George Kapral came to the Peshastin School District in September, 1950. From '51 - '52 to '66 - '67 he coached a highly successful basketball team. He took the teams to the state "B" tournament four years in a row; a record which has not been beaten in our school to this day. He also coached baseball and football. In his long teaching record, which included 5th, 7th, and the high school grades in the Peshastin and Peshastin-Dryden District, are: Arts & Crafts, Drivers' Education, Geography, Health, Mechanical Drawing, Physical Education, Washington State History, and Wood Shop. Mr. Kapral retired at the end of the 1979-80 school year after 30 years of great work.

His presence in the wood shop will be greatly missed. So long, Mr. Kapral; we're gonna miss you.

DEDICATION
THE MAINTENANCE MAGICIAN

Loren Hills was employed by the Peshastin School District in 1950 as janitor. Several years later he held a long position as bus driver. He was placed in charge of maintenance and transportation; the position he held until the end of the 79-80 school year. Mr. Hills retired after 30 years of dedicated work at keeping this school together.
His presence in that bus garage will be greatly missed. So long, Mr. Hills; we're gonna miss you, too.

Ode To Miles Standish

When Karin writes her greatest views,
She's under the influence of a bottle of booze.
Cyndi's stories are short and sweet,
So she has time to get something to eat.
Rona's tales got good reviews,
Even though they didn't have much news.
Lloyd's specialty is writing about sports,
Especially Aaron, one of his favorite cohorts.
Mr. Davis looks quite outlandish,
Perhaps he came on the Mayflower with Miles Standish.
Lisa's poll taking was quite a feat,
Considering she did them while glued to her seat.
Brian's editorials are long and boring,
When you read them, you end up snoring.
Sonia's articles are delicate and fine,
Even though they're never on time.
