Years from now when we look back on this book, it will be our memories. It will hold our friends and good times in this year forever.

The theme for this year's book is Bookends because, in a way, we are the books and our years at Cascade High School are our bookends. They keep us all together and give us a common bond.
We, the Publications class of 1994-95, would like to dedicate this year's annual to the past and present custodial staff of Cascade High School. We decided that our custodians, Eric Orteg, Joe Bissonette, and Ron Oerman don't get recognized nearly enough. We also thought that this would be the perfect way to acknowledge them, and their contributions to our school. Thank you for your time, guys!! We really appreciate it.

IT'S HARD WORK, BUT SOMEBODY HAS TO DO IT!

"The janitors do a very good job and are very helpful in assisting the students." -Rachel Hufman
"They have a hard job and are able to do it in the best way they know how." -Brian Picchi
"Without them our school would be trashed. I take pride in our school because it's clean." -Kelly Bolser
"I've been in one of the cleanest schools for the past four years and I have thoroughly enjoyed that aspect of our school." -Nick McMillan
"Joe, Eric, and Dan are the coolest people I know." -Jarrod Fenner
"Ditto." -Jesse Olson
"For the amount of work that needs to be done and the manpower we have, they do a pretty darn good job." -Mr. Brunelle

"I am very pleased with the quality of our staff at Cascade High School and feel that we have been able to attract remarkably talented new people in the last few years. The support and encouragement of students is an important factor in making this a positive work environment for both new and returning teachers."

Dr. Marilynn Baker
Superintendent

"The 1994-95 school year has been one of excitement and opportunities. The students of Cascade High School have showed positive leadership to face problems as they raise and grasp the potential that lays ahead for them. Thanks for a great year."

Dear Tricia,
You have arrived at a major crossroad in your life. Congratulations! The most important thing to remember is that it is your life, and you now have the fundamentals to do anything you desire. Reach for the sky and never stop!

Love, Mom and Dad

Dear Jack,
Although it hasn't been easy—you've fought all the way and come through victorious. Today you've achieved your goal and given us happiness, love, and much pride.

Love,
Mom, Dad, Grams, and Papa

Kelly Bolser,
We're so proud of you, and we thank God for the day you came into our lives.

Mom & Dad

Troy,
Thank you for helping me make my Pinewood Derby car and I won! Thank you for being a cool brother. Thank you for helping me make gingerbread houses and sell them. Thank you for helping me understand where my true duty lies. Thank you for being a strong, loyal, hardworking example for your older sister.

Love,
Mom, Windy, Ricky, Tiffiny, and Lucus

To Harley--
Be cool out there. Life is what you make it. I love you. Dad.

Kodiak girls...practice a start.

To say the least, the Cross Country season was an interesting experience. This year there was a full male team and three female runners who brought several different points of view. The team, both boys and girls, became much like a family in many ways. We had our amount of hissy fits (generally the under-classmen), but it didn’t take us long to kiss and make-up. It was interesting to see how others prepared for the coming race. Some of us started preparing for races on Friday by missing an away football game and going to bed early to maximize our performance for the following day. On the day of the race these people would eat healthy in the morning, get focused on the bus ride and continue until the race. Then there are those who support the football players at away games and don’t get much sleep. They eat Sausage Biscuits at McDonald’s the morning before the race and then they listen to their rap on the bus ride, but if it works for them, I hope they keep doing it.

This year the much improved, hard worker, junior Forrest Griek and senior Brett Fromm, earned a trip to the State Cross Country Championships in Pasco. It was Forrest’s first trip and a learning experience for him. Brett participated the two years prior and was ready to explode on his third...but that didn’t quite happen. Griek will hopefully make the trip back to Pasco and challenge State Champion Hector Rodriguez and teammate Torin Koos.

58 • Varsity Volleyball
The Cascade Kodiak Volleyball teams had an outstanding season and broke almost every record. Compared to last year's win/loss record of 2-6, placing the team in 7th place, this year's uplifting record of 5-3 placed the team 4th in league.

