We the publications staff of 1995-96 have chosen to dedicate this yearbook to John M. Rieke. In one way or another he touched the lives of every student and staff member of our school.

The surprising news of Mr. Rieke's death affected a great number of people who had come to know and love him during his years in Leavenworth.

John Rieke and his daughter, Rachel, of Leavenworth embrace after she anchored Cascade's 4x400-meter relay victory Saturday at Yakima, helping the Kodiaks to the State Class A girls' title. Cashmere's boys were also state track champs. For details, see Sports, Page 15.

The Juniors girls had a great night as they beat the Senior girls. Tuesday was Costume day and also Power Puff Volleyball where the Senior guys had a 3-2 victory over the Juniors. Wednesday was Disco day and Cornation was held that night. The classes competed in skits, run-through signs, and cakes. The Homecoming Royalty were also crowned. Thursday was Dooms day, the tug-o-war, and the bonfire/pep rally. At the bonfire the results of spirit week were announced.

Varsity Boys’ Basketball

This year’s basketball team got off to a late start as most of the basketball team was playing football, while the other teams in the Caribou Trail League were several weeks into their schedules. As the season progressed the Kodiaks gradually caught up and established themselves as a team to be reckoned with.

The Kodiaks entered the District Tournament tied for fourth place and was hoping to return to the State Tournament for a third consecutive year. A point loss in Cascade’s final district game kept the Kodiaks from the qualifying round and shortened what was hoped to be a season that would end in Tacoma.

Once again it will be hard to fill the shoes of the Seniors. The dedication and hustle of this group is hard to measure. The state record 2,411 career points of Ryan Hansen will not be soon forgotten. To these Seniors a heart felt thanks for their loyalty and hard work. To the younger players - It's time to get back to work. We need to lengthen our season.

This was a season of improvement for the "C" squad basketball team. Team defense and improvement in individual roles helped the team to a winning record of 12 wins and 7 losses. The players can be proud that they beat every team they played at least once.

The hardwork and effort that these players put forward is something they can be proud of. Cascade fans have a lot to look forward to form this group.

Senior Cameron Smith won his third straight district title this season at 178 lbs.

Four years ago as a wrestling coach toward the end of the season, I made a statement with this group of young wrestlers. "We will build one of the strongest foundations for wrestling in our school's history." As the years pass, this group of seniors and I stand by that statement. This past year we were 2nd in League, 3rd in Districts, 3rd in Regionals, and 5th in State. The team also were the Academic State Champions. The leaders of this grand march were: Junior Sam Baird 3rd in State, Senior Matt Flack 4th in State, Senior Cameron Smith 3rd time District champ, 2 time Regional champ, and 3rd in State with a 27-1 record, and Brian Koch a 3 time District champ, 2 time Regional champ, and 1st in State with a 29-1 record. This group was tabbed by many as the Fabulous Final Four. These four wrestlers have set the standard of excellence for our future wrestlers at CHS.-Coach Keith Koch

Senior Brian Koch uses the underhook in route to winning the ohn Seagle Memorial Tournament.

Freshmen Travis West wins after a 1st round pin.
Wrestlers Place 5th in State

The experience this years wrestling team had at state was one to remember. All four wrestlers Seniors Brian Koch at 215, Cameron Smith at 178, Matt Flack at 190, and Junior Sam Baird at heavyweight had a great tournament. Each one experienced a different feeling and at the same time, all of them were in awe of the giant crowd.

From a top seat in the Tacoma Dome you can watch all 18 mats at the State Tournament.

“The largest crowd we wrestled in front of before districts was a couple hundred people. At the state finals there were around 25,000. You can’t help, but feel the adrenaline rush.”

THE Write Stuff

This year the school newspaper has had a slow start because of lack of equipment. We are picking up the pace now though, so we can make up for lost time. Everybody is learning and realizing how much work it really is. We hope the student body appreciates the paper because we try our hardest.

Band Director Mr. Les Snyder

As usual the 95-96 Music year started off with a whistle and bang with pep band the first week of school and the Autumn Leaf Parade soon after.

The program is making steady improvement in all areas with more to come. Busy busy with 40 plus performances for the year.

These things can be successful only when there are good students to work with and this year we are fortunate to have strong people in all sections.

Choir Director Ms. Anne Conrad

This has been a year of many changes in the choral music program. Changes which will probably will make this one of the more memorable years. First the program added a Show Choir which braved the cold and dark to rehearse at 7:07 AM three times a week. Then the two high school choirs became Treble and Bass choirs. Our guys are the ones in the full dress tails.

Of course that didn’t make the year nearly as memorable as the disappearing choir teacher. Mrs. C couldn’t do anything the easy way so she ended up with a pregancy that kept everyone on the edge of their seats and wondering day to day who the teacher would be.

Kirsten Helseth earned All State Choir as an Alto I. We also sent 12 students to Eastern Honor Chorus in January.

Cascade Treble Chorus dreams of coed choir classes.

Even with a sub the Bass Clef choir keeps on singing.

Academic Excellence

Each year the teachers of Cascade High School choose the students who have excelled in the areas of their teaching. The awards given to those students are to symbolize their effort, hard work, and determination. For everyone who received an award, great job, and keep up the hard work. Also, try harder for next year, keep the competition alive.
