Years of Dedication Honored

We, the Publication Staff of 1999-2000, have chosen to dedicate this yearbook to retiring teachers Jim Furman and Lanny Willman. Throughout their many years of service, both of these men have had a positive impact on the students and staff of Cascade High School.

Jim Furman first began teaching in the Cascade School District in 1980. Through the years he has taught Spanish and Math at CHS, coached J.V. girls and boys basketball for the Kodiaks, coached middle school football, and finally, developed an extremely successful tennis program for both girls and boys.

Lanny Willman came to our school in 1989 to teach English and, later, History. Mr. Willman also coached middle school football and developed a competitive baseball program at CHS.

Both men have donated a tremendous amount of time to the students and programs of our school. They’ve done this with a style and courtesy that is to be commended. The student body extends a very warm thank you and we wish them the best of luck in the coming years.

Cross Country

It’s all about “Tight Bonding”

The overall season of both cross-country teams can be summed up in two words, “Tight Bonding.” The practices, races and of course spagetti feeds were filled with those two words.

For those of you who are unfamiliar with “Tight Bonding,” seniors Colt Hansen and Danielle Peck might be able to enlighten you. To Colt Hansen, “Tight Bonding” is when I’m not in cross country, but I still feel like I’m part of the girls’ team.” Danielle replied, “To me, Tight Bonding” is when the team is very close together.”

At Districts this year, evidence of “Tight Bonding” was seen through the girls’ team. Each member pulled their weight in order to place second at Districts and go on to State. At the State Tournament the girls team again came together to place 4th overall, including a 14th finish by senior Danielle Peck.

This season the boys’ team experienced “Tight Bonding” in another way. They had a lot of fun throughout the season and many are looking forward to next season.

Six seniors will be missed next year: Danielle Peck and Rebecca Rumann from the girls team, and from the boys team, Jeff Stroup, Jason Paul, Ben English, and Sam Zega.

The award winners for this season were: “Most Improved” received by Samantha Cox and Nathan English; “Most Inspirational” went to Rebecca Rumann and Joe Grieb; Kyle Bergren and Jeff Stroup were awarded “Most Valuable Runner”; and the “Special Coach’s Award” went to Danielle Peck for competing at State all four years in high school.

The Cascade Kodiak girls' team had an extremely successful season this year. Unfortunately, their season was cut short when they were defeated the first round of Districts by Naches in the double overtime shoot-out.

Selected for First Team All League: Arnica Brandy, Tonia Tennant, and Lady Oyos. Lady was chosen by a unanimous vote. Seniors Hana Butler and Cody Burgess were selected Second Team All League. Jessica Evans received Honorable Mention.

The following athletes received awards: Hana Butler, Most Inspirational; Cody Burgess, Captain; Angie Monaco, Coach's award.

Another Rewarding Season

Football

The Cascade Kodiak Football Team had an incredible season, lead by possibly the strongest senior class this school has ever seen. The team won League, including back-to-back shut outs, a 28-14 Pear Bowl victory over rival Cashmere, and defeated the odds against opponents all year long. On top of those successes, Cascade produced the greatest number of All-League athletes in Kodiak history.

Many C.H.S. wrestlers had an extremely successful season this year. Gilbert Escobedo, Jesus Sandoval, and J.P. Gomez led the team to a third place finish at the Okanogan Invitational this year. Their efforts as District Champions led them into state regionals and on to state. Seniors Gilbert Escobedo and Jesus Sandoval will leave behind the legacy of fond memories and great wrestling moments. Both won three championships within the six tournaments held during the season. Their combined efforts leave behind goals for others to try and achieve. Five of Cascade’s teammates wrestled at state. Of the five, Gilbert wrestled into the medal round and placed eighth.

Boys' Basketball

Although the boys' basketball team didn't get the results they wanted, they fought hard all season long. "It was a character building year," said second year coach Kevin Rieke. The boys' battled despite their height disadvantage with no one on the team taller than six feet. The team received valuable senior leadership from Scott Anderson, Ben Armstrong, Andres Avila, and Colt Hansen. "Despite struggles, our seniors gave 100% all year and made it fun," said teammate Marcus Roche.

The Kodiks voted Scott Anderson Team Captain, and Most Valuable Player. Ben Armstrong was voted Most Improved, coming strong at the end of the season. Andres Avila was voted Most Inspirational with tenacious defense, and Colt Hansen was given the Coach's Award. Scott Anderson and Junior Adam Fallert were awarded All-CWAC Honorable Mention.

Girls’ Basketball

The 1999-2000 basketball season was a successful one with the girls obtaining several of their pre-season goals. The team finished second in the CWAC North and stormed into districts, taking the 2000 District Championship over Kiona-Benton. With that victory, the Lady Kodiaks earned the #1 berth and their sixth consecutive trip to the State Tournament.

This year, the Kodiaks will be graduating six seniors: Cody Burgess, Hana Butler, Celena Gonsalves, Megan Marson, Samantha Willet. Captains Megan Marson and Cody Burgess earned CWAC 1st Team All-League honors. Megan Marson was voted Most Inspirational and Cody Burgess was selected as Most Valuable. Chosen for Most Improved was Joylyn Marcellus. Kyle Bergren will serve as the 2000-2001 Captian. This team let a high standard for future teams to obtain.

Natural Helpers

We’ve added an enthusiastic club to Cascade High School this year. The Spirit Club is in charge of organizing pep assemblies and raising the school spirit. It also rallies people together, supports all sports, and involves more of the student body in the non-spectator sports, like “x-country.” As a new club, it is off to a great start.
