“*This team has done something* that another baseball team hasn’t done in 14 years! Not only are they good athletes, but they’re good kids and good students, hence being awarded academic state champions. They should be proud of all their accomplishments they have had this year on and off the field.”

Top moments you won't forget

"Competition breeds excellence" as some would say. Anyone would agree the competition between the classes this year was nothing but heated.

3, 2, 1, DECORATE! The fight against time to turn your hallway into a Star Wars oasis. Only two ladders and very tall ceilings! But hey, we made it work. Congrats Juniors!

BEEEP! Sophomores and juniors, against seniors and freshman battling it out in a fun game of dodgeball in the old gym. The win went to the seniors.

The more people the better, when you're trying to drag the opposing class through the mud! Tug-o-war at lunch was a fun way to kick off our homecoming week. Congrats Juniors!
And the big win goes to the seniors

A Helping Hand

Based in a small school room at the Leavenworth Fish Hatchery, the Discovery students are always willing to lend a helping hand. Yearly they volunteer at the Salmon Festival, a community event that brings tourists from all across the world. This year each student spent their weekend volunteering at booths and events to help out the community. Also, the Discovery students help the Hatchery with any other event or festival that they are needed in. "It's our way of giving back," Aracely Guerrero (pictured below) says.

Empty your mind, be formless. Shapeless, like water. If you put water into a cup, it becomes the cup. You put water into a bottle and it becomes the bottle. You put it in a teapot it becomes the teapot. Now, water can flow or it can crash. Same goes for us. If you put us on a field, we become the field. You put us on the ball, we become the ball. We can flow or we can crash. Be water my friend.

"This group of Kodiaks did a great job on and off the field. They raised the bar for future teams to come. The seniors set a great example of what being a Kodiak, and, most importantly, what a citizen should be. Our future looks bright, and opponents should watch out, because they're about to get hit by a Kodiak!"

A Word from the Coach

This year we had another great season. Led by our 5 wonderful seniors Hilary, Jenni, Missy, Becca and Aracely. Our captains were Hilary, Jenni, Missy and Ashley. Our 4 captains set the tone for our program and demonstrated our philosophy "Family, Competition and Winning". Our 2007 motto was "TEAM me." Our girls know it's not about them but about the team. This is why we are successful. I am very proud of all my girls, captains, seniors and the dedications of Brianne, Leah, Jordan and Tori. Each one of the girls committed themselves to the program and equally contributed to the overall success of our season. Thanks for a great season and seniors we will miss you!

The team got to stay at Coach Davies' mom's house, play capture the flag at Fort Casey, until the park officials told them to leave, have pizza at the Gay 90's, and then they ran a race the next day. What a trip.
