"The Crew" Bids Farewell

The "Awesome Crew of '82" was led by Ben Sandford, Valedictorian, and Mary Arakelian, Salutatorian on May 27, 1982. They said goodbye to Leavenworth High School as they graduated after 13 long, hard years.
Torch Members and 12-Year Seniors

Drill Team at L.H.S.: New Entertainment

L.H.S. got a new club this year, and we should be proud of it. It's the newly established Drill Team. The eight girls performed at half time at many of the home games. They performed many different routines, and gave all the spectators a great new form of half time entertainment. Mr. Rick McCulley advised the girls and helped them get their acts together. Bake sales were held to help them pay for their outfits.

Pictured above, l to r — J. Chrisman, R. Maki, S. Waisdorff, N. Acoba, J. Waters, M. Arakelian, K. Stutesman, & C. Krakovsky. These eight girls competed locally for the Junior Miss title.

This year's Junior Miss was Mary Arakelian. Mary got 4th in state competition, which was held in Pullman, WA. She received 2nd in the Kraft Hostess contest. Judging was based on poise and appearance, physical fitness, and talent.
Leaders in Spirit and Academics

Clubs Promote Learning Experience at L.H.S.

The Future Business Leaders of America here at LHS took over the concessions at home games and became famous on campus for “pulling through in the clutch” with candy available at lunch time. They also organized a special American Spirit Day for all to partake in.

The Inter-High members met with other Caribou schools to create better relations between schools and get new ideas for leadership and spirit within our own LHS!
The Lecapi Club this year was small, but still produced an excellent yearbook. They worked mostly on their own time either after school, or on weekends. The co-editors, Jessica Chrisman and Ken West, got a class set up for the two of them and also worked very hard, but didn't receive their just rewards.

The goal of this year's club was to not make their debt any larger, and try to pay off some of the debt from years past.

Putting out a yearbook is a large task, and is not nearly as easy as one may think, especially with developing and printing your own pictures.

ASB Pays Debts

Student Government holds quite a bit of responsibility and takes much time and effort. ASB Officers kept busy all year long keeping things running smoothly. Under the control of ASB President Ken West, Vice President Suzie Parton, Secretary Brenda Riggs, and Treasurer Mary Arakelian everything ran quite well.

Pictured from top to bottom: Student Council members front row, left to right — K. Vandegrift, J. Chrisman, S. Parton, L. Hall, S. Walsdorf, K. Pfister, J. Johnson. Top row — D. Dickinson, C. Guy, S. Senior Class Officers left to right — Secretary Diane Dickinson, Treasurer Tami LaFrance, Vice President Thom Kirkpatrick, and President Leeré Brooks.
Leadership '81-'82

"On to Sequim Bay!" the students roared, and the bus was on it's way. This was August 9th, the first of four days the Leavenworth Leadership group would be together learning how to identify and use their leadership abilities. As they arrived, cabins were assigned and they were split into their designated groups for classes. So much happened in those four short days that many may have already forgotten some of them. Accompanying the students were teachers: Mr. Koch, Mr. Fromm, Mr. Willsey and Mr. Larson. Also we had a special guest, Mr. Ron Worley, who brought with him a representative from the Pacific Institute of self awareness.

Classes were taught by Judy Kuhn that very much helped the whole group. One night everyone went to the beach and some ventured into Sequim to shop and to visit the Olympic Game Farm. On the last night there were skits and new cheers were learned for the upcoming school year. On the way home, we stopped at Fort Casey for a look around. We all had a great time!
Musicians
Delight Listeners

The Music Department puts in many long hours, and performs at many LHS activities. Even though the band and choir are smaller than in past years, under the direction of Mr. Rick McCulley, they manage to produce quite a sound. The band can be seen early in the morning before school marching on the football field, and many choir members come in after school for extra practice. They perform in concerts, parades, and keep the pep at basketball and football games. Many people take the music department for granted, but without them we would be missing a big part of LHS.