"We've spent the last two years working on our ability to get the first pass up, so that we can make play." And the girls did just that by getting 85% of their passes up. The team also improved enormously on their digging skills, which ended up at 68%. All of this improvement resulted in 377 kills and 1475 hits.

The Kodiak Girls made it to Districts this season the first time since 1988. This season, two Kodiak volleyball players were honored by the Caribou Trail League. Megan Franza was voted All-League First Team and Marni McGregor was selected as All-League Honorable Mention. Megan Franza was also voted Most Valuable Player, while Kelly Bolser, was selected as Most Improved. Most Inspirational was given to Jenny Peek. Katy Roberts won the Pride Ball Hustle Award, and Kelly Jones received the Coaches Award.

The Cascade girl's soccer team had a building season this year. There was a new head coach, new system of play, and many new players. It was also a very young team, with no seniors.

The season started out very tough. The first month of play was against the top teams in the league with games three days a week, but the Kodiaks ended the season strong by working as a team. The Cascade soccer team also won the WIAA Academic Award for the highest GPA.

Individuals also made many spectacular achievements. As a Sophmore, Mykla Anderson was voted onto the first team All-League in the Mid-Valley League. Tove Pashkowski was voted onto the secon team, and Emilie Moreshead was given an Honorable Mention for her efforts. The Kodiak soccer team is looking forward to next year with the experience they gained from this season.

This was the Cascade Junior Varsity soccer team's second year playing in the Mid-Valley soccer league. With only two returning players from last year, their 6-5 record made for an exciting season. As a team they improved steadily, developing their skills, team tactics and successfully competing in organized games. They showed an ability and willingness to accept the challenges presented when you playing in the very competitive A and AA girls soccer league. With players like these we can look forward to having successful and rousing soccer games. -Coach Smith

Top row, left to right: Jack Burpee, Brian Spencer-Avellar, Kirk Ising, Mike Raggio, Todd McDevitt, Jason Lang, Taylor Morrison, and Jeremy Force.

The 1994 Kodiak football team will rank with the best teams Cascade High School has had since the consolidation in 1983. For the second year in a row they captured the CTL championship and District title, highlighted by a sweep of Cashmere and Quincy in a mini-playoff. The Kodiak's great season ended with a disappointing loss to Riverview in the first round of the state playoffs.

The Kodiaks set several team and personal records, including a 75 point scoring outburst against the Chelan Goats. The Kodiaks averaged 50 points per game while giving up only 14.6 points per game. Jeremy Force set a single season scoring record with 145 and tied the single game touchdown record with five. Todd McDevitt will join his brother, Matthew, at the top of the Kodiaks all-time receiving charts. Todd also hauled in nine touchdown catches throughout the year.

When asked to reflect on the '94 season, Coach McMillan spoke fondly of the seniors and their four years in the program. Coach McMillan felt that the seniors were an important part of two straight CTL and district championship teams and could look back at their football careers with pride. Coach should look back with pride also, as he was voted CTL coach of the year, for the second year.

4-4 The individuals on the J.V. team worked hard improving techniques and should be ready to fill some major Varsity roles next year. A lot of experience gained this year was during Varsity games, when the second and third strings played for most of the second half. The J.V. team has a lot to be proud of, and a lot to look forward to.
Homecoming's theme this year was "Another Week in Paradise," and it was as close to paradise as you can get in school! There was hardly time for breathing in a week packed with activities.

Kicking off the week was Clash day and Powder Puff Football. The Juniors had fun beating the Seniors that night. Tuesday was PJ day. That evening, the Juniors blocked the Seniors from a win in Power Puff Volleyball. Wednesday we were seeing double on Twin day. Coronation was that evening and the classes competed in skits, cheers, run-through signs, and cakes. The Homecoming royalty was also crowned.

