LEANDRO JASSO

JUNE 19TH, 1993 - NOVEMBER 24TH 2018

This year, the Cascade family suffered the loss of a courageous fellow Kodiak. Although this generation of Cascade students did not know him well, he is and will forever be a Kodiak. We as a publications staff would like to dedicate this yearbook to his memory. Thank you for your sacrifice, Leandro. You will not be forgotten.

"In explaining a complicated soul, in admiring his joyful, provocative and brave qualities, we are also reminded - we aspire to the same things. Everyone shared stories of Lando's joyful smile. Everyone shared stories of his kind soul--and sometimes wicked sense of humor."

"As much as anyone I've known, Lando was deep into a love affair with the candle of life that flickers inside of us all. Maybe the reason the kid was never on time was because a part of his old soul always had an eye on what is changeless and vast in this life. That flicker of light in us." - Mrs. Brixey
