A Picture Is Worth

2011

two thousand eleven

Words
The pride under our football lights.  
The chants of our cheerleaders.  
The screams of our Kodiak Krazies.  
The face of that special teacher.  
The stories from the best classes.  
The hardwork for a rewarding grade.  
The sound of basketball shoes on the court.  
The faces of a crowd while playing against our rival.  
The feeling of being District Champions.  
The clang of a baseball bat.  
The smile between partners after a tennis match.  
The ache of tired muscles from a long race.  
The years where we walked through the doors into the school.  
The days we spent together in the hallways.  
The hours where we just wanted to graduate.  
How do we remember those moments?  
We remember as we look through the photographs from the four years we called Cascade High School home. The four years we spent trying to figure out who we were and what we wanted.  
When we look back, each image will spark a memory, a story, a feeling because...

Boys of Fall

Kodiak Football 2010

On Friday nights a team is brought together under the lights to play a game. A game composed of togetherness, passion, fearlessness, pride, and the love for football. A team capable of bringing an entire town together for the heart of a Kodiak. When life goes on after high school, one thing is for certain. We will always remember the feeling of those fall nights, and we will always remember the passion of our Cascade High School football players.

1) Quarterback #2 Dan Betz hands the ball off to running back #7 Elijah Nash.

2) Running back #4 Dwight Stoddard fights off four Sultan players to carry the ball up the field for yardage.

3) #23 Nick Woods escapes from the opponent’s grasp and runs the ball for yardage on the home field.

4) Receiver #5 Ethan Nash jumps to receive a touchdown pass in the end zone.

5) Running back #25 Cameron Williams runs the ball for yardage, while #52 Ricardo Ledezma and #7 Elijah Nash block the opponent.

---

This year's version of the Kodiak football team will not only be remembered as great athletes, but more importantly this senior group will be remembered as servant leaders in our school and community. Each and every day they give me hope for the kind of leaders that these young men will be with their families and in their chosen careers after high school. They understand the importance of family and being accountable to those who depend on you. Good luck boys, in all you do. "Enjoy the journey!"

-Coach Ella Ala'ilima-Daley

Girl's Varsity

When you are welcomed onto the team, that welcoming comes at a price, (the promise to work hard, the drive to do your best, and the willingness to play nice with others), but offers so much more in return.

When you are a part of the girl's basketball team, you become inaugurated into a family. A family who will love you to death and lift you up when you need it most.

This year, the Lady Kodiaks showed their teamwork more than ever. Through their triumphs, as well as their losses, they developed character and a love and respect for each other and the sport that will continue on for many years to come after they have left the CHS courts.

Grandpa & Grandma West are proud of you!
"Keep following your dreams!"
From the Moment you were born, you fought for life, and now you’ve grown up a beautiful person inside and out. Always a smile and kind word for everyone.

You are a model daughter, sister, and friend, always sacrificing your wants for others. And now is your moment to shine!

Just remember:
When you make a mistake, don't look back at it long. Take the reason of the thing into your mind and look forward. Mistakes are lessons of wisdom. The past cannot be changed. The future is yet in your power.

Always Love You!