Thursday was Farmer John day, tug-o-war, and the Bonfire/Pep Rally. At the bonfire, the results were revealed on who won the Spirit Trophy. Dress-up day results: Seniors 1st, Freshmen 2nd, Sophomores 3rd, Juniors 4th. Cake results: Seniors 1st, Sophomores 2nd, Freshmen 3rd, Juniors 4th. Run-through sign: Seniors 1st, Sophomores 2nd, Freshmen 3rd, Juniors 4th. Skits: Seniors 1st, Freshmen 2nd, Juniors 3rd, Sophomores 4th. Cheer: Juniors 1st, Freshmen 2nd, Seniors 3rd, Sophomores 4th. Trophy results: Seniors 1st, Freshmen 2nd, Juniors 3rd, Sophomores 4th. Friday was the traditional red and grey day. Cascade smothered Tonasket that night with a score of 48-20. The next night the dance finally arrived. The theme was "Caribbean Fantasy", but it was more of a celebration of a great season and week!!

The Kodiaks had another successful winter season in both wrestling and basketball.

Cascade had four wrestlers—Woody Gibbs, Cameron Smith, Brian Koch, and Sam Baird take District Championships. They also had two others advance to Regionals, with Rusty Gibbs taking 2nd and Jeremy Thompson at 3rd. Ephron Escobedo went as an alternate. From there, Brian Koch and Cameron Smith went to State where they took 6th and 4th respectively. In Basketball, the boys once again edged out #2 Chelan to go to State as the 2nd seed in the CTL. The Girls came off a triumphant 20-0 season into Districts, where they incurred their first loss to Omak. The Girls rallied back and beat Liberty Bell for the 2nd seed to State.

CHAMPIONS!

The Lady Kodiaks completed a record-setting 1994-1995 season with a trip to the Tacoma Dome for the State A Championships. The team broke an eight year record by opening the season with 20 straight wins. The Lady Kodiaks marched through the Caribou Trail League unbeaten, capturing first place and marking the first time in Cascade history a team had accomplished this feat. The team defeated their league opponents by an average score of 68 to 47. The Kodiaks lost their first game against Omak in District 6 playoffs but bounced back, defeating Cashmere, Okanogan and Liberty Bell to earn the second berth to state. At the Dome, the Lady Kodiaks compiled a 1 win, 2 loss record, defeating Mt. Baker in overtime.

The girls played hard, fighting back in the fourth quarter of each game. The team finished the season with a 24-3 record, tying the second-best single season record.

Team captain Rebecca Gransbury provided the leadership needed to complete a successful season. Laura Stirling was voted Most Inspirational. Becky Franza and Emilie Moeshead were chosen as the Most Improved Players.

Megan Franza was voted to the First Team All Caribou League and All Tournament teams. Lyndy Burgess and Emilie Moeshead were voted to the Second All Caribou team and Marni McGregor was Honorable Mention.

This year's boys basketball season started with several unanswered questions—Mainly how to replace last year's seniors. In conclusion, the team did replace those players, and achieved at a remarkable rate—21-8 and 6th place in the state tournament. This once again left the question how will we replace our seniors in 1995-1996. Not only did the team earn 6th in state, but earned 3rd in League and 2nd in districts. Among a myriad of individual honors received by team members, Junior Ryan Hansen's State Tournament MVP Award was the crowning jewel.

This year's Junior Varsity and C Squad teams both had strength. Through winning seasons, both teams gained the needed experience in an effort to carry on Cascade High School's rich basketball tradition. Coach Jim Furman felt that the Junior Varsity program gained a lot by being part of a winning Varsity program. Furman also hoped that the younger players could fill the vacancies left by this year's seniors, by saying, "Depending on the amount of work each player puts in during the off season, any number of kids could fit into those roles."

