YOU ARE A CHILD OF THE UNIVERSE,
NO LESS THAN THE TREES AND STARS;
YOU HAVE A RIGHT TO BE HERE.
Should I do this, or that?
What will I wear?
Am I good enough?

Then you meet a challenge;
You have chosen something to do.
Can you do it?

You say, "Yes I can."
It is a challenge,
But you have chosen to be;
Accepting it is a challenge.

-Patti Stevenson
WITH APPRECIATION,
WE DEDICATE THE 1976 LECAPI TO
DISTRICT VICE PRINCIPAL
ED MCGUIRE

Throughout the year, we have all spent time with Mr. McGuire for one reason or another; if we cut school, he was the first person we saw the next morning, and if we were involved in sports or activities, he might have been the last person we saw at night. A vice principal is responsible for discipline and Mr. McGuire has treated us fairly; he is also responsible for the assemblies, activities, and special events which give a needed dimension to education, and he has given us a great deal. For this, we thank him.
LECAMI STAFF

A handful of industrious students undertook a difficult task this past year— to give you the best Lecami ever! As you glance through this yearbook we know you will agree with us and recall some of the moments we have captured there for you. Many memories can be found in this yearbook; we sincerely hope you find as much enjoyment pressed between these pages as we had creating them.

GOOD-BYE
LIETZ HONORED FOR COURAGEOUS EFFORT (?

Oh, you shouldn't have!

The past four years have proved to be a trying and sometimes harrowing experience for "Baron Von" Lietz as the Senior class advisor. Under the cautious eye of this fearless leader many activities (not all good) have taken place and honors won.

You've taken a lot of harassment from the Class of '76 Mr. Lietz (fortunately you only heard half of it). We'll always remember you Mr. Lietz, whenever we watch a soap opera or open a box of chocolates.

Seriously, Mr. Lietz none of our accomplishments would have been possible if it weren't for your expert advice, aid and cooperation. Although we haven't always shown it we are really grateful. To show our appreciation the Class of '76 would like to dedicate this page to you and all your work.

What's a friendly pie in the face from someone who admires you?

It must be a chocolate smear!

"No Goal is Too High if We Proceed with Care and Caution" was the theme of the Sophomore float, which won third place in the Autumn Leaf Parade. The Sophomores also made a nice, COOL profit for their class treasury by selling snowcones at Autumn Leaf.

Planning a spring tolo and a talent show were other projects tackled by the class. Despite their busy schedule the Sophs were still in high spirits with a lot of tickling and laughter.

"Petticoats and Nightgowns" was the scene at Leavenworth High School, as the Freshmen skipped merrily around the campus the day of their initiation.

The boys were dressed in petticoats and nylons, and the Senior boys made up the girls’ faces for a night’s sleep in their P.J.s.

Later, Seniors took their Freshmen slaves out to the baseball diamond for activities which included egg shampoos.

Amidst the sounds of silence (at least for awhile) Spirit Week started off with the Hush Days. However this did not stifle the vocal support of the fans attending the Girls Powder Puff Football Game on Monday night.

Wednesday the student body of LHS once again transformed into the spirit of the 50's, clad in pleated skirts, DA's and even roller skates. Thursday was Hillbillie Day followed that night by the Pep Rally and roaring hot bonfire. Which, much to the "phantom's" disgust was lit at the right time. Friday was Black and Red Day, when we boasted the school colors of the winning team that night, when our GRIZZLIES charged forth for a victory! Saturday night. Coronation and the dance. This was the big night when Queen Lisa was crowned, followed by the tapping feet at the Dance.
PEP RALLY
GOLDEN MEMORIES...

SILVER TEARS
Flowers, long flowing dresses, speeches and the nervous jitters were all a part of the exciting activities of the Homecoming Royalty of 1976. From the moment of suspense when our vibrant Queen Lisa was chosen until the last dance on Saturday night, the royalty did a fantastic job of fulfilling their roles and representing their classes and the entire school. Among the activities they took part in were the lighting of the bonfire, speeches at halftime, serving at the alumni's social hour, being the center of attention at the coronation and leading the way to the dance floor at the homecoming dance.

The "C" Squad Cheerleaders are from left to right: Vickie Martenson, Edie Finchum, and Kayla Dyment. These girls really did a great job in supporting the 9th grade basketball team. Their friendliness towards the other cheerleaders and their enthusiasm makes us proud to have them representing our school. L.H.S. really appreciates their efforts and thanks each of them.
We would like to thank from top to bottom: Robin Tupling, Becky Johnson, Shawna McClure and Laura Granger for their enthusiastic support of our Varsity basketball team. Besides showing their spirit at each game, they also made signs, organized dances, and had a "Come as You Are" breakfast for the Varsity players.

