In Memory of
Miguel Hoyos
Yearbooks are always about remembering the good times of high school. The Prom where you danced the night away, beating Cashmere in football for the first time in years, or finally getting the WASL behind you.

All these things are worth remembering, but more importantly they're worth honoring.

It is in that spirit that the Publications Staff coined this year's theme Here's To... It's all about celebrating the good, and even the bad, times that everyone had in High School because there's no replacing them.

So Here's To High School, Here's To Graduation, but most importantly... Here's To You.

Coach Daley
This years version of the Kodiaks returned the PRIDE back to our school and community. Wins over archrival Cashmere in the Pear Bowl and a defeat of Omak for Homecoming topped off a season in which the team finished in 1st Place. I am so proud of the seniors for laying the groundwork for future teams and am excited for next years crop of Kodiaks. Thank you to the players for allowing me to work with such a great group of young men.

Above: Kodiaks watch from the side lines, while waiting for their name to be called to go in.

Above: Alex West, Josh Subido, and Luke Schauer working on their defensive skills.

Here's to the Fastest

Cross Country 06'-07'

For the second time in two years the Kodiaks found themselves with a new Cross Country coach. The team fell under the direction of Mr. Bill Davies, a change from last year's Mr. Rieke. Aside from a coach change the team also had the threat of extermination over their heads, if there wasn't a big enough turnout this year the program would be cut.

And like every other sport the team was thrown into a new league. Despite the hardships the Kodiak Runners came out smiling sending both Cameron Folden and Seneca McMahon to state. The team overcame all obstacles and will continue to exist next year. So Here's To the Cross Country team for staying strong.

From the Coach

I am really proud of this 2006 team. We went undefeated in the season, 14-0. We made a lot of memories. Each and every girl contributed to the overall success of this team. I have 5 seniors who will be greatly missed. Brianna Frank our setter and backside hitter (voice on the floor). Rae Smith our Middle Blocker (Captain), Tarcy Rosario (Captain) our Libero, Catie Hills (plays with heart and inspiration) who plays outside and backrow and Eanna Merighi (never gives up) who played outside and backside. Each senior left their mark on this program and the girls returning. We also have 4 returners. Ashley Wright played Middle Blocker for us this year.

She has become a big asset on offense and an inspiration to the team. Hilary Parton led in outside kills this year. She really hit the ball hard for us. Jenni Elser our setter has been significantly improved this year. She is a very hard worker. We also have Missy Allen returning next year in the backrow. Missy is a great team player and will be a great leader next year.

This team is the most unselish team I have ever coached. Everyone works for the betterment of the team. That was why we were successful. I am also very proud of the JV and C squad teams. Who also had very successful seasons.

Here's To the Survivors

This year the open forum clubs came under fire and it was up to the community to save them. Students and parents alike had stood and fought to keep the clubs alive and after one of the most attended school board meetings this district has ever seen they achieved just that. So here's to the fighters, and the survivors.

2007 CHS TENNIS TEAM

This year's Cascade High School tennis team has gotten even larger than expected, we have so many wonderful players that not even all of them could have pictures on this page. We wish we could have had that many pictures, but there aren't even that many pages in the whole yearbook. We are sad to have such great players graduate at the end of the year. That goes to all senior Cascade tennis players. Tennis is not only for those in shape athletes types, it is for everyone, who likes to have fun competing with friends in a comfortable atmosphere. We hope that any undiscovered tennis lovers will join us next season, you are welcome to join the ranks of the Cascade tennis team.
