A LITTLE BIT LOUDER
Cascade High School 2008-2009

A Little Bit Louder...
2009
A year where the most important thing was being a Kodiak and being loud enough to show it.

A year where we could leave our mark and make it count.

A year when being quiet was not an option.

So Kodiaks, let's try and make it just . . .

A Little Bit Louder!!!

You just got hit by a Kodiak!

CHS Football

As Taylor Isadore gets the first hit on Zillah's number 25, the rest of his team swarm in to all get a lick on their opponent. This type of gang tackling was a key attribute to the Kodiak's stingy defense.

Injuries have always been a part of football. Taken down hard in the Homecoming game Nick Miland (88) sits on the sideline after putting everything on the line for his team's victory.

Abe Tobon (24) stretches out to get a finger on a potential touchdown pass from Zillah. Abe saved his team seven points on this drive, but the whole team had a great game giving up only seven points and putting up 31.

Coach Daley looks on as his team once again tears apart their opponent.

Cascade Kodiaks number 54, Curtis McCall, gets pumped up as the varsity starters are introduced to the cheering stands.

Showing honor for a player injured on the field, the Cascade Kodiaks take a knee.
Dave Rayfield (9) holds the snap for kicker Alex Avila (12) as he splits the uprights to add on an extra point.

Flynt Ennis (69) Jaime Mendoza (67) and Mac Clark (56) knock their opponent on their back side in route yet another victory.

Robbie Scholard (44) and Daniel Young (33) hustle off the field together after doing their job on the kick off team.

The mob of red and grey all huddle around to celebrate their victory.

Roberto Mendoza (28) pulls down Zillah running back from behind with Dom Coffin and Taylor Isadore (13) flying in to finish off the tackle.

Coach Daley directs his offensive squad during a time out. His words of encouragement are one reason that his team had so much success on and off the field this year.

"We implemented a new system this year and the girls responded well to it. Our goal was, is and always will be to improve our knowledge of the game on a team basis.
We had a satisfactory season for a young team."
"Family" First I would like to thank our community, staff, Krazies, administration, coaches and athletes for making this year what it was. I am very fortunate to work around so many colleagues, students, and community members who support our love for volleyball. We were also very lucky to have had 8 outstanding seniors who represented our program and instilled qualities in the younger classman for them to follow our tradition of success. Our philosophy in volleyball is, "Success comes with the emphasis of family, unselfishness contribution, sacrifice, and mindfulness." With these qualities we have submitted a 31-3 record this season along with a league title, district title and state trophy. Our JV and C squad programs are also equally successful. Nevertheless, we are still thriving for improvement and hopefully keep building stronger. All 37 members of our family have influenced this program. I am very proud of my girls! Thank you for all your commitment and memories. ~Coach McMahon

Playing with these girls has been an unforgettable experience. Having every girl in for the same reason, together as a family, is what made us so strong. I can't thank the community, our school, and our wonderful coaches enough for such a great season. These teams only come around every once in a while, and I feel so lucky to be a part of this one.
~Ashley Wright

Congratulations
Class of 2009!

And good luck to you all in your future endeavors and adventures.

SUCCESS:
To laugh often and much,
to win the respect of intelligent people
and the affection of children,
to earn the appreciation of honest critics
and endure the betrayal of false friends,
to appreciate beauty,
to find the best in others,
to leave the world a bit better,
whether by a healthy child,
a garden patch,
or a redeemed social condition;
to know even one life has breathed easier because
you have lived.
This is to have succeeded!