Top to bottom: We would like to thank Linda Gottschalk, Vickie Kehoe, and Kerri Franklin for their efforts in supporting the Junior Varsity basketball team. Their positive attitudes and enthusiasm boosted the spirit around school. They helped with pep assemblies, also held dances and did an over-all great job.
GIRLS' "A" SQUAD

GIRLS' "B" SQUAD

Shinguard, bruises, trepidation; Soccer '76 was flooded with SPIRIT! Working together we found a unity that only a team can have. Each one giving her best. Building up when others were down, striving to win even if it was 3-2, a minute to go.
Some young men have a desire to place themselves in situations where they are on their own responsibility and success or failure depends upon their own intelligence, skill, speed, and strength. This spirit of conquest, this desire for physical adventure is a normal heritage of a wrestler.
Monte, Kenny and Clayton made it to Regionals this year.

Representing LHS at this year's State Wrestling Tournament was Clayton Baumann. Congratulations!

VOLLEYBALL

This year’s volleyball team coached by Judy Johnson, started out a little slack but came on like a spike after the season got underway. The 1976 squad consisted of 20 spirited girls who gave their best.
CLUBS
LETTERMEN'S CLUB

Starting off the year with a booth, in the Autumn Leaf festival, amidst the smell of corndogs and mustard, the L.H.S. Lettermen's Club has managed to keep busy all year. Comprised of athletes sporting a varsity letter, the club has also added to the atmosphere of our gym by sponsoring the making of league mascot cutouts, starring the GRIZZLY! Making money to help finance the newly purchased Universal Gym has also been one of their projects for the past two years. All and all the lettermen's club has been great in supporting school spirit and pride!
Pep Officers, front-back: Treas. Vicki Martensen, Sec. Linda Gottschalk, V.P. Laura Granger, Pres. Marggie Sweat

Advisor Miss Ornlof

Under the leadership of President Marggie Sweat the Pep Club has been involved in many different activities. They kicked off the school year by getting into the swing of football. The girls acted as guardian angels supporting the fellas with goodies and encouragement. To top off the season, they held a potluck dinner for the Mighty Grizzly Squad. But their enthusiasm didn't stop there. It kept right on going throughout the rest of the year in the form of posters, button making and selling and vocal support at the games.

KARI REIGNS WITH A WARM SMILE

This year's Winter Pageant was a beautiful one, with five girls participating, they were: Lynn Covert, Cindy Johnson, Colleen Norman, Sherry Britt and Kari Koenig. Each of these girls gave a prepared speech and was asked to respond to an impromptu question. Strupper (Pauline Watson), Master of Ceremonies Bob Sombardo, and not to mention the howling dog added a spark to the coronation.
FACULTY & STAFF
Past traditions, so deeply embedded in our daily school life, should be recognized as a part of everyone's heritage as we celebrate the 200th birthday of our great nation.

The 1975-1976 school year should be remembered as a period of time in which many changes in our educational programs occurred as a result of community support and interest in today's youth.  

R.W. Tupling

ADMINISTRATION

Ed McGuire

The 1975-1976 school year will be remembered as the year with the goal of "positive attitudes". We have the makings of an outstanding program — pride, effort, attitude and involvement by students, faculty and community will be most important to continue what we have started — developing a traditionally excellent school.

The Bicentennial year should be a wonderful and educational memory — make the most of it for you and your classmates — something to remember in 10 years. A salute to the Class of "76" and Leavenworth High School.

Sports, activities and clubs are certainly exciting parts of school life, but can anyone forget that we spend one hundred eighty-eight days a year, six hours a day in the classroom (we are supposed to be there anyway).

Some will groan and say, "I wish I could forget," but others who have enjoyed the variety which Leavenworth High offers might smile as they remember Mr. Stroup's tall tales, or the way Mr. Lietz hustled chocolate in World Affairs, or that Miss Johnson could really cook.

Leavenworth is truly a comprehensive high school; the classes cover a wide range of subjects. The basics - English, math, history, science - are well represented, and other classes like shop, crafts, business, home ec, and p.e. provide a well rounded curriculum. But Leavenworth goes a step farther with aviation, outdoor recreation, carpentry, psychology, bachelor living, creative writing . . . well, the list goes on.

No, we shouldn't groan about the classes. We should remember the airplane we built, the four-course meal we cooked, the macrame wall-hanging we made, the frog we dissected, taking a geometry test, performing chemistry experiments, writing a short story, finding out about Russia, folk dancing in the gym . . .