"It's always exciting to start a new job in a new school. We've had our share of events to add to the excitement this year, too. We took most of the first quarter getting to know each other and sent 18 members to the North Central Washington Honor choir. In December, the Select Choir wore me out (and their voices) singing at seven performances. Talk about excitement...Elvis sang with us! We also proved that we can cook as well as we can sing. However, I think I can still smell chili in the Choir room. In January, eleven of the Select Choir members traveled to Cheney for the E.W.U. Honor Choruses. This event proved even more memorable than planned when an ice storm hit Spokane on the day we left for home. Kelly Bolser pushed the Stress-o-Meter off the scale when she screamed "We're all gonna die!!" I think my husband and I added a few gray hairs that day. The concert choir has learned to fill up the room with sound. I'm still waiting for them to raise the rafters (not hang from them) with beautiful music. This group keeps surprising me with their improvement. I hope they will keep exceeding my expectations!"

-Ms. Conrad

"What a change! Starting over again after teaching for sixteen years in Alaska and eight more in Idaho. It's always especially difficult for the students to have a new director move in, but, fortunately, most have been very understanding and have helped to make the transition go smoothly. I think we have weathered that storm fairly well.

The year jumped off a little quicker than I wanted with pep band performances the first week of school after only two rehearsals and following up with the Autumn Leaf Festival and parade the third week. Fortunately, we got through the first couple of months without any major wrecks and have been able to put things in a little more orderly fashion.

The Christmas program went well and seemed to be well-received by the public. What was more important is the fact that the groups seemed quite pleased with what they had accomplished and so was their director.

It's also been very helpful to have some of the "older" teachers such as Mr. Stroup and Mr. McMillan to help guide some of us younger staff members in the right direction."

The Publications Class works hard to put together the yearbook and each edition of the newspaper for the school. Each CHS Press and yearbook page is carefully laid out, checked, and revised by students and editors. Each student has a specific job and our goal as a class is to give you, the student body, a good quality yearbook that you will enjoy and be pleased with. We hope to delight you with this year's annual.

The Steel Magnolias cast calls
This year the Actors' Guild was very busy with the undertaking of two plays. "Steel Magnolias" and "Rebel Without a Cause" were unforgettable performances, especially for the twelve seniors who will remember these as the last and greatest plays. Although they will be missed the group is looking forward to next year's performances. With the help of director Tracy Shaw, the Thespians took some scenes from the two plays to the WATE Conference this spring. The conference allows the young actors to further their education in the field of acting.

92 • Academic Teams
This is the second season for academic teams at Cascade. The returning competitions are Knowledge Bowl, Science Bowl, JETS (Junior Engineering Technical Society), Science Olympiad, Math Team, Academic Decathlon, and Envirothon. This creates a great foundation for more achievements. The only new team this year is Debate Team (Forensics). It is off to a great start, for an inexperienced team.

Each competition is composed of different subjects as well as procedures:

Academic Decathlon is a ten event competition that consists of tests, speeches, an essay, an interview, and a Super Quiz on mathematics, science, economics, language and literature, social sciences, and fine arts.

Knowledge Bowl consists of Trivia questions. Competition takes place in both timed “buzzer” rounds and group solution to set problems.

Envirothon is based on creative problem-solving concerning the environment. Original ideas from factual backgrounds produce the best results.

JETS is a problem-solving competition which includes math, science, computers, and engineering. The questions are based on real world problems.

Science Bowl follows the same format as Knowledge Bowl, yet the questions focus on science, math, and computers.

Science Olympiad focuses on the practical aspects of technology and engineering.

Math Team focuses on mathematical problem solving, participating as a team and as individuals.

Debate Team competes individually and in small groups. Competitions are based on speeches, debates, cross-examination, impromptu speeches, and interpretation.

“Cascade High School Academic Competition teams provide an opportunity for students to excel in the academic arena. Furthermore, students will gain a sense of value from direct competition against students from other high schools in the region and state. Lastly, students will gain comradeship and teamwork values that will provide a springboard into adult interactions.”