Pictures clockwise from top: LHS Grizzly Band lines up for judging at Autumn leaf parade. Debbie Pulse holds Jennie Turnbull's music at packed Cashmere game. Band members John Dirkse, Shane Anderson, Gary Steiner and Julie Harrild busy in band class. Shane Anderson, Matt Turnbull, John Dirkse and Bill Callahan warming up.
The Drama Club, under the direction of Mrs. Wood, put on another entertaining production this year. The title attracted many spectators as well as the cast of highly acclaimed actors and actresses. Following the play awards were given to the cast and crew. Best Actor and Actress went to Tony Moran and Cecelia Krakovsky. Most Improved Actor and Actress went to Neval Harris and Lisa Thormahlen, and Best Crew Member was Matt Caemmerer.

The play consisted of three acts: "Harrison Bergeron," "Who Am I This Time," and "The Euphio Question."

Being the richest class in the school isn't an easy job to hold up. The Juniors, also known as "the greedy class of eighty three," started off the year on a selling binge and haven't let up yet. Such items from sweat shirts to nightgowns have been bringing in the bucks for Junior class officers: President — Shelley Taylor; Vice President — Debbie Malsam; Secretary — Lisa Brooks; and Treasurer — Lona Ward.

Assemblies, Assemblies, Assemblies!

Along with the many pep assemblies, we had the second annual American Spirit Day assembly, now a new tradition at LHS. The cheerleaders provided many spirit filled pep rallies with activities ranging from inner tube races to teachers undressing in sleeping bags. This year many students were given the chance to talk about their teams instead of the coaches. This brought a "unique" change to our pep assemblies.

Pictured clockwise from above: Charlie Dunn flashes a smile. Mr. Mausser and Mrs. Wood take it off. Tony Moran, Mike Rayfield, Nick Waters, Luke Finchum, and Doug Parton all "dressed up" at assembly.
Assemblies

Assemblies this past year have been excellent thanks to the cheerleaders and Ms. Housden. FBLA also put on an assembly for America Spirit Day. At which Caryn Evans, the foreign exchange student from Australia, gave a speech on how much more freedom there is in America. John Kagorge put on a slide show with the help of Charlie Dunn.

1982 was the first year that L.H.S. sent five wrestlers to the state tournament. At the tournament, held in Moses Lake, the team wrestled well and three team members placed.

Kevin Robinson placed 6th, Charlie Dunn captured 4th place, and Greg Tonge, after an excellent match ending in overtime lost, but brought home a 2nd place medal.

The L.H.S. Girls' basketball team experienced a disappointing season. Due to a few key losses, they just missed district playoffs, but Coach Cook, Coach Porter, and the girls are looking forward to a winning season next year.

The 1981-82 Basketball season was one to remember. The unpredictable Grizzlies dropped on few games, and had some key wins over tough teams like Tonasket and Chelan. The young Grizzly team ended the regular season with an 8-2 win-loss record in the league. The Grizzlies did a super job and are already looking forward to an awesome season next year.

At the banquet ending the season, awards were given to deserving team members. The awards were as follows: Co-Captains — Ron Worley (QB), Greg Tonge (FB) and Dean Malsam (RB) Inspirational — Dale Haaland (T) Coaches' Award — Perry Cook (TE) Best Back — Greg Tonge (FB) Best Lineman — Charlie Dunn (L.B)

"Bearly" Missed Playoffs

TENACITY was the word on the minds of all LHS during the 1981 Football season. With this “never give in” frame of mind, the Grizzlies proceeded to win 7 of 9 games, one of the best school records. Losing only to Cashmere and Ephrata, the team was in a possible play-off position: Tied with Omak and Okanogan for third place in the Caribou League. Following the last league game (and victory) against Lake Roosevelt, the players were told that Okanogan had beaten Cashmere and the Grizzlies were out of competition.

