Page 8-9 - The honorary Puma ANNUAL STAFF. Without them, this masterpiece wouldn't be here for you to admire. Missing the deadline more than once, learning what copy, cropping, etc., mean, making "ladders" and layouts - they learned a lot while amusing everyone.

Page 10 - Yay Cougars! Cheering and yelling the PEP CLUB supported us with signs and stamina as we strived for state.

Page 11 - Our brave, fearless leaders - they pulled us through fat and skinny, puny and humongous times...

Page 12 - The BOYS and GIRLS LETTER CLUBS. What a bunch of jocks! They were the rowdies we could never mellow out. Their minds drifted from field to court to track and diamond.

The Peshastin-Dryden sports year has come to an end ...

Our football team, coached by John Sanford, made a phenomenal debut on their newly lighted field. For their '78 season they captured a well deserved 2nd place in league standings.

Coach Peterson's volleyball team rounded out the season with a 5 and 7 season record. The girls took the first team to district volleyball this year.

The boy's basketball team, gave Coach Smick his first 100 wins for his 78-79 season. The team received 2nd in league standings to rival Kittitas, and after that made an outstanding performance at district.

Coach Bullis' Beauties placed 3rd in league and brought home a second place trophy from Waterville's district tournament. This qualified them for the State Games at Whitworth College in Spokane.

The baseball team coached by Thies and Burnett took league honors, then captured district from Brewster. The Cougars then returned to Recreation Park for Regionals.

Our softball team really enjoyed their '79 season of second year existence. They completed their season by beating the excellent Waterville competitor by a score of 11-9.

P-D's admirable track team made quite a showing at both the league meet and sub-district. 12 people were continuing participants in the district meet in Cashmere, four proceeded on to state.

All in all the season of sports was spectacular ...
