hills

Boy's State taught me more than just the functions of our government.

Some people say that we, as a generation, are failing. But I can say that the boys who attended Boy's State have great potential and concern, potential in both talent and communication skill. Superior ability in music, comedy and other areas of life were evident throughout the assembly. The ideas that were originated by the boys were refreshing and showed thought and wisdom.

No, we are not a failing generation but a growing, breathing and living generation. . . . . this is what I learned at Boy's State.

George A. Abbott
The Honor Society began the year by welcoming new members with a dinner, followed by a scavenger hunt.

Money making projects were selling apple cider, having a cake raffle, and selling stationery notes. They made $213 on apple cider and $43.75 on the cake raffle.

The club gave out scholarships and ended the year with their annual trip.

The chorus class this year received maroon and white gowns from the graduating class of 1972.

This year, the annual staff was able to meet each week to work on the yearbook with Mrs. Lyle, their advisor.

It was decided, for the first time, to have color in the Puma, so the staff members went all out to sell ads. A lot of time was put into deciding where the color would be.

A few times, some of the staff members stayed later than usual at the meetings to work on layouts to help make this year's Puma a success.
This year we had a new superintendent, Mr. Richard Johnson. During the year he acted as both Cashmere and P-D superintendent. P-D students have enjoyed a relatively open campus and other privileges during this time. We all hope that things work out in the future for Mr. Johnson and that many more improvements will be made for our school.

Mr. Johnson was assisted by the school board members. They were: Lloyd Larson, Robert Dennis, Herb Kiehn, and Kent Christensen. Chairman of the board was Robert Bates, who resigned in February, due to illness.

With one more year of high school left, the juniors are able to look back on a very prosperous year. VISITS
STATE
CAPITAL

Bright and early on the morning of February 27th, 50 wide awake students and chaperons boarded the bus at 6:00 a.m. that would take them to our state capital, Olympia. They were taken on a tour of the capitol, library, and were fortunate enough to observe Congress in session. The next stop was the Olympia Brewery where they were shown a movie before touring the complete plant. Free samples of pop were given and many people visited the gift shop. Dinner was eaten at the Arctic Circle before returning home.
