In Memory of
Scot “Scooter” Slater

A Tribute to Scot
Our friend, brother, and son.

We knew you for your smile, your openness, and your frankness.
You were always there to lend a hand, or lunch money, or boost our spirits when we needed it.
You always had time to share a smile, or a trial, or just listen.
You were crazy in class, mischievous, full of hell, always had a plan, looking to do it.
You didn’t like to be ripped off by the administration, coaches, or anyone! We loved it. You were fair.
You were a boy growing into a young man.
You worked hard, had a plan, and achieved your goals.
You were going somewhere and knew it. You were our leader and we didn’t know it.
You had friends, they were everywhere, young and old.
You were respected, you gave from your heart.
You came, you touched us, you left... so soon?
We miss you! We love you! Scooter.
Late nights and the persistent dedication of our editors got the yearbook out. Despite a shortage of pictures, and no darkroom, we think we did a really good job. Working on the newspaper gave us all a chance to air our opinions.

At this time we would like to thank all of the people at The Echo, for helping us learn more about the newspaper process, Terry Loss for developing and printing our film.

We'd also like to give a special thanks to Mr. Cook for bearing with us, lifting our spirits and for just being an all around great advisor.

Mr. Koch has done a super job with the Letterman's Club this year. The club has been very supportive of our athletes here at Cascade High School.

A major project of the club this year was helping the Booster Club park cars at Autumn Leaf. In return, the Booster Club is purchasing all of the Letters and insignia for our Letterpersons.
AMERICAN GRAFFITTI

Foreign Language Club is divided into two divisions; Spanish; and French. Each Club has their own officers. There is also a group of officers in charge of the whole club. Mr. Farag is the club advisor. This year both clubs sang in a Christmas concert for the parents. The Foreign Language Club is planning to have a dinner with Foreign foods from Spain and France sometime this spring. They are also planning to invite Wenatchee and Cashmere’s Foreign Language Clubs to come down and sing and put on a play.

This year’s Art Club has helped out a lot in our school by painting the parking signs for Autumn Leaf, Christmas Lighting, and May fest. They also silk-screened the volleyball, football, and basketball schedules. Their future plans are to paint cartoon characters in the city pool.

THE UNIQUE BODY — BODY BUILDING AND WEIGHT LIFTING CHICKETTI’S CASHMERE JEWELERS
The Associated Student Body of Cascade High School enjoyed a very productive year. Under the leadership of President Melisa Dykes and Advisor Mr. Wilsley, the council accomplished many things. The canned food drive with Cashmere, which Cascade won, was a great success. The student council also sponsored the Tolo in March, along with making decisions about how to paint the new basketball floor and where to spend the students’ money. Mr. Wilsley and the rest of the returning members are looking forward to next year and continuing the high standard of leadership set by this year’s group.

"BEST WISHES IN THE FUTURE!" CASCADE FEED AND SUPPLY

This year FBLA had many fund-raising activities, they held a dance with a live band at the Peshastin Legion Hall, helped park cars during the Autumn Leaf Festival, they also got teachers to participate in a pie throwing contest, FBLA sold Kodiak bears and was quite successful. Mr. Cowles was their spirited advisor, with student leaders being Patty Crean, President, Randy Cowles, Vice Pres., Katrina Swanson, Secretary and Tania Tosbaker, Treasurer.

HEAVEN HELP US

With Mr. Douglass and Mr. Keim as their advisors, the Junior class has been busy this year trying to raise enough money to put on the upcoming Junior-Junior Prom. They've had a couple of bake sales, and they put on dances to make a profit, and all the money from these is for the prom. The Lip-sync contest being put on by the Juniors should bring in enough money for both Prom and Homecoming next fall.

VISION QUEST

The Cascade Kodiak wrestlers had their most successful season ever. They sent eight wrestlers to District, five of which moved on to Regionals. Four of those went to State Competition in Moses Lake. The success of the wrestlers was greatly due to the coaching staff, Head Coach Keith Koch and Asst. Coach Howard Cook. They encouraged the wrestlers to push themselves to the limit and to achieve their goals. The wrestlers put in long, hard practices every day. All their work and dedication really paid off.