The Discovery Program, located at the Leavenworth Fish Hatchery, takes a different approach to learning. Kids tend to go there because it offers them a chance to choose what they learn. It also provides them with the opportunity to work at their own pace and to have more individual attention. Although the program has only existed for two years it has already proven itself as a great opportunity.
LEADERSHIP CLUB

Top row, left to right: Brooke Dayton, Monique Donovan, Katy Roberts, Lisa Arakelian, Nicole Custer, Tricia Terhaar, Mr. Johnson, and Becky Gransbury. Second row, left to right: Joanna Gage, Nikki Kiehn, Laura Stirling, Jennifer Bradshaw, Sadie Strawn, Jamie Johnson, Cally Worrell, Angela Neitzel, Becky Dahlstedt, and Aviva Nelson. Third row, left to right: Emily Jones, Megan Franz, Allison Fender, Heidi Goehner, Rachel Huffman, Elizabeth Miller, Doug Craig, and Doug Beard. Front Row, left to right: Amy Murray, Annie Larsen, Bryn McConnell, Becca Darlington, Kate Clayton, Katie Boyd, Malia Duffy, Lance Ballew, Forrest Griek, and Beau Terhaar.

Leadership Club was very busy again this year, under the leadership of President Doug Craig and Vice President Kate Clayton. Because of the fires, there was no leadership camp, but the members still worked hard on projects such as Adopt-a-Kid, Highway clean-ups, Parent’s Night Out, and funding dances.

CLUB E.A.R.T.H.

Club E.A.R.T.H. spent the year recycling cans, adopting manatees, cleaning a section of the road up on Steven's pass, and watching whales. This year’s club was small, but just as active, thanks to advisor, Mr. Wadlington. Club E.A.R.T.H. devotes it’s time to saving the environment, and making earth a respectable place for all species to live.

Executive officers, from left to right: President Jessica Crutchfield, Treasurer/Secretary Jarrod Fenner, and V.P. Doug Craig.

Left to right: Kirsten Helseth, Jarrod Fenner, Angela Neitzel, Doug Craig, Nick McMillan, Brian Picchi, and Stein Christopher.
The Future Business Leaders of America is one of the few clubs with a very active fundraiser. The club runs the school store, which provides money to attend the yearly state FBLA conference. This year, the store was dedicated in memory of the past advisor, Mr. Cowles. Although, the club does not have many active members, they hope to gain more with the increasing numbers of students in the school.

Honor Society

Honor Society requires a 3.0 GPA. The students have at least two bake sales a year which provide the members with a chance to go to the College Fair in Seattle. During the same trip they travel to the UW campus. It is a great club to have on your resume’. They are under the leadership of Ms. Powell.
COMIC BOOK CLUB

This year the Comic Book Club released Knights of Justice #3. This issue concludes the three issue series which was first released in Spring of 1992. Issue three is written by a new writer, Sophomore Josh Bellomo. Due to the large amount of new-comers, issue #3 was able to be written, drawn, and released in one year. It was also amazing to see how much better the Seniors and Juniors had become since their freshman year. Over all, everything went great and the group is looking forward to next year's new series.

Front row, left to right: Caleb DeMuth, Todd Smith, Efrain Gonzalez, Alan Vandegraff, and Jarrod Fenner (lying on everyone's laps). Back row, left to right: Cameron Smith, Dan McConnell, Josh Bellomo, Mat Lee, Jesse Olson, and that groovy cat Aaron McConnell. Not pictured: Amber Zimmerman, Kris Drolc, Trevor Ireland, Todd Furman and Mike Moser.

ART CLUB

The Art Club is not as much a club as an organization that supports the art classes' activities. The Art Club pays for entry fees at ESD Art shows and the Chelan County Fair. They also fund all field trips for the art classes. To raise this money the Art Club holds Bake Sales and puts on art shows.

Art Club Officers, left to right: Amber Zimmerman, Heather Eggleston, and Malia Duffy.

This year's Natural Helper's retreat was based on a different approach. The past Natural Helpers were re-joined again for another joyous reunion. The two day retreat consisted of trust games and self learning exercises to better our self motivation. The Natural Helpers learned many listening skills and how to deal with others and their problems. The retreat was a wonderful experience that everyone should get a chance to be involved with.

Group efforts help Nikki Kiehn be stuffed through a triangular hole without touching the wires.