1981 Volleyball

1981 can be characterized as a year that we played inconsistently. At 4-6 league and 7-10 overall we were a team to be reckoned with, with only two teams to beat us badly. Our best games were against Cashmere where we fell to defeat in 3 games.

As a coach I was glad we won 7 games (which is the most an LHS team has ever won), but wasn’t satisfactory by our overall court play. We did, however, receive excellent play from our captains Susan Walsdorf and Linda Hall. We will miss our seniors, Susan Walsdorf, Regina Gay, and Cecelia Krakovsky in the 1982 season. Susan for her spikes, Cecelia for her all around play and Regina for clutch performances from the bench.

Missing the district playoffs by one game was a big disappointment for us but we will be back in “82.”

Midnight Storm Saves the Day

Winter Spirit Day was a chilly success thanks to a sudden snow storm the night before.

There were many events to keep everyone busy and plenty of warm doughnuts and cocoa to keep them in good spirits. The pep club made almost 400 doughnuts and provided the hot chocolate.

Some of the events were: frisbee golf, tug of war, igloo building, snow sculpture, and a snow shoeing/cross country relay race.

The sophomores were overall winners of Winter Spirit Day, and by the laughter and bright red noses, it seemed everyone had a wonderful, winterful day.

Pictured clockwise from top right: Traditionally, the seniors lose the annual tug of war. Scott McKinney, Alaskan architect, shows off his newest model. Mike Arakelian shows what muscle it takes to build a 3rd place sculpture.
Bad Bees Buzz Before Break

The night beginning Christmas vacation was celebrated with the Tolo this year. The band playing was the Bad Bees, and the Lair “buzzed” to the tunes of the “Rolling Stones,” “Loverboy,” and many other Top Ten hits.

The theme for Tolo 1981 coincided with the season and brought the Christmas spirit to many. the theme was “Walking in a Winter Wonderland,” and a decorated Christmas tree also added a holiday touch.

The coordinator from Student Council was Brenda Riggs, and with help from other members the Tolo was successful as a moneymaker for both the Student Council and the Senior class. The profits were split and both parties were pleased in the end.

Pictured from top left corner: After prompting from the rocking sound LHS students hit the floor. Loretta Edwards and Curt Porter rise to dance. Joel Vincent and his date enjoy the Bad Bees.
Tourists Invade Bavarian Village

On Friday, September 25, LHS students braced themselves for the annual Autumn Leaf Festival invasion. Classes set up their booths Saturday morning, awaiting the arrival of the many hungry tourists.

The Sophomores and Seniors, both selling corn on the cob, were highly competitive. The wealthy juniors joined Chamber of Commerce selling German sausages to add to their treasury, and the Freshmen got their first year of high school off to a good start, selling the old favorites, sno-cones & cotton candy.

What School Pride!

L.H.S. students abandoned all modesty and replaced it with lots of spirit. Each day, students would show their pride by dressing as cowboys, nurds, tourists, punk rockers, or in the traditional red and black. The Senior girls showed their stuff on Monday night as they stomped all over the inexperienced yet tough Juniors in the annual Powder Puff game. The Seniors had an impressive bonfire 'with a little help from their friends.' The royalty looked elegant as they spoke to the enormous crowd on Friday night. All those involved will never forget Homecoming '81.

Initiated for the Last Time?

Trying to follow the rules "just one more time," the 9th of September brought out all aggressions from the Seniors and all fears from the Freshmen of 1982. Lucky for the Freshmen the day was hot and sunny as they slowly stumbled onto campus donned in long underwear, garbage bags and boxer shorts.

As the day traditionally began the eager Freshmen performed exercises and were assigned their Senior masters. The "usual" feedings of sardines, strained beef, carrots were eaten. (This years Seniors were inventive in feeding the Freshmen Ex-Lax, which they ate unknowingly). During the lunch hour there was a wheel barrow race down Front St. that attracted many onlookers.