The 1985 Cascade Kodiak Basketball team had a great deal of work cut out for them from the start of their season. The Kodiaks started out slow and built from their mistakes. The high point of the season was when the Kodiaks defeated the Tonasket Tigers in double overtime at home. When District came the Kodiaks were ready. They lost, but were not outplayed by the District Champs, Cashmere. To sum it up, it was a great effort throughout the whole season by the Kodiak boys.

SOME KIND OF HERO

The girls' basketball team had a very productive year lot of improvement. Freshmen Jennifer Saunders and Wei gained a lot of experience and will be able to help the Kodiaks in the future. Shannon Williams spent a lot of the season on the bench with a broken foot, but came back to help the team during the latter half of the season. Debbie Hingtgen, Kristin Wagoner and Jana Zediker will be back with valuable experience to lead the team in the 85-86 season. Year's senior players Terri Scott, Melisa Dykes, Gigi Freund, Gail Gagnon, Wendi Pulse, Tina Valentine, and Goehner fought back from many injuries to successfully finish their high school careers.

The 1985 Cascade Kodiaks experienced an up and down season this year. The team got off to a good start. The team was hitting the ball better than any team in the league. Towards the middle of the season, something happened and the bats didn’t come through when they needed to. The team didn’t score many runs because of it. The team learned a lot and set the stage for the younger guys to come on next year.

Leadership Camp was held at Lake Bonaparte near Tonasket. Daily sessions were held during the one week camp on goal setting, achieving those goals, and getting more people in the school involved. Some of the more memorable moments of leadership camp were swimming in the seaweed, putting a snake in Mr. McGregor's tent and a rock in his bed, taking clothes from people when they were in the outdoor showers, Todd Thrasher and Melisa Dykes displaying their underwear from the flagpole, learning about the third dimension from Townley and Tasker, going to Penticton and getting lost on the way home. (We were lost Mr. Koch!)

This year's Jr. Miss Pageant was a very exciting one. All of the candidates did an excellent job and the judges had a tough decision to make. Katrina Swanson was chosen as the new Jr. Miss. Kristen Wagoner is her princess and Jamie Trullt received the Spirit of Jr. Miss Award, an honor voted on by the candidates.

The 1985 Tolo was a night to remember. People dressed in everything from semi-formal to flashers. The theme this year was "Let's Go Crazy." The band was "Excitor."

— Senior Class Motto

The 1985 Graduation Ceremony was held on June 7, 1985 at 8:00 p.m. in the old gym at Cascade High School. The evening started off with an invocation given by Reverend Piula Ala’illika. Next senior class president, Tammy Korssjoen led the pledge of allegiance and welcomed friends and family. The class song is “Through the Years” by Kenny Rogers. The class flower a red rose was distributed to the senior girls and the boys were given matching boutonnieres. Teri Scott was elected class speaker and reminded us of the good and bad times we had shared as a class. Jennifer Turnbull was Valedictorian and asked “What’s Next?” Cynthia Goehner was Salutatorian. Richard R. Caemmerer, Jr. was guest speaker. Doreen Sikora, accompanied by Julie Dirksa sang a song entitled “Friends.” Bryce Townley, Board Chairman presented diplomas to the well deserving students of Cascade High School. The class marched out to the school fight song.

HOLD ON TO THE MOMENT

Single file and yet together,
We have shared our greatest days.
And we carry common memories
In different ways.
Though we don't know where we're going,
We will cherish where we've been.
I want to cry.
I want to shout . . .
Want to let this feeling out.
Hold on to the moment.
Let the feelings show.
Hold on to the moment.
Never let it go.
I can picture us together
With my arms around my friends.
Just let me hold on to the moment,
Before it ends.
There was laughter. There were tears,
Through the dozen golden years.
